The Crane Wife Japanese Folktale
The Crane Wife. The Crane Wife is an old Japanese folktale. While there are many variations of the tale, a common version is that a poor man finds an injured crane on his doorstep (or outside with an arrow in it), takes it in and nurses it back to health. After he releases the crane, a woman appears at

his doorstep with whom he falls in love...The Crane Wife - Wikipedia
Tsuru no Ongaeshi (鶴の恩返し, lit. "Crane's Return of a Favor") is a story from Japanese folklore about a crane who returns a favor to a man. A variant of the story where a man marries the crane that returns the favor is known as Tsuru Nyōbō (鶴女, "Crane Wife").
