DYER GREGORY

The Golden Hustla 2 Penguin

"A candid look at the cultural factors that lend themselves to tolerance of abuse and violence against women."—Booklist Revised and updated to include current studies, politics, and discussions, *The Macho Paradox* is the first book to show how violence against women is a male issue as well as a female one — and how we can come together to stop it. Written by pioneering anti-violence educator Jackson Katz, *The Macho Paradox* incorporates the voices and experiences of women and men who have confronted the problem from all angles, the discussions surrounding currents events in politics and pop-culture, and where the violence is ignored or encouraged in our upbringing. Katz also offers cogent explanations for why so many men harass and hurt women, and he shows what can be done to stop the violence. By working together as allies, Katz shows how all genders can end the abuse and mistreatment of women. Additional Praise for *The Macho Paradox*: "If only men would read Katz's book, it could serve as a potent form of male consciousness-raising."—Publishers Weekly "These pages will empower both men and women to end the scourge of male violence and abuse. Katz knows how to cut to the core of the issues, demonstrating undeniably that stopping the degradation of women should be every man's priority."—Lundy Bancroft, author of *Why Does He Do That?: Inside the Minds of Angry and Controlling Men*

Barely Legal Routledge

Curated by the #1 New York Times bestselling author of *Wild*, this volume shares intimate perspectives from some of today's most acclaimed writers. As Cheryl Strayed explains in her introduction, "the invisible, unwritten last line of every essay should be and nothing was ever the same again." The reader, in other words, should feel the ground shift, if even only a bit. In this edition of the acclaimed anthology series, *Strayed* has gathered twenty-six essays that each capture an inexorable, tectonic shift in life. Personal and deeply perceptive, this collection examines a broad range of life experiences—from a man's relationship with Mormonism to a woman's search for a serial killer; from listening to the music of Joni Mitchell to surviving five months at sea; from triaging injured soldiers to giving birth to a daughter; and much more. *The Best American Essays 2013* includes entries by Alice Munro, Zadie Smith, John Jeremiah Sullivan, Dagoberto Gilb, Vicki Weiqi Yang, J.D. Daniels, Michelle Mirsky, and others.

Based on the lives of John J. Cozad and Robert Henri.

Looking for Happy Meals in Kandahar, Rocking the Side Pipe, Wingnut's War Against the Gap, and Other Adventures with the Totally Lost Tribes of America Anchor

Ben Franklin saved the American Revolution by seducing French Women. A gay love affair between President James Buchanan and Senator William King aided the secession movement. Woodrow

Wilson's girlfriend dictated his letters to the German Kaiser. And lesbian relationships inspired Eleanor Roosevelt to become a revolutionary crusader for equal rights. The colorful sex lives of America's most powerful leaders have influenced social movements, government policies, elections and even wars, yet they are so whitewashed by historians that people think Thomas Jefferson and Abe Lincoln were made of marble, not flesh and blood. But the truth is about to come out. In *One Nation Under Sex*, free speech activist and notorious Hustler magazine publisher Larry Flynt teams up with Columbia University history professor David Eisenbach to peek behind the White House bedroom curtains and document how hidden passions have shaped public life. They unpack salacious rumors and outright scandals, showing how private affairs have driven pivotal decisions—often with horrific consequences. Along the way, they explore the origins of America's fascination with sex scandals and explain how we can put aside out political moralism and begin focusing on the real problems that threaten our nation.

Sexy, handsome young attorney Dante Martino is having problems in the romance department when he gets a fateful call from his sister that his brother has died suddenly in embarrassing circumstances. He races to a family reunion across the country where he is needed to give his sibling's eulogy. After some girl trouble, meeting a mysterious and lovely young woman and wild sexting and craziness on the trip, he arrives somehow in one piece. Once there, he encounters all the dysfunction of his youth and makes it one mess of a eulogy. Suddenly after his arrival, his relatives are dropping dead like flies and he is a person of interest in their deaths, while the family business is close to financial disaster due to insider criminal activity. Can handsome Dante, his winsome twin sister, Rhonda, and her sexy flaxen sweetheart, Carol, stop the criminals who are robbing the family fortune? And can they solve the mysteries of who is behind it all? Dante is wanted by a bevy of sexy women and also by the law and a shadowy criminal Mr. Black. He's a victim of circumstances; sexting accidents; angry, jealous lovers; and strong libidos. He is also mired in a love triangle. Plus to complicate matters, he has met three women that may be the one. To top it all, he may be an heir to a share of over \$100 million—and just where are those missing diamonds worth as much as \$60 million hiding? This book is a very steamy, sexy, dark adult comedy with suspense, larceny, cheating, criminal behavior, murder, and sexy naughtiness.

The Gender Issue Houghton Mifflin Harcourt

Public and academic debate about 'porn culture' is proliferating. Ironically, what is often lost in these debates is a sense of what is specific about pornography. By focusing on pornography's mainstream - contemporary commercial products for a heterosexual male audience - Everyday Pornography offers the opportunity to reconsider what it is that makes pornography a specific form of industrial practice and genre of representation. Everyday Pornography presents original work from scholars from a range of academic disciplines (Media Studies, Law, Sociology, Psychology, Women's Studies, Political Science), introducing new methodologies and approaches whilst reflecting on the ongoing value of older approaches. Among the topics explored are: the porn industry's marketing practices (spam emails, reviews) and online organisation commercial sex in Second Life the pornographic narratives of phone sex and amateur videos the content of best-selling porn videos how the male consumer is addressed by pornography, represented within the mainstream, understood by academics and contained by legislation. This collection places a particular emphasis on anti-pornography feminism, a movement which has been experiencing a revival since the mid-2000s. Drawing on the experiences of activists alongside academics, Everyday Pornography offers an opportunity to explore the intellectual and political challenges of anti-pornography feminism and consider its relevance for contemporary academic debate.

A Novel of Lust, Sex, Criminality, Fate, Murder, Death, Love and the Human Condition Macmillan

A wild and uncompromising history of four infamous magazines and the outlaws behind them, Dirty! Dirty! Dirty! is the first book to rip the sheet off of the sleazy myth-making machine of Hugh Hefner and Playboy, and reveal the doomed history of Hefner's arch rival, Penthouse founder Bob Guccione, whose messiah complex and heedless spending — on a legendary flop of a movie paid for with bags of cash, a porn magazine for women, and a pie-in-the sky scheme for a portable nuclear reactor — fueled the greatest riches to rags story ever told. The adventure begins in the early 1950s and rips through the tumultuous '60s and '70s —when Hustler's Larry Flynt and Screw's Al Goldstein were arrested dozens of times, recklessly pushing the boundaries of free speech, attacking politicians, and putting unapologetic filth front and center — through the 1990s when a sexed-up culture high on the Internet finally killed the era when men looked for satisfaction in the centerfold. As America goes, so goes it's porn. Along the way we meet many unexpected heroes—John Lennon, Lenny Bruce, Helen Gurley Brown, and the staff of Mad magazine among them—and villains—from Richard Nixon and the Moral Majority to Hugh Hefner himself, whose legacy, we learn, is built on a self-perpetuated lie.

Hustler for the Lord Xlibris Corporation

"Strips porn of its culture-war claptrap . . . Pornified may stand as a Kinsey Report for our time."—San Francisco Chronicle Porn in America is everywhere—not just in cybersex and Playboy but in popular video games, advice columns, and reality television shows, and on the bestseller lists. Even more striking, as porn has become affordable, accessible, and anonymous, it has become increasingly acceptable—and a big part of the personal lives of many men and women. In this

controversial and critically acclaimed book, Pamela Paul argues that as porn becomes more pervasive, it is destroying our marriages and families as well as distorting our children's ideas of sex and sexuality. Based on more than one hundred interviews and a nationally representative poll, Pornified exposes how porn has infiltrated our lives, from the wife agonizing over the late-night hours her husband spends on porn Web sites to the parents stunned to learn their twelve-year-old son has seen a hardcore porn film. Pornified is an insightful, shocking, and important investigation into the costs and consequences of pornography for our families and our culture.

The Dinosaur Files: January 2017 Bridge-Logos

A dynamic, game-changing guide to finding success and fearlessly outsmarting the system Too often we feel like underdogs fighting a system that stacks the odds against us. We work hard, follow the rules, and dream of a better life. But these days, working harder doesn't always lead to fulfillment. In fact, according to Gallup research, nearly 90 percent of people feel disconnected from their jobs. So how do you break free from the drudgery and achieve more success on your own terms? You hustle. The secret lies in making manageable tweaks and placing small bets on pursuits that propel you from who you are today to the person you're destined to become. In Hustle, Neil Patel, Patrick Vlaskovits, and Jonas Koffler--three of the nation's top entrepreneurs and consultants--have teamed up to teach you how to look at work and life through a new lens--one based on discovering projects you enjoy and the people and opportunities that support your talents, growth, income, and happiness. The authors reveal their groundbreaking three-part framework of Heart, Head, and Habits. Along the way, you will learn to redefine hustle as the optimal path to success using powerful, often counterintuitive, advice, including: • Why you must own your dreams, not rent dreams from others • Ways to create your own luck and "POP" • How to betray yourself to stay true to yourself--and develop your potential • The four major career hustles and the path that's best for you More than just an inspirational career guide, Hustle aims to fundamentally transform the way you work and live, and give yourself permission to thrive in today's uncertain world.
