 Ever tried eating oranges when they are out of season? Notice that they have more chaff than juice? This is what happens to some of your prayers when not prayed through the gates of time. Did you know there are four watches in the day and four watches in the night? Do you notice that Jesus Christ, the apostles, the prophets, often made strategic intercession at specific watches? Do you often read, statements like, "At the hour of prayer....?" Do you know that the productivity of your prayers is determined by how effectively you pray through these gates of time? Have you ever considered the relevance of praying appropriately through each day of the week? This is the first volume of 2 publications. In it, Abu Bako attempts to bring greater understanding to the body of Christ on the subject of praying through each gate of time.
