Beneath the ice of Jupiter's moon, life teems in lightless oceans. But more spectacular discoveries elsewhere in the cosmos have left Europa's research facilities underfunded and ignored, a lonely wayside with an orbital station and a decaying space elevator. When one of the elevators stops midway, the rescue team discovers a deadly cargo that threatens life on Europa and on Earth. * From superstar creator Liam Sharp (Gears of War)!

GET THE RESULTS YOU WANT IN MARKETING. FAST. Marketing is all about relationships - relationships with your customers, with your brand, with the media and with your colleagues. Of all these relationships your relationship with your customers is still king. True marketing successes go beyond your product and create customer relationships with the company itself. The key to achieving this is to align your people, your processes and your company promises. Fast Track to Success: Marketing will teach you the key skills you need to excel in marketing and accelerate your career development. It includes: Marketing in a nutshell - a series of FAQs to give you a concise overview of the subject The top 10 tools and techniques you can use to help you develop your approach to marketing Advice on leading your team - how to decide your leadership style and build your team Simple checklists to help you identify the strengths and weaknesses of your capabilities and those of your team Tips on how to progress your career, whether it's your first 10 weeks in the job or whether you're looking to get right to the top Don't get left behind, set out on the Fast Track today. Master Powerful New Ways to Manage Innovation, Projects, People, and Performance! Three great books present breakthrough techniques for managing innovation, projects, people, and business performance! Innovation: Fast Track to Success presents a practical framework for identifying new commercial opportunities and developing new and better ways of doing things. This integrated framework helps you get all six key elements of innovation right: planning, pipeline, process, platform, people, and performance. Project Management: Fast Track to Success shows how to adapt and simplify project management tools and techniques to make them maximally relevant to modern business operational activities. Finally, in Managing People & Performance: Fast Track to Success, David Ross shows how to get the best possible performance out of every member of your team, whatever their personality or skillset. Ross shows how to build a high-performance team by gaining deep insight into each individual team member and motivating them to work together to deliver the results you need. Together, these three books will teach you the key skills you need to excel as a manager--and accelerate your career development! From world-renowned leaders in optimizing business performance, including Andy Bruce, David Birchall, Patrick Harper-Smith, Simon Derry, and David Ross
