A Novel Last

With the help of Special Agent Connor Shields, archaeologist Daria McGowan probes the disappearance of some priceless ancient artifacts, and discovers that many of the private collectors who bought them illegally have met brutal, bizarre ends.

The Road Berkley

At sixteen years old, Davina lost her classmate which made her over sensitive and naïve, and she got herself in trouble with one of her teachers. Thinking all men were the same, Davina ignored the world around her, and isolated herself until she met Eddy, Taylor and Charlie and fell for all three. Which boy will steal her heart in the end, and will one past incident affect the safety of her family?

Till I find someone better... Vintage

Buried alive... As a teenager, Vickie Preston survived an attack by a serial killer. That was the first time she saw a ghost. Now the city of Boston is being terrorized—someone is kidnapping women and burying them alive, but cruelly leaving a glimmer of hope for the authorities by sending a clue about their location. Vickie is pulled into the investigation when her name is mentioned in one of the notes. And as a historian, she has the knowledge to help uncover the graves the killer known as the Undertaker is choosing. But she also has another unique lead: the spirit of one of the victims is

appearing to her in dreams. Special Agent Griffin Pryce is on the case for the Krewe of Hunters, the FBI's special unit for paranormal investigators. He feels particularly protective of Vickie, since their shared past is connected to the threat that currently surrounds them. With the killer accelerating his plans, time is running out for more victims hidden around the city. Vickie is becoming closer with Griffin, but she's getting too close to the danger, and every breath could be her last.

Regan: I never really knew what misery was until the day I was kidnapped and sold for being in the wrong place at the wrong time. Two months later, I'm at a brothel in Rio when I meet Daniel Hays. He says he's here to save me, but can I trust him? I know it's wrong to fall in love with him, but I can't seem to help myself. Daniel: For the last eighteen months, one goal has dictated every action I've taken. In every brothel I raid and every human trafficking truck I stop, I hope the next face I find is my sister's. In a hidden brothel in Rio, I find Regan Porter, bruised but not broken, and still sane despite her weeks in captivity. I should leave her behind or send her home, because the last thing either of us needs right now is to get involved.

ONE LAST BREATH is book two in the new FBI mystery series by debut author Sarah Sutton. A popular beach town was torn apart when a teenage girl went missing. Now, one year later, after a storm rips through the area, her body is found—strangled and buried deep under the brush of a local beach. But, as the cops uncover her body, another is found—a more recent victim—and they quickly realize it's the work of a serial killer. FBI Agent Tara Mills, still recovering from her last case, is pulled into her second. With no leads, the FBI needs Tara's brilliant mind to crack it. But as she delves

into the depths of the popular vacation beach town, she soon realizes that no one can be trusted—and that this killer may be far more brilliant than her. Meanwhile, Tara has decided to uncover the truth of her own past. As she battles the darkness surrounding her childhood, more victims go missing, and with her career on the line, she races against time to stop the killer before she loses it all. Book #3 in the series—ONE LAST UNVEIL—is also now available for pre-order!

#1 NEW YORK TIMES BESTSELLER • PULITZER PRIZE FINALIST • This inspiring, exquisitely observed memoir finds hope and beauty in the face of insurmountable odds as an idealistic young neurosurgeon attempts to answer the question What makes a life worth living? NAMED ONE OF PASTE'S BEST MEMOIRS OF THE DECADE • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • People • NPR • The Washington Post • Slate • Harper's Bazaar • Time Out New York • Publishers Weekly • BookPage Finalist for the PEN Center USA Literary Award in Creative Nonfiction and the Books for a Better Life Award in Inspirational Memoir At the age of thirty-six, on the verge of completing a decade's worth of training as a neurosurgeon, Paul Kalanithi was diagnosed with stage IV lung cancer. One day he was a doctor treating the dying, and the next he was a patient struggling to live. And just like that, the future he and his wife had imagined evaporated. When *Breath Becomes Air* chronicles Kalanithi's transformation from a naïve medical student “possessed,” as he wrote, “by the question of what, given that all organisms die, makes a virtuous and meaningful life” into a neurosurgeon at Stanford working in the brain, the most critical place for human identity, and finally into a patient and new father confronting his own mortality. What makes life worth living in the face of death? What do you do when the future, no longer a ladder toward your goals in life, flattens out into a perpetual present? What does it mean to have a child, to nurture a new life as another fades away? These are some of the questions Kalanithi wrestles with in this profoundly moving, exquisitely observed memoir. Paul Kalanithi died in March 2015, while working on this book, yet his words live on as a guide and a gift to us all. “I began to realize that coming face to face with my own mortality, in a sense, had changed nothing and everything,” he wrote. “Seven words from Samuel Beckett began to repeat in my head: ‘I can’t go on. I’ll go on.’” When *Breath Becomes Air* is an unforgettable, life-affirming reflection on the challenge of facing death and on the relationship between doctor and patient, from a brilliant writer who became both.

Her Dying Breath Vintage

You've met my sons. But that's only half of the story. A story that began over four decades ago. I knew before any of them were conceived who they were, and the men they'd grow up to be. More importantly, from the first time I touched her, I knew Deborah Tate would be the woman I shared my life with, who bore my children, and stood by my side as we raised them. Along the way, there were many unforeseeable events, people who attempted to stand in the way of me claiming what was mine. They've all learned their lesson. That I don't back down. That I always get what I want, come hell or high water. And that, what's mine is never to be toyed with. Now, after decades of silence, I will finally have to share secrets from my past that I've never revealed to my sons. One thing is for certain, I will always protect my family at any costs ... Until My Last Breath.

Some loves will last 'til your dying breath Every choice has consequences—but seventeen-year-old Layla faces tougher choices than most. Light or darkness. Wickedly sexy demon prince Roth, or Zayne, the gorgeous, protective Warden she never thought could be hers. Hardest of all, Layla has to decide which side of herself to trust. Layla has a new problem, too. A Lilin—the deadliest of demons—has been unleashed, wreaking havoc on those around her...including her best friend. To keep Sam from a fate much, much worse than death, Layla must strike a deal with the enemy while saving her city—and her race—from destruction. Torn between two worlds and two different boys, Layla has no certainties, least of all survival, especially when an old bargain comes back to haunt them all. But sometimes, when secrets are everywhere and the truth seems unknowable, you have to listen to your heart, pick a side—and then fight like hell...

“Fans of domestic suspense will adore Kimberly Belle.” —Mary Kubica, New York Times bestselling author of *The Good Girl* From the internationally bestselling author of *The Marriage Lie*, a riveting story of deceit and dark truths. Humanitarian aid worker Gia Andrews chases disasters around the globe for a living. It's the perfect lifestyle to keep her far away from her own dark past. Sixteen years ago, Gia's father was imprisoned for brutally killing her stepmother. Now that he's back home and dying of cancer, Gia must care for him and reluctantly resumes the role of daughter to the town's most infamous murderer. Gia's old wounds are ripped open as protesters show up on the lawn and death threats are hurled at her, turning her own personal tragedy, once again, into front-page news. As the past unravels before her, Gia finds herself torn between the stories that family,

friends, and even her long-departed stepmother have believed to be real all these years. But in the end, the truth—and all the lies that came before—may have deadlier consequences than she could have ever anticipated.... Originally published in 2014. To The Last Breath Penguin UK

This fast-paced and immersive thriller shows just how hard one girl will fight back against corruption and violence, knowing any breath might be her last. Publisher's Weekly said, "Gabriel's debut demonstrates how technology can be used to incite violence, and fans of Barry Lyga and Morgan Baden's *The Hive* will find a similarly themed, and similarly frightening, story here." Also winner of the 2020 ILA Award for Best YA Fiction. *The Swarm* is unrecognizable, untraceable, and unpredictable—a mob that leaves death in its wake. Public places are no longer safe. Every day is a threat. Though it's been two years since the last attack, Lia Finch has found clues that the Swarm is ready to claim a new victim. The last victim was Lia's father, attorney Steven Finch. Devastated and desperate for answers, Lia will do anything to uncover the reasons behind his death and to stop someone else from being struck down. However, the odds are stacked against her: Lia's PTSD from her father's attack has left her with a shaky grip on reality, and her debilitating asthma is a time bomb that could kill her at any moment. After a close encounter with the Swarm puts Lia on their radar, she teams up with a teen hacker, a reporter, and a mysterious stranger who knows firsthand how the Swarm works. Together, they work to uncover the master puppeteer behind the group. If Lia and her network don't stop the person pulling the strings—and fast—Lia will be the next victim. Inspired by the real flash mobs in Chicago, readers ages 13 and up won't be able to put *Every Stolen Breath* down. This YA thriller is great for readers who enjoy mystery and suspense.

"For years, Brenda Banks was haunted by nightmares hinting at the true identity of her birth mother. That hunger for the truth inspired her to become a reporter, and Brenda refuses to back down when a serial killer targeting Slaughter Creek chooses her to publicize the gruesome crimes. It's a twisted game, one she's certain to lose without the help of FBI Special Agent Nick Blackwood, the man she's loved since high school--and whose tormented past holds the key to catching a killer. Narrowly surviving childhood with a sadistic father, Nick Blackwood has devoted his life to chasing down criminals, but he's never forgotten the small-town beauty he once loved. But when a murder investigation brings him face-to-face with Brenda Banks, Nick cannot ignore the smoldering fire she rekindles in his troubled soul. Allowing Brenda into his heart means letting down his guard--and that's just what the killer is counting on."-- Page [4] of cover.

NAMED A BEST BOOK OF 2017 BY NPR "For anyone facing dementia, [Saunders'] words are truly enlightening.... Inspiring lessons about living and thriving with dementia."---Maria Shriver, NBC's Today Show A "courageous and singular book" (Andrew Solomon), Memory's Last Breath is an unsparing, beautifully written memoir--"an intimate, revealing account of living with dementia" (Shelf Awareness). Based on the "field notes" she keeps in her journal, Memory's Last Breath is Gerda Saunders' astonishing window into a life distorted by dementia. She writes about shopping trips cut short by unintentional shoplifting, car journeys derailed when she loses her bearings, and the embarrassment of forgetting what she has just said to a room of colleagues. Coping with the complications of losing short-term memory, Saunders, a former university professor, nonetheless embarks on

a personal investigation of the brain and its mysteries, examining science and literature, and immersing herself in vivid memories of her childhood in South Africa.
