RIGGING GIN POLES In rigging a gin pole, lay out the pole with the base at the spot where it is to be erected. To make provisions for the guy lines and tackle blocks, place the gin pole on cribbing for ease of lashing. Figure 4-18, page 4-16, shows the lashing on top of a gin pole and the method of attaching guys. The procedure is as follows:

Rigging Techniques, Procedures, and Applications

The fourth edition of this enormously popular book, "highly recommended" by "JAMA", reaffirms its position as the most comprehensive and practical reference in its field.
