 Understanding Society through Popular Music: Joseph A ...
 Written for Introductory Sociology and Sociology of Popular Music courses, this book uses popular music to illustrate fundamental social institutions, theories, sociological concepts, and processes. The authors use music, a social phenomenon of great interest, to draw students in and bring life to their study of social life.
 Understanding Society through Popular Music | Taylor ...
 Understanding Society Through Popular Music helps me to accomplish two of the main goals of my social history of rock course: 1) to get the students to see themselves and their relationships to music as part of an ongoing and evolving cyclic process — the very same process of self-discovery and expression in which their great-grandparents ...
 Understanding Society through Popular Music by Joseph A ...
 Understanding Society Through Popular Music. The purpose of this book is to use music as a tool to help students understand the structure and process of social life. Sociologically, music is important because it simultaneously contains and reflects a people's language, values, feelings, concerns, and goals.
