### **Turkish in Three**

**Months** Halit Demir

A tale of high adventure and lyrical celebration, tenderness and violence, generosity and ruthlessness, Memed, My Hawk is the defining achievement of one of the greatest and most beloved of living writers, Yashar Kemal. It is reissued here with a new introduction by the author on the fiftieth anniversary of its first publication. Memed, a high-spirited, kindhearted boy, grows up in a desperately poor mountain village whose inhabitants are kept in virtual slavery by the local landlord. Determined to escape from the life of toil and humiliation to which he has been born, he flees but is caught, tortured, and nearly killed. When at last he does get away, it is to set up as a roving brigand, celebrated in song, who could be a liberator to his people—unless, like the thistles that cover the mountain slopes of his native region, his character has taken an

irremediably harsh and unforgiving form.

### **Making Out in Turkish**

Ali Akpınar

- What is easy Turkish Grammar? easy Turkish Grammar is a self-study reference and practice book for learners who want to study Turkish for the first time but are not sure where to start. It teaches all the grammar and vocabulary they need for speaking and writing in Turkish. Not only does it explain the rules, it also shows how the language works and gives plenty of practice. It can also be used by lower-intermediate learners who want to revise their knowledge of Turkish.
- Which Turkish does easy Turkish Grammar teach? It teaches modern standard Turkish, the dialect you read in newspapers and hear on TV channels.
- How is easy Turkish Grammar organised? The grammar To help you have a feel for how Turkish works the book starts with a brief introduction about Turkish spelling, pronunciation, word order and parts of speech such as verbs, nouns and adjectives. After the introduction you

will study 36 units presented in order of difficulty. First three units, which deal with spelling and pronunciation, come with online audio. Each unit covers one part of grammar explained by making references to English so that you can compare relevant areas of grammar. Areas where you may have difficulty have been treated with particular care and attention. Each topic is illustrated by plenty of real-life examples written by using the equivalents of 2000 basic English words. And each and every example in the book is translated into English. In the book some unique conventions are used for spelling, pronunciation and grammar in order to help with the learning process. Each set of suffixes in Turkish, which might be mind-boggling for speakers of European languages such as English, is highlighted with a different colour throughout the book so that you can easily spot the order and function of every suffix. You can find the colour-legend at the bottom of the pages.

Besides grammar, easy Turkish Grammar teaches lots of everyday phrases and expressions so that it may also make a useful handbook for daily Turkish. The exercises As practice makes perfect, the utmost care has been devoted to writing the exercises. At the end of the units you can find an extensive set of exercises. The appendices The appendices include 11 supplementary lessons, which you are referred to while you are studying the units. The key The key includes the answers to all the exercises. Online audio for the answers is also available. The index The index is unique in that the entries include only titles in English so that you can compare relevant areas of grammar. For example, if you want to know how to say must or express obligation in Turkish, all you need to do is refer to these titles. Here you will find information not only about how to say must in Turkish but also how Turkish suffix for must is also used to mean should. Or if you want to add -ness to an adjective or -ship to a noun, you will be referred to the relevant page where you will find that Turkish only has the suffix -lik for both. The

 Do you wish to speak like  
 a Turkish native? Are you  
 interested in learning  
 Turkish for a trip to  
 Istanbul? If your answer to  
 any of the previous  
 questions was 'Yes', then  
 this book is for you!  
 Turkish isn't one of the  
 most-spoken languages in  
 the world, but it is  
 certainly one of the most  
 useful. Known as the  
 "Bridge between Europe  
 and Asia", you may find  
 yourself visiting the  
 wonderful nation of  
 Turkey for business or  
 pleasure, and you will  
 need to know the  
 language to succeed  
 there! In this book, we  
 have compiled OVER ONE  
 HUNDRED conversational  
 Turkish dialogues along  
 with their translations into  
 English, allowing new  
 Turkish speakers to obtain  
 the necessary tools to  
 understand how to set a  
 meeting, rent a car or tell  
 a doctor that they don't  
 feel well. If speaking the  
 language fluently is your  
 goal, this book is for you!  
 How Conversational  
 Turkish Dialogues works: -  
 Each new chapter will  
 have a fresh, new story  
 between two people who  
 wish to solve a common,  
 day-to-day issue that you

will surely encounter in  
 real life. - A Turkish  
 version of the  
 conversation will take  
 place first. Here, we will  
 challenge your skills by  
 allowing you to read the  
 dialogue in its original  
 tongue: you will learn how  
 to read and pronounce  
 each word like a native! -  
 Accurate English  
 translations follow each  
 Turkish conversation,  
 providing you with the  
 opportunity to understand  
 everything that has been  
 said. - A helpful  
 introduction and  
 conclusion that will offer  
 you important strategies,  
 tips and tricks to allow  
 you to get the most out of  
 this learning material. We  
 want you to feel
