Hockey meets the #MeToo movement in this powerful debut novel. Michigan Manning lives for hockey, and this is her year to shine. That is, until she gets some crushing news: budget cuts will keep the girls' hockey team off the ice this year. If she wants colleges to notice her, Michigan has to find a way to play. Luckily, there's still one team left in town ... The boys' team isn't exactly welcoming, but Michigan's prepared to prove herself. She plays some of the best hockey of her life, in fact, all while putting up with changing in the broom closet, constant trash talk and "harmless" pranks that always seem

to target her. But once hazing crosses the line into assault, Michigan must weigh the consequences of speaking up — even if it means putting her future on the line.

Candace Bushnell, the #1 New York Times bestselling author of *Sex and the City*, and Katie Cotugno, New York Times bestselling author of *99 Days*, team up to write a smart, feminist novel about a girl who fights to expose sexism at her school after a run-in with a predatory teacher. It starts before you can even remember: You learn the rules for being a girl. . . . Marin has always been good at navigating these unspoken guidelines. A star student and editor of the school paper, she dreams of getting into Brown University. Marin's future seems bright—and her young, charismatic English teacher, Mr. Beckett, is always quick to admire her writing and talk books with her. But when “Bex” takes things too far and comes on to Marin, she's shocked and horrified. Had she somehow led him on? Was it her fault? When Marin works up the courage to tell the administration what happened, no one believes her. She's forced to face Bex in class every day. Except now, he has an ax to grind. But Marin isn't about to back

down. She uses the school newspaper to fight back and she starts a feminist book club at school. She finds allies in the most unexpected people, like “slutty” Gray Kendall, who she'd always dismissed as just another lacrosse bro. As things heat up at school and in her personal life, Marin must figure out how to take back the power and write her own rules.

The Chelsea Hotel, since its founding by a visionary French architect in 1884, has been an icon of American invention: a cultural dynamo and haven for the counterculture, all in one astonishing building. Sherill Tippins, author of the acclaimed *February House*, delivers a masterful and endlessly entertaining history of the Chelsea and of the successive generations of artists who have cohabited and created there, among them Thomas Wolfe, Dylan Thomas, Arthur Miller, Allen Ginsberg, Bob Dylan, Janis Joplin, Leonard Cohen, Patti Smith, Robert

Mapplethorpe, Andy Warhol, Sam Shepard, Sid Vicious, and Dee Dee Ramone. Now as legendary as the artists it has housed and the countless creative collaborations it has sparked, the Chelsea has always stood as a mystery as well: why and how did this hotel become the largest and longest-lived artists' community in the known world? Inside the Dream Palace is the intimate and definitive story.

In the United States, some populations suffer from far greater disparities in health than others. Those disparities are caused not only by fundamental differences in health status across segments of the population, but also because of inequities in factors that impact health status, so-called determinants of health. Only part of an individual's health status depends on his or her behavior and choice; community-wide problems like poverty, unemployment, poor education, inadequate housing, poor public transportation, interpersonal violence, and decaying neighborhoods also contribute to health inequities, as well as the historic

and ongoing interplay of structures, policies, and norms that shape lives. When these factors are not optimal in a community, it does not mean they are intractable: such inequities can be mitigated by social policies that can shape health in powerful ways. Communities in Action: Pathways to Health Equity seeks to delineate the causes of and the solutions to health inequities in the United States. This report focuses on what communities can do to promote health equity, what actions are needed by the many and varied stakeholders that are part of communities or support them, as well as the root causes and structural barriers that need to be overcome.

The modern day youth sports environment has taken the enjoyment out of athletics for our children. Currently, 70% of kids drop out of organized sports by the age of 13, which has given rise to a generation of overweight, unhealthy young adults. There is a solution. John O'Sullivan shares the secrets of the coaches and parents who have not only raised elite athletes, but have done so by creating an environment

that promotes positive core values and teaches life lessons instead of focusing on wins and losses, scholarships, and professional aspirations. Changing the Game gives adults a new paradigm and a game plan for raising happy, high performing children, and provides a national call to action to return youth sports to our kids.

"In today's culture, we go about kissing like it's no big deal. It's a throw-away, almost a race to get it checked off our list so we can move from 'the never been kissed' crowd to the more experienced 'definitely been kissed' girls." "When did casual dating get so twisted, pressuring you to date for the world's record? Is it true one must kiss several guys to meet THE one? How do I know he's THE one if I don't date?" In *Kissing Toads*, Elizabeth Demarest shares her personal story as she finds herself pinned up against the back of a shed with a boy in the middle of the Amazon, and it's far from the fairytale moment she had always imagined. She's kissing a slimy toad that did not turn into a prince! Due to peer-pressure and coming

of age, she is forced to put aside her childhood whimsical dreams and step into the real world, where girl meets boy. Packed with undeniable transparency, *Kissing Toads* will challenge and inspire you to believe you are worth waiting for and to foster an unforged courage to pursue purity. You will note practical tools and prayers to help you set boundaries to guard your heart, body, and soul, on your quest for finding love as a young girl coming of age.
