The Heroin Diaries Mango Media Inc.
 From their eponymous 1978 debut through their colossal 1984 album (they've sold over 75 million albums worldwide), Van Halen rewrote all the rules. Nobody rocked or partied harder. Photographer Neil Zlozower first met the band in 1978, worked with them again on Van Halen II, and soon became their friend, hanging out in L.A. and hitting the road on tour with them. Van Halen collects more than 250 backstage, candid, and full rock-out photos of the all-powerful, spandexed, high-kicking, guitar blazing, stadium-shaking, original Van Halen lineup. Accompanying Zlozower's amazing photos are an introduction about his wild ride with

VH, a foreword by David Lee Roth, and testimony from the rock pantheon paying homage to the band, including members of Led Zeppelin, Guns N' Roses, Def Leppard, Judas Priest, KISS, Motley Crue, and more. Turn it up!

 Step into the booth. Check your judgments at the curtain. Close your eyes. Listen: you can hear the voices of the visitors who sat here before you: some of the most twisted, drug-addled, deviant, lonely, lost,

brilliant characters ever to be caught on film. What do you have to offer the booth?

In 1987, Anthrax unleashed a heavy metal & pop culture touchstone with the release of their historic Among the Living album! Now Anthrax & Z2 invite you to explore the album like never before with this original anthology graphic novel! Each song on the album is given an original story by an amazing creative team, along with extra content and the introduction of the new NOTMAN designed by Greg Nicetero (Walking Dead)! Come on this dark journey into the '87 underground in America with these esteemed creators... *A Backstage Pass to the Wild Times, Loud Rock, and the Down and Dirty Truth Behind the Making of Van Halen* Bluewater Productions
 From the author of the red-hot Vincent Boys, Sea Breeze and Too Farnovels,

comes another steamy romance... Can you handle bad-boy Woods? My future was about to be completely thrown off track because Della Sloane was under my skin, and I had to have her. I couldn't ignore it anymore. . . . I'd gotten close enough to her to see deeper. Della Sloane is not your average girl. Yearning to break free of her dark and sheltered past, Della plans a solo road trip to experience real life on her own terms. But the trip is nearly cut short in the little beach town of Rosemary when she realizes she can't even pump her own gas-until Woods Kerrington shows up, more than willing to help out a pretty girl in need. Woods's family wants him to settle down with a wealthy woman in pearls, but he can't resist this carefree girl in cutoffs passing through town. A one-night stand should have been enough, but months later, Woods can't get the irresistible Della out of his head. When a twist of fate brings Della back to Woods, all signs point to trouble if they don't keep their distance. Neither is truly free, and a relationship could destroy both of them. With their hearts on the line, Della thinks the safest bet is to walk away. But Woods isn't about to let that happen...

In this "vivid and inspiring" NYT bestseller (Newsweek), the Red Hot Chili Peppers' lead singer and songwriter shares a searingly honest account of life in the rock scene's fast lane -- from the darkness into the light. In 1983, four self-described "knuckleheads" burst out of the mosh-pitted mosaic of the neo-punk rock scene in L.A. with their own unique brand of cosmic hardcore mayhem funk. Over twenty years later, the Red Hot Chili Peppers, against all odds, have become one of the most successful bands in the world. Though the band has gone through many incarnations, Anthony Kiedis, the group's lyricist and dynamic lead singer, has been there for the whole roller-coaster ride. In *Scar Tissue*, Kiedis delivers a compelling life story from a man "in love with everything" -- the darkness, the death, the disease. Even his descent into drug addiction was a part of that journey, another element transformed into art. Whether he's honoring the influence of the beautiful, strong women who have been his muses or remembering the roaring crowds of Woodstock and the Dalai Lama's humble compound, Kiedis shares a compelling story about the price of success and excess. *Scar Tissue* is a story of dedication and debauchery, of intrigue and integrity, of recklessness and redemption -- a story that could only have come out of the world of rock.

This Is Gonna Hurt is music, photography, and life through the distorted lens of Nikki Sixx, bassist for heavy metal rock band Mötley Crüe's and the New York Times bestselling author of *The Heroin Diaries*. A combination of powerful prose and dramatic photographs, *This Is Gonna Hurt* is an arresting, deeply personal look through the eyes of a real rock star at a stark, post-addiction world. *This Is Gonna Hurt* chronicles Sixx's experiences—from his early years filled with toxic waste, to his success with Motley Crue, to his near death from an OD and his eventual rebirth through music, photography, and love. Love story, social commentary, family memoir, *This Is Gonna Hurt* offers the compelling insights of an artist and a man struggling to survive, connect, and find a happy ending—a search that fuels Sixx's being.

After more than twenty years in the music business Bret Michaels has sold twenty-five million records and scored an amazing fifteen chartbusting Top 40 singles including the timeless #1 smash hit "Every Rose Has Its Thorn."?? Today, this award-winning, multi-platinum superstar's career continues to move at lightning speed following VH1's hit reality dating show *Rock of Love with Bret Michaels* —which aired for three seasons and featured a bevy of ladies competing for an all-access pass to Bret Michaels's heart and to share in his superstar lifestyle. . Bret Michaels is, if nothing else, a true survivor. He has survived a lifelong battle as an insulin-dependent diabetic, a well-publicized near-fatal car crash in 1994, and the countless musical trends and fads of the last two decades. ???Now, Michaels continues his rebirth through this provocative chronicle of his life, in the tradition of Motley Crüe's *The Dirt* . . *Roses & Thorns* reveals everything about Bret's rockstardom, from the Pennsylvania creation of "the ultimate garage band," to MTV's banning of their explicit videos and their 2007 sold-out summer tour. ??Because he's diabetic, Bret never participated in the drug- and booze-fueled partying like the others, but he was at the center of this movement of over-indulgence and has plenty of stories to tell. ??Also, Bret dishes on his short but notorious relationship with Pamela Anderson—which resulted in an infamous sex tape that circulated on the Internet and was released as a DVD in 2005. Readers will be captivated and entertained by *Roses & Thorns* , a fascinating account of one of the most enduring rock musicians of the past two decades. . Magnus Walker is one of life's originals. Serial entrepreneur, fashion designer, TV presenter, motivational speaker and one of the world's most prolific Porsche collectors, the dreadlocked, tattooed hoarder of individual creativity is a very modern incarnation of success. Raised in the urban decay of Thatcher's Britain, Sheffield-born Magnus Walker left school with just two O levels and drifted for several years before buying a one-way ticket to America. Now, 30 years and three successful businesses later, by following his instincts, rejecting convention and pursuing his passions Magnus has succeeded against all the odds. Here, for the first time, is the full story of his journey from a Northern steel town to the bright lights of Hollywood, from a boy with little hope to an anti-establishment hero. Along the way we'll witness his potent combination of inspiration and graft, discover his motivations and his ambitions, and come to understand his philosophy and the keys to his success. Inspiring and exhilarating, **URBAN OUTLAW** is a compelling tale of succeeding through pure instinct and determination by a man who was brave enough to follow his own path.

I am Tommy Lee, born Thomas Lee Bass in Athens, Greece, on October 3, 1962, and raised in a suburb of California by an American father and a Greek mother. At seventeen, I joined Mötley Crüe and we became one of the baddest-ass rock bands

in history. We sold over 40 million albums, we wreaked havoc, we scared parents, and we titillated too many fathers' daughters. I've been married three times: once for just a few days to a Penthouse Pet, for seven years to Heather Locklear, and then for five years to Pamela Anderson, with whom I have two beautiful sons. I've gotten into a lot of fights and I've been to jail a few times. But this book isn't your typical journey in a straight line from day one to day now. I'm more interested in revealing what's most important about my life, like how I cook my steaks; what I think of the tabloids, the truth, my ex-wives, my ex-band, my music; and what an innocent observer might find hanging around my house any given Sunday. You'll get plenty of facts and I'll tell you a story, but my real mission here is to paint you a picture of my life. I want to show you how my memories smell. I'd like to get into it now, so please take your seats. I advise you to keep your arms and legs inside the car at all times. If you have a pacemaker, a heart condition, or if you are pregnant or too damn short to reach the safety bar, I ask that you turn back immediately. Those with weak stomachs, strict morals, or chronic indigestion should put the book down now. For the rest of you, there's one truth that's real across the board: What you send out is what you get back. Send out the good, people, and it will come back to you. There's another thing I've learned over the years, in court, in fights, and in arguments with people I love: There isn't one truth, there are many. This book is my truth. NOTE: THE EBOOK DOES NOT INCLUDE PHOTOGRAPHS THAT APPEAR IN THE PRINT EDITIONS.

Terrorist attacks. Natural disasters. Domestic crackdowns. Economic collapse. Riots. Wars. Disease. Starvation. What can you do when it all hits the fan? You can learn to be self-sufficient and survive without the system. ****I've started to look at the world through apocalypse eyes.**** So begins Neil Strauss's harrowing new book: his first full-length worksince the international bestseller *The Game*, and one of the most original-and provocative-narratives of the year. After the last few years of violence and terror, of ethnic and religious hatred, of tsunamis and hurricanes—and now of world financial meltdown—Strauss, like most of his generation, came to the sobering

realization that, even in America, anything can happen. But rather than watch helplessly, he decided to do something about it. And so he spent three years traveling through a country that's lost its sense of safety, equipping himself with the tools necessary to save himself and his loved ones from an uncertain future. With the same quick wit and eye for cultural trends that marked *The Game*, *The Dirt*, and *How to Make Love Like a Porn Star*, *Emergency* traces Neil's white-knuckled journey through today's heart of darkness, as he sets out to move his life offshore, test his skills in the wild, and remake himself as a gun-toting, plane-flying, government-defying survivor. It's a tale of paranoid fantasies and crippling doubts, of shady lawyers and dangerous cult leaders, of billionaire gun nuts and survivalist superheroes, of weirdos, heroes, and ordinary citizens going off the grid. It's one man's story of a dangerous world—and how to stay alive in it. Before the next disaster strikes, you're going to want to read this book. And you'll want to do everything it suggests. Because tomorrow doesn't come with a guarantee...

Mötley Crüe's lead singer and rock's ultimate bad boy, Vince Neil, lets the real dirt fly in this raw, raunchy, and completely uncensored road trip through the unbelievable depths of rock n' roll debauchery. You've seen *The Dirt* on Netflix, now read the nitty gritty stories in Vince's own words. For 30 years, Vince Neil has been one of rock's most notorious frontmen. From sex tapes with porn stars and multiple arrests for drunk and disorderly behavior to his turns as a strip club and tattoo parlor owner, his antics make Mick Jagger look like a choirboy. Now, he tells the whole story, in his own words, as it has never been told before. The glory days of excess. Vince's break

with the band and his arduous re-uniting with its members, especially Tommy Lee. The tragic death of his daughter Skylar. And, for the first time, Vince painfully opens up about his actions (and lack of real consequences) surrounding his part in the drunk-driving death of his friend Razzle. Then there are the stories and anecdotes that even hardcore Crue fans don't know. We also hear the voices of his friends, rock star cronies, ex-wives, family, and children in an effort to get to the heart of the matter. *Tattoos and Tequila* reveals the real Vince Neil, from his many vices--booze, sex, and many, many women, to his personal and private tragedies and triumphs as a musician and businessman. Sexy, shocking, and revelatory, this is the first personal account of one of rock's most troubled, outrageous, and flamboyant stars.

NO MORE GAMES. IT'S TIME FOR THE TRUTH. Neil Strauss made a name for himself advocating freedom, sex and opportunity as the author of *The Game*. Then he met the woman who forced him to question everything. Neil's search for answers took him from Viagra-laden free-love orgies to sex addiction clinics, from

cutting-edge science labs to modern-day harems, and, most terrifying of all, to his own mother. What he discovered changed everything he knew about love, sex, relationships and, ultimately, himself. The Truth may have the same effect on you. [The Dirt New York : the Century Company](#)
If you want to play the Game, you've got to know the Rules. In his international bestseller *The Game*, Neil Strauss delved into the secret world of pick-up artists—men who have created a science out of the art of seduction. Not only did he reveal the techniques that they had developed, but he became a master of *The Game*, and the world's No. 1 PUA, as *Style*. Now, in this bestselling companion, Strauss reduces three books of life-changing knowledge into a single-volume set. The first book, *The Stylelife Challenge*, breaks down the knowledge he learned and techniques he invented into simple step-by-step instructions that anyone can follow to meet and land the women of their dreams. In the second book, Strauss takes readers into the dark side of *The Game*. *The Style Diaries* offers a series of tales of seduction and sexual (mis)adventure. From accidentally getting married during a drunken night in Reykjavik, to luring a famous musician's granddaughter into a threesome; to the stress and frustration of the torturous and highly unorthodox "30 Day Sex Experiment," *The Style Diaries* takes you further into the seduction underworld than ever before. Finally, in the all-new, updated third volume, Strauss collects the greatest, most powerful, field-tested, word-for-word routines. You don't need money, looks, or fame to succeed with women. All you need is an understanding of how attraction works—and this thirty-day workout program for your social skills, which has already guided countless men from frustration to fulfillment.
