*Easy Guitar with Notes and Tab* Hank Williams (Songbook)

(Piano/Vocal/Guitar Songbook). 70 amazing country favorites: Any Day Now \* Back in the Saddle Again \* Butterfly Kisses \* Chattahoochee \* Daddy Sang Bass \* The Gambler \* God Bless the U.S.A. \* Happy Trails \* I'm Sorry \* On the Road Again \* Smoky Mountain Rain \* Your Cheatin' Heart \* dozens more!

*Hank Williams (Songbook)* AuthorHouse

The beloved New York Times bestselling author reflects on home, family, friendships and writing in this deeply personal collection of essays. "The elegance of Patchett's prose is seductive and inviting; with Patchett as a guide, readers will really get to grips with the power of struggles, failures, and triumphs alike." —Publisher's Weekly "Any story that starts will also end." As a writer, Ann Patchett knows what the outcome of her fiction will be. Life, however, often takes turns we do not see coming. Patchett ponders this truth in these wise essays that afford a fresh and intimate look into her mind and heart. At the center of *These Precious Days* is the title essay, a surprising and moving meditation on an unexpected friendship that explores "what it means to be seen, to find someone with whom you can be your best and most complete self." When Patchett chose an early galley of actor and producer Tom Hanks' short story collection to read one night before bed, she had no idea that this single choice would be life changing. It would introduce her to a remarkable woman—Tom's brilliant assistant Sooki—with whom she would form a profound bond that held monumental consequences for them both. A literary alchemist, Patchett plumbs the depths of her experiences to create gold: engaging and moving pieces that are both self-portrait and landscape, each vibrant with emotion and rich in insight. Turning her writer's eye on her own experiences, she transforms the private into the universal, providing us all a way to look at our own worlds anew, and reminds how fleeting and enigmatic life can be. From the enchantments of Kate DiCamillo's children's books (author of *The Beatryce Prophecy*) to youthful memories of Paris; the cherished life gifts given by her three fathers to the unexpected influence of Charles Schultz's Snoopy; the expansive vision of Eudora Welty to the importance of knitting, Patchett connects life and art as she illuminates what matters most. Infused with the author's grace, wit, and warmth, the pieces in *These Precious Days* resonate deep in the soul, leaving an indelible mark—and demonstrate why Ann Patchett is one of the most celebrated writers of our time.

Hank Rudzinski always wanted to be a hero. He finds Amy, a partner in his quest, and joins the Army. From Pennsylvania to West Germany; from a Georgia Army Post to a Mississippi Air Force Base; from an Infantry Division in Missouri to the deserts of Iraq in 1991 they realize that heroes are made of something different than rank or medals. They also discover that great causes bring out the best but also the very worst of people. This novel pulls aside the curtain to reveal the grandeur and grittiness of such pursuits. It is also a novel of love and hate; highlighting the lifelong permanence of soul searing choices. This book is part of the Good Fight Series and overlaps times and characters of Marx & Ford and the upcoming *Fear & Hope*.

#1 NEW YORK TIMES BESTSELLER • Now a major motion picture directed by Steven Spielberg.

"Enchanting . . . Willy Wonka meets *The Matrix*."—USA Today • "As one adventure leads expertly to the next, time simply evaporates."—Entertainment Weekly A world at stake. A quest for the ultimate prize. Are you ready? In the year 2045, reality is an ugly place. The only time Wade Watts really feels alive is when he's jacked into the OASIS, a vast virtual world where most of humanity spends their days. When the eccentric creator of the OASIS dies, he leaves behind a series of fiendish puzzles, based on his obsession with the pop culture of decades past. Whoever is first to solve them will inherit his vast fortune—and control of the OASIS itself. Then Wade cracks the first clue. Suddenly he's beset by rivals who'll kill to take this prize. The race is on—and the only way to survive is to win. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Entertainment Weekly • San Francisco Chronicle • Village Voice • Chicago Sun-Times • iO9 • The AV Club "Delightful . . . the grown-up's Harry Potter."—HuffPost "An addictive read . . . part intergalactic scavenger hunt, part romance, and all heart."—CNN "A most excellent ride . . . Cline stuffs his novel with a cornucopia of pop culture, as if to wink to the reader."—Boston Globe "Ridiculously fun and large-hearted . . . Cline is that rare writer who can translate his own dorky enthusiasms into prose that's both hilarious and compassionate."—NPR "[A] fantastic page-turner . . . starts out like a simple bit of fun and winds up feeling like a rich and plausible picture of future friendships in a world not too distant from our own."—iO9

Jillie Harte (code name--the Sparrow) a documentary film maker is an agent for the NAS (Normal, Abnormal, Strange) Agency. Her assignment--find The Carmaletta Choker before it falls into the wrong hands and destroys the world. Franklin Doherty and associates are suspected of having the choker, and they are definitely the wrong hands! To get close to Franklin, Jillie is producing a film on "Decoration, Fashion, and Accessories Throughout History," featuring his antique collection. Her

assignment is complicated by Griff Ryland, her new, hot cameraman, who is also looking for the necklace. Griff is an enigma. Is he friend or foe? And why is she so distracted by his "pure sex on a stick" appeal? Like the Sparrow, Griff, aka the Hawk, needs to retrieve the choker. It disappeared from his dimension years before, and his job is to bring it back. Since he can shapeshift into a hawk or a mountain lion at a moment's notice, Griff feels certain of success. But he doesn't bargain for a sassy, sexy redhead--and for his overwhelming urge to settle their differences in bed. Now Griff and Jillie must not only overcome the deadly dark forces who want the choker, but they must also face their developing relationship. And they thought saving the world from evil and chaos was hard.
