Second-rate work, missed deadlines, smaller paychecks, fewer promotions-- and lots of stress. AND YOU WANT MORE. You want more productivity from your work. More income for a better

lifestyle. You want more satisfaction from life, and more time for yourself, your family, and your friends. NOW YOU CAN HAVE BOTH — LESS AND MORE. every speech and effective methods of delivering a talk. All this relates to business, social and personal satisfaction which depend heavily upon our ability to communicate clearly to others. they have not turned out quite as we expected. We both have changed positions several times-for all the right reasons-but there are no pension plans vesting on our behalf. Our retirement funds are growing only through our individual contributions. Michael and I have a wonderful marriage with three great children. As I write this, two are in college and one is just beginning high school.

We have spent a fortune making sure our children have received the best education available. One day in 1996, one of my children came home disillusioned with school. He was bored and tired of studying. "Why should I put time into studying subjects I will never use in real life?" he protested. Without thinking, I responded, "Because if you don't get good grades, you won't get

into college." "Regardless of whether I go to college," he replied, "I'm going to be rich."

7 Reasons to Believe in the Afterlife

Samaira Book Publishers
Which sort of seducer could you be? Siren? Rake? Cold Coquette? Star? Comedian? Charismatic?

Or Saint? This book will show you which. Charm, persuasion, the ability to create illusions: these are some of the many dazzling gifts of the Seducer, the compelling figure who is able to manipulate, mislead and give pleasure all at once. When raised to the level of art, seduction, an indirect and subtle form of power, has toppled empires, won elections and enslaved great minds. In this

beautiful, sensually designed book, Greene unearths the two sides of seduction: the characters and the process. Discover who you, or your pursuer, most resembles. Learn, too, the pitfalls of the anti-Seducer. Immerse yourself in the twenty-four manoeuvres and strategies of the seductive process, the ritual by which a seducer gains mastery over their target. Understand how to

'Choose the Right Victim', 'Appear to Be an Object of Desire' and 'Confuse Desire and Reality'. In addition, Greene provides instruction on how to identify victims by type. Each fascinating character and each cunning tactic demonstrates a fundamental truth about who we are, and the targets we've become - or hope to win over. The Art of Seduction is an indispensable

In her book How to Talk to Anyone (Contemporary Books, October 2003) Lowndes offers 92 easy

and effective sure-fire success techniques-- she takes the reader from first meeting all the way up to sophisticated techniques used by the big winners in life. In this information-packed book you'll find: 9 ways to make a dynamite first impression 14 ways to master small talk, "big talk," and body language 14 ways to walk and talk like a VIP or celebrity 6 ways to sound like an insider

in any crowd 7 ways to establish deep subliminal rapport with anyone 9 ways to feed someone's ego (and know when NOT to!) 11 ways to make your phone a powerful communication tool 15 ways to work a party like a politician works a room 7 ways to talk with tigers and not get eaten alive In her trademark entertaining and straight-shooting style, Leil gives the techniques catchy names so you'll
