Random House Books for Young Readers

The bestselling coming-of-age classic, acclaimed by

critics, beloved by readers of all ages, taught in schools and universities alike, and translated around the world—from the winner of the 2019 PEN/Nabokov Award for Achievement in International Literature. *The House on Mango Street* is the remarkable story of Esperanza Cordero, a young Latina girl growing up in Chicago, inventing for herself who and what she will become. Told in a series of vignettes—sometimes heartbreaking, sometimes deeply joyous—

Sandra Cisneros' masterpiece is a classic story of childhood and self-discovery. Few other books in our time have touched so many readers.

“A fascinating collection” of wartime cartoons from the beloved children’s author and illustrator (The New York Times Book Review). For decades, readers throughout the world have enjoyed the marvelous stories and illustrations of Theodor Seuss Geisel, better

known as Dr. Seuss. But few know the work Geisel did as a political cartoonist during World War II, for the New York daily newspaper PM. In these extraordinarily trenchant cartoons, Geisel presents “a provocative history of wartime politics” (Entertainment Weekly). *Dr. Seuss Goes to War* features handsome, large-format reproductions of more than two hundred of Geisel’s cartoons, alongside “insightful” commentary by the historian Richard H.

Miner that places them in the context of the national climate they reflect (Booklist). Pulitzer Prize-winner Art Spiegelman’s introduction places Seuss firmly in the pantheon of the leading political cartoonists of our time. “A shocker—this cat is not in the hat!” —Studs Terkel

This Top Five Classics illustrated edition of Lewis Carroll’s *Alice in Wonderland* includes: •

The complete texts of *Alice’s Adventures in Wonderland & Through the Looking-Glass* • John Tenniel’s 92 original illustrations, including 35 in color • *The Hunting of the Snark*, with Henry Holiday’s 10 original illustrations • An informative introduction, author bio, and helpful notes Originally written and hand-drawn from 1862 to 1864 by Lewis Carroll (Charles Dodgson) for 10-year-old Alice Liddell, the daughter of Dodgson’s Oxford college dean, the manuscript

“Alice’s Adventures Under Ground” would become, with the help of John Tenniel’s beautiful and humorous illustrations, Alice’s Adventures in Wonderland, published by Macmillan in 1865 in Britain and the U.S. The book, at turns silly and satiric, gentle and wild, would quickly become beloved around the world by children and adults, and spawn the classic sequel *Through the Looking-Glass* (1871) and the immortal nonsense poem *The Hunting of the Snark* (1876). The author,

a shy mathematics professor called Charles Dodgson, would become internationally famous and ever after remembered by his pen name, Lewis Carroll. The books have never gone out of print and over nearly two centuries have spawned countless offshoots and adaptations—books, artwork, plays, games, and movies. This Top Five Classics edition of the fully illustrated Alice books presents the stories the way they were meant to be enjoyed.

Enrique Jardiel Poncela, el renovador del teatro de humor español, tocó todos los géneros escénicos, dejando en ellos su personalísima impronta, su humor punzante, atrevido y original. Ya fuera con piezas satíricas, paródicas, de costumbres o lindando con el teatro del absurdo, supo crear un humor teatral vanguardista y desconocido en su momento. Por ello su estilo creó escuela y los

comediógrafos posteriores han sido todos «jardielistas» en mayor o menor grado. Ofrecemos en este volumen una cuidada selección de su teatro breve: piezas cortas de muy diferentes estilos y argumentos, pero todas ellas de gran nivel literario y, a la vez, divertidísimas. Se trata de piezas idóneas para los jóvenes, de fácil montaje: monólogos cómicos y comedias cortas de pocos personajes que resultan muy adecuadas para montajes escolares, un ámbito en el que Jardiel

siempre ha tenido gran aceptación, pues es el autor más representado en colegios, institutos y universidades

Theodor Seuss

Geisel—known worldwide as the beloved children’s author Dr.

Seuss—produced a body

of work that spans more than 70 years. Though most often associated with children's books, he frequently contributed cartoons and humorous essays to popular magazines, produced effective and memorable advertising campaigns ("Quick, Henry, the Flit!"), and won Oscars and Emmys for motion picture productions, animated shorts, and features. As founder and president of Beginner Books, his influence on children's book publishing was revolutionary, especially

in the field of elementary readers. Geisel's prolific career—he wrote or contributed illustrations to more than 75 books, most of which have been reprinted repeatedly and translated worldwide—and his predilection for made-up creatures make this joint bibliography and iconography especially useful to readers and researchers. The exhaustive bibliography is arranged chronologically, providing full bibliographic information, including translations as they

appear, reissue information, and descriptions of the binding. The iconography links more than 900 fictional names, places and terms to the works in which they appear. For the reader seeking a first edition of *Quomodo Invidiosulus Nomine Grinchus Christi Natalem Abrogaverit* (How the Grinch Stole Christmas! translated into Latin) or hoping to identify "abrasion-contusions" (race cars in *If I Ran the Circus!*), this work promises as much

discovery as a walk down Mulberry Street.

The classic work about meetings and decision-making. Meetings are a

crucial part of all our lives, but too often they go nowhere and waste valuable time. In Six Thinking Hats, Edward de Bono shows how meetings can be transformed to produce quick, decisive results every time. The Six Hats method is a devastatingly simple technique based on the brain's different modes of thinking. The intelligence, experience and information of everyone is harnessed to reach the

right conclusions quickly. These principles have been adopted by businesses and governments around the world, ending conflict and confusion in favour of harmony and productivity. The Six Hats strategy will fundamentally change the way you work and interact. 'An inspiring man with brilliant ideas. De Bono never ceases to amaze with his clarity of thought.' Sir Richard Branson
