ERICKSON JOURNEY

Girl A Dark Horse Comics
(Single Issues)

Dr. Sheila Tao is a professor of psychology and an expert in human behavior with a hidden past. When she began an affair with sexy, charming graduate student Ethan Wolfe, she knew she was playing with fire.

Consumed by lust when they were together, riddled with guilt when they weren't, she sknows the three-month fling with her teaching assistant has to end. After all, she finally engaged to a kind and loving investment banker who adores her, and she's taking control of her life. But when she attempts to end the affair, Ethan Wolfe won't let her walk away.

I Can Explain Harper
Collins

Meet Gretchen Lowell, the stunningly beautiful psychopath The Huffington Post called "the most diabolical female serial killer in fiction," and Archie Sheridan, the police detective whom she caught and tortured...and then let go. Here together for the first time in a fabulous eBook bundle

are the first three thrillers in Chelsea Cain's New York Times bestselling Archie Sheridan and Gretchen Lowell series. HEARTSICK Archie Sheridan finally put Gretchen Lowell, the Beauty Killer, in prison, but he can't seem to forget her. Now, he realizes that even behind bars, Gretchen might be the only person who can help him find the serial killer he's currently tracking. SWEETHEART When the body of a young woman is discovered in Portland's Forest Park, Archie can't focus on the new investigation because the Beauty Killer case has exploded again: Gretchen Lowell has escaped from prison. EVIL AT HEART Gretchen Lowell is still on the loose, and is developing her own bizarre kind of fan club. When Archie and Gretchen last spoke, he agreed not to kill himself if she agreed not to kill anyone else. But when a new body is found accompanied by Gretchen's trademark heart, all bets are off. *Confessions of a Teen Sleuth* John Murray Detective Archie Sheridan just has to get through the next few days, then his birthday and Halloween will be over.

But with escaped serial killer Gretchen Lowell on the loose, the investigation into the murder of a DEA agent demanding his attention, and journalist Susan Ward showing up at his apartment needing a favor, it's going to be a long weekend. Soon Archie finds himself crashing a masked ball on a private island owned by Jack Reynolds, a notorious local drug kingpin. By morning, Archie is back on pain killers, a guest is dead and Archie quickly realizes that little is what it seems. One thing is clear: Gretchen is back, and Archie's nemesis and sometimes lover has something special in mind for the birthday boy, something she's been planning for a long, long time. On Halloween Eve, with time running out, and the life of someone close to Archie on the line, Archie knows his only chance is to give Gretchen exactly what she wants. But Gretchen will prove more horrifying, and unpredictable, than Archie could ever imagine. Back with her most thrilling novel yet, Chelsea Cain delivers the pinnacle of what fans of this series have come to expect: sex, murder, twists, dark wit, and some

of the best characters in the genre.

Man-Eaters: Tomorrow Belongs To You! (One-Shot) Image Comics

This smart psychological thriller about a therapist who marries the wrong woman is “a lot of wicked fun” (Alan Cheuse, NPR’s *All Things Considered*). When Eric Lavender meets the attorney Colleen O’Brien Golden, his position as one of Manhattan’s chic psychotherapists and most eligible bachelors suddenly loses its appeal. The sexy, stylish Colleen lures him to live with her and her young daughter in the exclusive suburb of Scarsdale. To his amazement, Eric is besotted and soon settles into the unexpected bliss of marriage and domesticity with their new baby and his loving stepdaughter. He even becomes a local hero when the police turn to him for help in resolving a hostage crisis. But Eric’s transformation comes to an abrupt halt when the police knock on his door again—this time with handcuffs. He and Colleen are caught up in an explosive conflict of interest involving their clients. When Eric discovers that Colleen has gone to extreme lengths

to conceal her secret past, she retaliates with horrendous charges against him. Eric must uncover the truth before his children, his career, and his freedom are taken from him forever. As she did in her bestseller *Almost*, Elizabeth Benedict navigates the turbulent waters of love, law, psychology, and ethics with biting wit and penetrating insight. *The Practice of Deceit* is a razor-sharp novel of marriage—and divorce—gone awry. *Blood Oath* St. Martin's Press

Already praised as “a writing powerhouse” (*USA Today*) and “among the select group of novelists who have invigorated the crime fiction arena with smart, innovative, and exciting work” (George Pelecanos), *New York Times* bestseller Laura Lippman is constantly sending reviewers back to their thesauruses in search of new and greater accolades. Her brilliant stand-alone novel, *And When She Was Good*, only reinforces the fact that she stands tall among today’s bestselling elite—including Kate Atkinson, Tana French, Jodi Picoult, and Harlan Coben (who raves, “I love her books!”) Based on her

acclaimed, multi-award-nominated short story “Scratch a Woman,” *And When She Was Good* is the powerfully gripping, intensely emotional story of a suburban madam, a convicted murderer whose sentence is about to be overturned, and the child they will both do anything to keep. Lippman has already won virtually every prize the mystery genre has to offer—the Edgar®, Anthony, Agatha, and Nero Wolfe Awards, to name but a few. They’ll now have to invent a few new awards just to keep up with her.

Mockingbird Vol. 1 Minotaur Books

Adolescent girls can be real monsters. Maude is twelve which is just about that age when some girls turn into flesh-eating wildcats. As her detective dad investigates a series of strange mauling attacks, Maude begins to worry that she might be the killer. From the creative team that brought you the groundbreaking Eisner-nominated series *Mockingbird*, this trade paperback collects the first story arc of the unconventional coming-of-age tale—including the informative survival handbook, “CAT FIGHT! A

BOYS" GUIDE TO DANGEROUS CATS" and all-new never-before-published extras! Collects MAN-EATERS #1-4

Kick Back Simon and Schuster
Boston Medical Examiner Maura Isles is summoned to the scene of a brutal killing and teams up with Detective Jane Rizzoli to investigate the victim's ties to Joyce O'Donnell, a cantankerous psychologist, and to a sinister cabal called the Mephisto Club.

A Novel Simon and Schuster

What do bubbles in a soft drink, a bullet-proof vest, a plastic chair, and our DNA have in common? Carbon. It is, and forever has been, the ubiquitous architect of life and civilization, forming the chemical backbone of every living creature. And yet, when we hear the word today, it is more often than not in a crisis situation: carbon dioxide emissions are destroying the ozone layer and warming the planet; the volatile Middle East explodes atop its stores of hydrocarbons; carbohydrates threaten obesity and diabetics. Carbon, thus, sustains us and threatens us in equal measure, Eric Roston illuminates this essential

element in all its forms, cleverly recreating the intricate carbon cycle on the page by tracing its journey from the Big Bang to Earth and its extraordinary infiltration of this planet and, in time, influence on humankind and civilization. Evoking its ubiquity-more than 99% of all 31 million known substances contain carbon-Roston chronicles the ways we have used it, often to surprising, and sometimes to catastrophic, effect: having sped up the carbon cycle in the last two centuries, we are now attempting to wrestle Earth's geochemical cycle back from the brink. Blending the latest science with original reporting, Roston makes us aware, as never before, of the seminal impact carbon has, and has had, on our lives.

A Novel Minotaur Books
Tyler Durden lives!
Some imaginary friends never go away . . . Ten years after starting Project Mayhem, he lives a mundane life. A kid, a wife, pills to keep his destiny at bay. But it won't last long; the wife has seen to that. The time has come . . . Rise or Die.
* Chuck Palahniuk writes the sequel to Fight Club!
* One of the most

anticipated comics of the year. * Named to ComicBook.com's Top 10 Comic Events We Can't Wait For in 2015! The first rule of Fight Club might be not to talk about it, but tongues are already wagging about Chuck Palahniuk's sequel to his 1996 novel. ♦ The Telegraph (London) Just wait until you see what happens next. ♦

Hollywood Reporter Heat Vision, 5 Comics to Look Out For in 2015

Gone HarperCollins
Zach Barrows is a cocky, ambitious White House employee until he's abruptly transferred out and partnered with Nathaniel Cade, a secret agent sworn to protect the president. But Cade is no ordinary civil servant. Bound 140 years ago by a special blood oath, Nathaniel Cade is a vampire. On the orders of the president he defends the nation against enemies far stranger-and even more dangerous-than civilians like Zach could ever imagine.
A Novel St. Martin's Press
It was expecting them. Conrad and Joanna Harrison, a young couple from Los Angeles, attempt to save their marriage by leaving the pressures of the city to start anew in a quiet, rural setting. They

buy a Victorian mansion that once served as a haven for unwed mothers, called a birthing house. One day when Joanna is away, the previous owner visits Conrad to bequeath a vital piece of the house's historic heritage, a photo album that he claims "belongs to the house." Thumbing through the old, sepia-colored photographs of midwives and fearful, unhappily pregnant girls in their starched, nineteenth-century dresses, Conrad is suddenly chilled to the bone: staring back at him with a countenance of hatred and rage is the image of his own wife.... Thus begins a story of possession, sexual obsession, and, ultimately, murder, as a centuries-old crime is reenacted in the present, turning Conrad and Joanna's American dream into a relentless nightmare. An extraordinary marriage of supernatural thrills and exquisite psychological suspense, *The Birthing House* marks the debut of a writer whose first novel is a terrifying tour de force.

Let Me Go Harper Collins
Don't believe the radical pro-feline media.
PANTHERISM IS REAL.

Does your daughter exhibit cat-like behaviors? Does she engage in self-grooming? Does she try to go out at night? Is she impertinent? Ruminations is here to help! Page through our promotional catalog to find the ideal treatment solution.

Memoirs of an Imaginary Friend HMH
This is not your mother's memoir. In *The Chronology of Water*, Lidia Yuknavitch, a lifelong swimmer and Olympic hopeful escapes her raging father and alcoholic and suicidal mother when she accepts a swimming scholarship which drug and alcohol addiction eventually cause her to lose. What follows is promiscuous sex with both men and women, some of them famous, and some of it S&M, and Lidia discovers the power of her sexuality to help her forget her pain. The forgetting doesn't last, though, and it is her hard-earned career as a writer and a teacher, and the love of her husband and son, that ultimately create the life she needs to survive.

A Kick Lannigan Novel
Penguin

Struggling to move past his traumatic encounters with serial killer Gretchen Lowell, Archie Sheridan investigates a murder involving a brutally tortured victim before he is contacted by Lowell, who claims to have inside information about the case. By the best-selling author of *Heartsick*. Reprint. 250,000 first printing.

And When She Was Good
Simon & Schuster
The explosive conclusion to New York Times–bestselling author Amy Tintera's action-packed *Reboot* is a can't-miss thrill ride, perfect for fans of *The Hunger Games*, *Legend*, and *Divergent*. After coming back from death as *Reboots* and being trained by HARC as soldiers, Wren and Callum have finally escaped north, where they hope to find a life of freedom. But when they arrive at the *Reboot* reservation, it isn't what they expected. Under the rule of a bloodthirsty leader, Micah, the *Reboots* are about to wage an all-out war on the humans. Although Wren's instincts are telling her to set off into the wilderness and leave the battle far behind, Callum is unwilling to let his human family be

murdered. When Micah commits the ultimate betrayal, the choice is made for them. But Micah has also made a fatal mistake—he's underestimated Wren and Callum. Readers will thrill in this dynamic finale to the Reboot duology, full of riveting action and steamy love scenes as Wren and Callum become rebels against their own kind. Don't miss Amy Tintera's new fantasy series, *Ruined*—full of epic stakes, sweeping romance, hidden identities, and scheming siblings.

Gone Macmillan

From New York Times bestselling author Chelsea Cain—the unforgettable Kick Lannigan negotiates the help of an unlikely partner in the second book in the electrifying series that started with the “edge-of-your-seat thriller,” *One Kick* (Booklist, starred review). Three months following the events of *One Kick*, a secretive arms dealer named Bishop has come seeking Kick's help to protect a teenage girl under a threat from the past. Bishop believes the young woman is at risk of suffering the same fate as her mother, who disappeared as a teen before miraculously

returning home twenty years later. At the time, many believed that there may be something supernatural involved in her mysterious disappearance. Could that be true? As Kick and Bishop join forces to search for clues in the girl's Florida hometown, they realize there may be even darker—even criminal—secrets at play. Then a body is discovered and throws both women's identities into question, and Kick and Bishop must combine their expertise to learn the truth. With the heart-stopping suspense, psychological twists, and the atmospheric details readers love, *Kick Back* is Chelsea Cain at her best.

An Archie Sheridan / Gretchen Lowell Novel
Dell

In the sleepy rural town of Painters Mill, Ohio, the Amish and “English” residents have lived side by side for two centuries. But sixteen years ago, a series of brutal murders shattered the peaceful farming community. In the aftermath of the violence, the town was left with a sense of fragility, a loss of innocence. Kate Burkholder, a young Amish girl, survived the terror of the Slaughterhouse Killer but

came away from its brutality with the realization that she no longer belonged with the Amish. Now, a wealth of experience later, Kate has been asked to return to Painters Mill as Chief of Police. Her Amish roots and big city law enforcement background make her the perfect candidate. She's certain she's come to terms with her past—until the first body is discovered in a snowy field. Kate vows to stop the killer before he strikes again. But to do so, she must betray both her family and her Amish past—and expose a dark secret that could destroy her.

Codename Villanelle

Minotaur Books

A beautiful and suspenseful tale by a master American novelist, *The Midnight Twins* tells the story of mirror twins born on either side of midnight. After a mysterious and nearly fatal fire on their thirteenth birthday, Meredith and Mallory Brynn begin having visions: Mallory can see into the past, Meredith can see into the future. But it will take both of them to save their town from a great evil. That is, if their unique powers don't destroy them first.

A Thriller Bloomsbury
Publishing USA

"If you are reading this, then I am gone and this manuscript, per my instruction, has been delivered to the writer Chelsea Cain for publication as she sees fit . . ." America's favorite girl detective is back to set the record straight. According to our titian-haired heroine, she was not a fictional character, but an intrepid real-life

sleuth who investigated some of the twentieth century's biggest mysteries. And the famous series she starred in was not cooked up by a team of writers, but plagiarized from her exploits by a nosy college roommate-who, not surprisingly, got a whole lot wrong. Here are the daring escapes, brilliant hunches, and dependable stock characters,

including interlopers from numerous other beloved series, that have delighted generations of fans. And here, also, are the details of teen-sleuth life that you never saw: the secret romances, reckless driving, minor drinking problems, political action, and domestic drama that have, up till now, remained hidden from these brave detectives' adoring public.
