FRENCH MELODY

An Illustrated Encyclopedia Russell Sage Foundation

Who is to be the primary evangelizer of Asia? What Asian forms of worship and prayer are both authentically Christian and culturally appropriate? In *Our Own Tongues* is reading for anyone interested in the emergence of "world Christianity"

and its future in the 21st century.--From publisher's description.

The Lady of Angels and Her City Orbis Books

This book examines how the racialization of religion facilitates the diasporic formation of ethnic Vietnamese in the U.S. and Cambodia, two communities that have been separated from one another for nearly 30 years. It compares devotion to female religious figures in two minority religions, the Virgin Mary

among the Catholics and the Mother Goddess among the Caodaists. Visual culture and institutional structures are examined within both communities. Thien-Huong Ninh invites a critical rethinking of how race, gender, and religion are proxies for understanding, theorizing, and addressing social inequalities within global contexts.

How Vietnamese Children Adapt to Life in the United States Cambridge University Press

This book is open access and available on www.bloomsburycollections.com. It is funded by Utrecht University and the Max Planck Society. Understanding religion from a material and corporeal angle, this book addresses the ways in which refugees practice their religions and convert or develop new faiths. It

also evaluates how secular institutions in Europe frame and determine what is classified as religion according to the law, and delineate the limits of religious authority, religious practice, and religious speech. The question of nationalism and migration has been shaping the political landscape in Europe for more than a decade, resulting in a nationalist upsurge. This volume places the current trajectories of people from Asia and Africa who flee from conditions such as oppression and conflict, and who are seeking refuge in Europe in a broader historical and comparative perspective. In so doing, it addresses past experiences in Europe with the role of religion in both producing and accommodating refugees, in the aftermath of the Peace of Westphalia,

World War II, and in the context of the Cold War.

In November 1963, the president of South Vietnam and his brother were brutally executed in a coup that was sanctioned and supported by the American government. President Kennedy later explained to his close

friend Paul “Red” Fay that the reason the United States made the fateful decision to get rid of the Ngos was in no small part because of South Vietnam's first lady, Madame Nhu. “That goddamn bitch,” Fay remembers President Kennedy saying, “She's responsible ... that bitch stuck her nose in and boiled up the whole situation down there.” The coup marked the collapse of the Diem government and became the US entry point for a decade-long conflict in Vietnam. Kennedy's death and the atrocities of the ensuing war eclipsed the memory of Madame Nhu—with her daunting mixture of fierceness and beauty. But at the time, to David Halberstam, she was “the beautiful but diabolic sex dictatress,” and Malcolm Browne called her “the most dangerous

enemy a man can have.” By 1987, the once-glamorous celebrity had retreated into exile and seclusion, and remained there until young American Monique Demery tracked her down in Paris thirty years later. Finding the Dragon Lady is Demery's story of her improbable relationship with Madame Nhu, and—having ultimately been entrusted with Madame Nhu's unpublished memoirs and her diary from the years leading up to the coup—the first full history of the Dragon Lady herself, a woman who was feared and fantasized over in her time, and who singlehandedly frustrated the government of one of the world's superpowers.

In 1820, the Catholic Diocese of Charleston was established, and Bishop John England arrived from Ireland. His new diocese encompassed North and South Carolina, Georgia and, for a time, Haiti. From 1859 to 1885, when Patrick Lynch and Henry Northrop were bishops of Charleston, the diocese included the Bahama Islands. However, the history of Catholics in the diocese--which now covers all of South Carolina--began much earlier. The arrival of Spanish settlers

and missionary priests dated back more than 150 years before there was a diocese on American soil. Sister Pam Smith charts the history of the diocese from the first words of prayer uttered on Santa Elena in the sixteenth century through the interfaith singing of a reformed slaveholder's hymn at a painful funeral in the twenty-first century.

Catholicism and trace the impact of American Catholics on all aspects of society, including education, social welfare, politics, and intellectual life. See *How She Loves Us* 50 Approved Apparitions of Our Lady The Lady of the Angels and Her City recounts Wendy Wright's visitations to her hometown's many Marian churches

and shrines. But it is much more than a personal pilgrimage narrative. It offers important glimpses into the history of Los Angeles Catholicism, American Catholic culture, and Mary's place in Catholic theology and tradition. It peeks into the heroic labors of the religious orders that went on mission there and the waves of immigrants who have arrived on American shores. With Wright, readers will consider: Readers who know the geography of Los Angeles Catholicism will surely enjoy Wright's reflection on familiar places. But there is much here that will fascinate anyone interested in either the history of Christianity in America or devotion to Mary by those who love her today. **Prepare! Celebrate! December 8, 2011. The dissident Vietnamese priest Nguyen Van Ly (age sixty-four) is deported from a rest home in the Archdiocese Hue to the concentration camp Nam Ha in the north of the country. Van Ly, who is half paralyzed after having suffered four strokes, still faces five years in prison for his peaceable struggle against the totalitarian communist regime--a peaceable struggle he has waged for nearly forty years. We follow Father Ly, a nurse, and his guards through the twenty-four hour ordeal of getting from Hue to Nam Ha via ambulance. Arranged according to the liturgy of the hours, each chapter offers a glimpse into the life of Father Ly. This hagiographic journey, here placed in its context of Advent, offers hope for captive and

oppressor. And it is hope especially that makes Father Ly realize his life's struggle for religious freedom is not in vain. Indeed, as a goodwill gesture before President Obama's visit to Vietnam, Father Ly will later be released on May 20, 2016.

Who doesn't want a liberated life? Jesus offers us liberation as we grow in a Christian spiritual life. But first we need to liberate our concept of Christian Spirituality from ideas that relegate it to Church on Sunday, new age self help, devotional or ascetical practices, or fundamentalist aggression. Traditionally, Christian spirituality liberates Jesus' disciples from personal sin and helps them to challenge sin's social

consequences so that once liberated, they will work to liberate others. Christian spirituality (living the Gospel) brings good news for the poor, liberty for the captives, recovery of sight for the blind, and freedom for the oppressed. This is what Jesus came to do, and this is what we as his disciples are called to do as we live our Christian callings in the world. Whether we are at home, work, or play we are called to be Christian. Beyond Piety invites readers to grow in their understanding of what it means to be a disciple of Christ. More than a book on Franciscan or Hispanic Spirituality, this book is about the Christian Spirituality all Christians are called to live. It is about our human and Christian identity and the God we believe in. It is about getting to know the Word of God

and letting that Word get to know us. It is about worship and religious devotion and moving beyond piety to Christian action. It is about the call to justice and liberation.
