Style is a uniquely personal and practical decorating guide that shows how designing a home can be an outlet of personal expression and an exercise in self-discovery. Elements of Style : Designing a Home and a Life by Erin ...A textbook required for the course was a slim volume called The Elements of Style, whose author was the professor himself. The year was 1919. The book was known on the campus in those days as "the little book," with the stress on the word "little.". It had been privately printed by the author. OLIVER STRUNK: 'THE ELEMENTS OF STYLE' (4th edition) Color is one of the most obvious elements of design, for both the user and the designer.

It can stand alone, as a background, or be applied to other elements, like lines, shapes, textures or typography. Color creates a mood within the piece and tells a story about the brand.
