Part 2 in the highly anticipated Dark Romance Series NOTE FROM AUTHOR: BLAIZE is best enjoyed without reading the reviews as they might spoil the plot twist. Don't take what isn't yours. Unless you're willing to fight for it. I survived my depraved master, Maksim. Now, I belong to Charlie Decena, by nature and by nurture. He broke everything I believed in. My life still lingers in the gray zone -- dark and light, love and hate, betrayal and murder. I'm battling Maksim's brutal conditioning to uncover who Blaire is, for Charlie. I adhere to his counsel, indulge in his debauched desires, and pacify his

dominance -- until he pushes me too far. I hope I didn't completely shatter your heart in the beginning of my story because it's just getting started. I'm being tested beyond my limit by a lurking threat who has taken something very dear to me. And if they don't return what isn't theirs, someone is going to die.

Christianity Before Christ Dark Romance

Another popular writer among the exclusives was an Irish schoolmaster, Charles Henry Mackintosh, who preached extensively in the revival movement. The initials 'C.H.M.' became familiar in many pious evangelical households of the later Victorian and Edwardian years. No critical scholar, Mackintosh nevertheless had a marked

gift for simple Biblical exposition, and his works on the Pentateuch had an enormous vogue as simple aids to devotional interpretation for the first five books of the Bible. He was, however, no theologian, and certain isolated sentences in those books referred to 'the heavenly humanity' of Christ (and thus verged on formal heresy), brought him much hostile notice from prejudiced opponents of the Brethren (who took his writings as being far more significant and representative than they deserved). He later withdrew the expressions, on Darby's insistence.

I have never been so happy, even when i was alive. I can see my body lying lifeless besides me. Well its a great feeling to be no longer subject to any responsibility. And very soon i will see my creator - the god. Look at these people - despondent and devastated. But i am happy today! I want to lose all the memories of what i had done to others in my life. Why? My soul asked Because i was born in the family of criminals and i was expected to follow their footsteps because lot of times this crazy life doesnt do justice to you. After four days of my leaving this world, i could see only four people (my wife, my mother and my two kids) in the house and the madness of the sorrowful was over. But in no time, my happiness

turned in to despair. My five year old daughter ran in to her mother and said my prayers have been answered and there will be no killing of people as the god had just taken away the murderer from our lives. My wife cried and cried till her tears went dry. I could feel my eyes welling up with tears too. I was worried - how would i face the god and would i be able to take on the punishments for my sins.
