*Criminology and Law - University of East London (UEL)*

International criminal law is a challenging but fascinating subject, and (sadly) likely to remain very relevant for the foreseeable future. What sort of conduct is regarded as so utterly unacceptable that it is a crime under international law?

**Criminology Undergraduate | City, University of London**

The LLB Law is a qualifying law degree accredited by the Solicitors Regulation Authority and the Bar Standards Board. This programme enables you to contextualise the study of Law and broaden your horizons, opening up career opportunities in criminal justice professions, and human rights jobs in the third sector.

**1 Introduction - University of London**

Centre for Criminal Law. The Centre for Criminal Law aims to promote research and teaching at UCL in criminal law subjects, namely substantive criminal law, criminal procedure and evidence, the criminal justice system, criminology and the philosophy and practice of punishment. Criminal law is a major subject of academic and practical importance. This has always been so in England, where the subject has a rich history and occupies a very prominent place in popular awareness of the legal system.
