Longman

A six-level general English course for adult learners. It places an emphasis on effective communication in English between both native and non-native speakers. It helps users to learn English, to learn about English and to learn through English. It is suitable for students who want to communicate in a global environment.

Global Longman

The topics throughout the Coursebook have been chosen to appeal to an adult learner's curiosity, and to reflect material that they would naturally read for pleasure in their native language. Critical thinking skills are promoted through the choice of topics and the way the material is exploited.
