OEC 9800 Plus Mobile C-arm | Surgical Imaging - GE Healthcare

Description. Reviews (0) The GE OEC 9800 Plus C-Arm System is a versatile unit designed with multiple x-ray applications in mind. The 9800 Plus can be used in Pain Management, Orthopedics, Vascular and Neurovascular environments. An upgrade from the 9600, the 9800 Plus offers 1K x 1K image resolution, better image quality with lower x-ray dosage due to new imaging software, and touch screen operation, on top of the already excellent penetration power, and excellent image quality.
