Crochet pattern book to create animal soft toys. You can mix and match a whole range of animals (head patterns) and costumes (body patterns) to your heart's content. Everything from the mighty elephant to a nimble mouse is encompassed in these patterns, and your child will love playing with your very own costumed creations. They also make for adorable gifts for loved ones, and changing them up is a piece of cake! Just switch up the yarn thickness and hook size to upsize or downsize your plushie, or pull out the accessories and cute yarn colours and let your creativity flow. Soon enough your yarn could become the

ballerina cow you've always dreamt of. Sizes : The size of the animal depends on the size of the crochet hook, the thickness of yarn and how you stuff it; a bigger hook and thicker yarn make a bigger animal. The monkey and bear on the front and the animals on the back are 8.5 inches or 22 cm tall. They are made with Aran or Worsted Weight yarn. The smaller ballerina and bears on the back are 6.5 inches or 17 cm tall and made with DK or Light Worsted yarn. Use Bulky or Chunky yarn to make a large animal of about 11 inches or 28 cm. Animals included : bear, monkey, elephant, bunny, tiger, cow, dog, piggy, cat and mouse. Outfits : firefighter, police, nurse, doctor, farmer, cook, sailor, engineer, ballerina and teacher. This crochet pattern book uses US crochet abbreviations. A basic knowledge of crochet is required to create the animals and outfits.

Crochet Collection: 24 Cuttest Patterns for Amigurumi, African Flower and Scarves for Your Family Book 1. African Flower Crochet: Learn How to Do the African Flower Hexagon Pattern with Cutest Projects Crochet is a hobby that has stood the test of time. Across the globe, millions upon millions of people have learned how to do this hobby, and more people continue to get on board every single day. But when it comes to crochet, many people feel trapped by the limited stitches they know how to do. Sure, most of the patterns you see call for the basics, whether it be single, double, or triple crochet, but when it comes down to it, you don't want to stick with the basics all the time. I want to show you exactly how to make this stitch, no matter what your crochet

level is. With the easy, step by step directions you find here, you are going to have this pattern mastered in no time, and can get started with your own projects. I have included several easy projects for you to get started with, but this book is going to inspire you to go with many, many more. Book 2. Amigurumi Crochet: A Collection of Easy and Adorable Amigurumi Patterns We all love crochet, and some crochet is just too cute to not notice. Whether you are making adorable hats or boots for a baby, a pretty little pink scarf to wear over your tank top this summer, or a cute little blanket to surprise a friend with, it's hard not to just stop and adore some little crochet patterns. Perhaps some of the cutest crochet projects you will see are the amigurumi patterns. From adorable little plants and animals to people that simply melt your heart, there's no end to the way this style of crochet can take your breath away. These projects turn out in a variety of ways, all depending on what it is the artist wants. From the adorable little eyes to the great big heads, this is a fun style of crochet that will keep you entertained for hours. But there is a downside to this crochet, and if you have ever tried it for yourself, you know what it is. These are hard to make if you don't know what you are doing, and the final result can be frustrating if you aren't given the right set of directions. Book 3. Crochet Scarves: 10 Warm Scarves for Your Family The human intellect and creativity are surely unprecedented. It is because nature has laid the foundation of the human race on the most fabulous principle of creativity, so innovation runs in the blood of the human race. It is because of this innate ability, that each passing day assures this ability, in the shape of many different art forms and innovation. These art forms result after rigorous

efforts to come up with something new and innovative. A person who believes on technological advancements may not find it attractive to talk about the handicrafts and different basic forms of art. But it is through these basic creations that technology has taken the lead because the art forms have inherited the finest and the most natural form of creativity. This book will focus on such innate and most basic art form, labeled as the Crochet. The creativity in the form of weaved patterns and sthe illustrations in the form of different art patterns make crochet one of the most famous arts of weaving. You can use this book as an initial guide for the crochet. The focus has been the innovative and fashionable scarf patterns because it is both an accessory as well as apparel. Crochet Collection: (FREE Bonus Included) Top 10 Most Popular Crochet Techniques (Afgan Crochet, Tunisian Crochet, African Flower Crochet, Amigurumi Crochet) Crochet is a hobby that has been around for centuries. Ever since people discovered how to twist and knot thread and yarn, they have been creating all kinds of amazing things with nothing more than a hook. Crochet is a unique hobby - unlike knitting, crochet can't be done by machine, and must always be created by hand. Every time you see something that has been crocheted, you can know without a shadow of a doubt that it has been made without the use of any machinery whatsoever. But how can you create such amazing

projects? How can you twist and turn the yarn into something that you can use, wear, or decorate your house with? If you have never tried crochet for yourself, it can look incredibly confusing. But it's not, and that's where this book comes in. In it, I am going to show you how to master the art of crochet, and get you started on the right path to create your own collection of crochet projects. It's really easy once you get the hang of it, and with these simple instructions, you're going to learn exactly what you need to do to make any project you want. From the simple blankets to the elaborate clothing, and everything in between - there's no end to the ways you can use crochet. Come with me on the journey of crochet, and learn exactly what you need to do to enjoy the hobby for yourself. From the beginning stitches to easy projects you can use for practice, this book is everything you need to get started with crochet.
