# Biotechnology A Laboratory Skills Course

---

Chicago Life Sciences Update

Biotechnology Research

2021 grad headed for D.C. and an elite foreign  
policy fellowship

Biotechnology A Laboratory Skills Course

Greater Lawrence Tech offering adults chance to  
learn new skills

Applied Molecular Biology and Biotechnology

Biotechnology - Microbial Systems

Professional Science Master's Program in  
Biotechnology

Why study science? An abundance of career  
opportunities!

Mangaluru: St Aloysius College - A dream campus  
for inclusive, diverse, global learning

Graduate Programs

The evolution of the healthcare industry is  
opening up avenues for students

Scotland's Industrial Biotechnology Innovation  
Centre hails £11 million commitment to future  
green skills

Wistar Institute is shortening and scaling its  
biomedical tech training program

Biotechnology and Molecular Bioscience

BSc Biotechnology with Industrial/Professional Experience / Course details  
Certificate in Experimental Biotechnology  
My MSc helped me to build my skills and confidence in the lab  
Biotechnology - MS
