Amazon.com: Code Orange (Readers Circle) eBook: Caroline B ... Code Orange Book Code Orange by Caroline B. Cooney is a great book. Mitchell Blake is a below average boy in high school. He has to do a research project on a disease, so he decided to do smallpox, the worst

sickness known to mankind. One day he came across a book about all sicknesses with an envelope in it. He opened it, sniffed it in, and put it back. Amazon.com: Code Orange (9780385732604): Caroline B ... Code Orange is a fictional piece written by Caroline B. Cooney. I think that this book is great for young teens, but is too graphic for anyone younger. For example in

the book the main character gruesomely describes what happens when you get smallpox. Code Orange by Caroline B. Cooney Code Orange by Caroline B. Cooney is a scary and amazing read. Just like in previous books, Cooney manages to portray a real feeling, emotional, scary, teenage setting. Mitty is a normal, lazy, teenage guy growing up in New York City. That is until his

teacher assigns a report on infectious diseases and he actually decides to do his homework for once. Code Orange by Caroline B. Cooney, Paperback | Barnes & Noble® Code Orange is a 2005 young adult novel by Caroline B. Cooney. The novel won a National Science Teachers Association recommendation and has been frequently used in classrooms.
