Jones and Hill's

delightfully elaborate

scheme in nail-biting

episodes that advance

like a narrative Rube

Goldberg machine."—The

New York Times Book

Review Imprisoned in a

remote Turkish POW

camp during World War I,

having survived a two-

month forced march and a

terrifying shootout in the

desert, two British

officers, Harry Jones and

Cedric Hill, join forces to

bamboozle their iron-

fisted captors. To stave

off despair and boredom,

Jones takes a handmade

Ouija board and fakes

elaborate séances for his

fellow prisoners. Word

gets around, and one day

an Ottoman official

approaches Jones with a

query: Could Jones

contact the spirit world to

find a vast treasure

rumored to be buried

nearby? Jones, a trained

lawyer, and Hill, a brilliant

magician, use the Ouija

board—and their keen

understanding of the

psychology of

deception—to build a trap

for their captors that will

ultimately lead them to

freedom. A gripping

nonfiction thriller, *The*

Confidence Men is the

story of one of the only

known con games played

for a good cause—and of

a profound but unlikely

friendship. Had it not

been for "the Great War,"

Jones, the Oxford-

educated son of a British

lord, and Hill, a mechanic

on an Australian sheep

ranch, would never have

met. But in pain,

loneliness, hunger, and

isolation, they formed a

powerful emotional and

intellectual alliance that

saved both of their lives.

Margalit Fox brings her

"nose for interesting

facts, the ability to

construct a taut narrative

arc, and a Dickens-level

gift for concisely

conveying personality"

(Kathryn Schulz, *New*

York) to this tale of

psychological strategy

that is rife with cunning,

danger, and moments of

high farce that rival

anything in *Catch-22*.

A Study of Odysseus in

Nikos Kazantzakis' *The*

Odyssey, a Modern

Sequel Guardian Faber

Publishing

These two timeless epics

by the ancient Greek

poet—each translated by

a world-renowned

author—have captured

the Western imagination

for millennia. *The Iliad*:

Alexander Pope "works

miracles" in this beautiful

verse translation of

Homer's epic poem set

near the end of the Trojan

War. It centers on a

quarrel between the

invading Greek king

Agamemnon and his

greatest asset in battle,

the warrior Achilles. From

this conflict, Homer

weaves a tale of warring

nations, vengeful gods,

and the terrible

consequences of prideful

rage (*The New York*

Times). *The Odyssey*: The

Trojan War is over and

Odysseus, the king of

Ithaca, embarks to return

home. But he is cursed by

the god Poseidon to

wander the perilous earth

for ten years before

reaching his destination. Homer's epic adventure of survival by wit and battling mythical creatures is presented here in a stirring prose translation by Samuel Butler.

The Lost Books of the Odyssey Simon and Schuster

The life of Nikos Kazantzakis—the author of *Zorba the Greek* and *The Last Temptation of Christ*—was as colorful and eventful as his fiction. And nowhere is his life revealed more fully or surprisingly than in his letters. Edited and translated by Kazantzakis scholar Peter Bien, this is the most comprehensive selection of Kazantzakis's letters in any language. One of the most important Greek writers of the twentieth century, Kazantzakis (1883–1957) participated in or witnessed some of the most extraordinary events of his times, including both world wars and the Spanish and Greek civil wars. As a foreign correspondent, an official in several Greek governments, and a political and artistic exile, he led a relentlessly nomadic existence, living in France, Czechoslovakia, Austria, Germany, Italy, Spain, the Soviet Union,

and England. He visited the Versailles Peace Conference, attended the tenth-anniversary celebration of the Bolshevik Revolution, interviewed Mussolini and Franco, and briefly served as a Greek cabinet minister—all the while producing a stream of novels, poems, plays, travel writing, autobiography, and translations. The letters collected here touch on almost every aspect of Kazantzakis's rich and tumultuous life, and show the genius of a man who was deeply attuned to the artistic, intellectual, and political events of his times.

The Confidence Men Cambridge University Press

A comparative study exploring the particular importance of Homer in the emergence, development, and promotion of modernist writing.

The Story of Europe's Refugee Crisis Penguin UK

In this genre-defying book, best-selling memoirist and critic Daniel Mendelsohn explores the mysterious links between the randomness of the lives we lead and the artfulness of the stories we tell. Combining memoir, biography, history, and literary criticism, *Three Rings* weaves together the stories of three exiled writers who turned to the classics of the past to create masterpieces of their own—works that pondered the nature of narrative itself. Erich Auerbach, the Jewish philologist who fled Hitler's Germany and wrote his classic study of Western literature, *Mimesis*, in Istanbul... François Fénelon, the

seventeenth-century French archbishop whose ingenious sequel to the *Odyssey*, *The Adventures of Telemachus*—a veiled critique of the Sun King and the best-selling book in Europe for one hundred years—resulted in his banishment... and the German novelist W. G. Sebald, self-exiled to England, whose distinctively meandering narratives explore Odyssean themes of displacement, nostalgia, and separation from home. Intertwined with these tales of exile and artistic crisis is an account of Mendelsohn's struggles to write two of his own books—a family saga of the Holocaust and a memoir about reading the *Odyssey* with his elderly father—that are haunted by tales of oppression and wandering. As *Three Rings* moves to its startling conclusion, a climactic revelation about the way in which the lives of its three heroes were linked across borders, languages, and centuries forces the reader to reconsider the relationship between narrative and history, art and life. -- Ayad Akhtar

[A Modern Sequel](#) Open Road Media
 "A bold and subversive retelling of the goddess's story," this #1 New York Times bestseller is "both epic and intimate in its scope, recasting the most infamous female figure from the *Odyssey* as a hero in her own right" (Alexandra Alter, *The New York Times*). In the house of Helios, god of the sun and mightiest of the Titans, a daughter is born. But Circe is a strange child -- not powerful, like her father, nor viciously alluring like her mother. Turning to the world of mortals for companionship, she discovers that she does possess power -- the power of witchcraft, which can transform rivals into monsters and menace the gods themselves. Threatened, Zeus banishes her to a deserted island, where she hones her occult craft, tames wild beasts and crosses paths with many of the most famous figures in all of mythology, including the Minotaur, Daedalus and his doomed son Icarus, the murderous Medea, and, of course, wily Odysseus. But there is danger, too, for a woman who stands alone, and

Circe unwittingly draws the wrath of both men and gods, ultimately finding herself pitted against one of the most terrifying and vengeful of the Olympians. To protect what she loves most, Circe must summon all her strength and choose, once and for all, whether she belongs with the gods she is born from, or the mortals she has come to love. With unforgettably vivid characters, mesmerizing language, and page-turning suspense, Circe is a triumph of storytelling, an intoxicating epic of family rivalry, palace intrigue, love and loss, as well as a celebration of indomitable female strength in a man's world. #1 New York Times Bestseller -- named one of the Best Books of the Year by NPR, the Washington Post, People, Time, Amazon, Entertainment Weekly, Bustle, Newsweek, the A.V. Club, Christian Science Monitor, Refinery 29, BuzzFeed, Paste, Audible, Kirkus, Publishers Weekly, Thrillist, NYPL, Self, Real Simple, Goodreads, Boston Globe, Electric Literature, BookPage, the Guardian, Book Riot, Seattle Times, and Business Insider. [A Novel](#) Farrar, Straus and Giroux

This excellent prose translation of Homer's epic poem of the 9th century BC recounts one of Western civilization's most glorious tales, a treasury of Greek folklore and myth that maintains an ageless appeal for modern readers. A cornerstone of Western literature, The Odyssey narrates the path of a fascinatingly complex hero through a world of wonders and danger-filled adventure. After ten bloody years of fighting in the Trojan War, the intrepid Odysseus heads homeward, little imagining that it will take another ten years of desperate struggle to reclaim his kingdom and family. The wily hero circumvents the wrath of the sea god Poseidon and triumphs over an incredible array of obstacles, assisted by his patron goddess Athene and his own prodigious guile. From a literal descent into Hell to interrogate a dead prophet to a sojourn in the earthly paradise of the Lotus-eaters, the gripping narrative traverses the mythological world of ancient Greece to introduce an unforgettable cast of characters: one-eyed

giants known as Cyclopes, the enchantress Circe, cannibals, sirens, the twin perils of Scylla and Charybdis, and a fantastic assortment of other creatures.

The epic journey of Odysseus, the hero of Ancient Greece... After ten years of war, Odysseus turns his back on Troy and sets sail for home. But his voyage takes another ten years and he must face many dangers - Polyphemus the greedy one-eyed giant, Scylla the six-headed sea monster and even the wrath of the gods themselves - before he is reunited with his wife and son. Brilliantly retold by award-winning author, Geraldine McCaughrean. *The Search for Homer's Ithaca* BRILL

The Quran is among the most influential books in the history of literature, and is a source of Islam. This translation by Sir Yusuf Ali is one of the most widely known and used in the English-speaking world.

The Odyssey

Independently Published
Disarmingly personal and intensely philosophical, Report to Greco is a fictionalized account of

Greek philosopher and writer Nikos Kazantzakis's own life, a sort of intellectual autobiography that leads readers through his wide-ranging observations on everything from the Hegelian dialectic to the nature of human existence, all framed as a report to the Spanish Renaissance painter El Greco. The assuredness of Kazantzakis's prose and the nimbleness of his thinking as he grapples with life's essential questions—who are we, and how should we be in the world?—will inspire awe and more than a little reflection from readers seeking to answer these questions for themselves.

Odysseus Unbound

Simon and Schuster
No home library is complete without the classics! *Iliad & Odyssey* brings together the two essential Greek epics from the poet Homer in an omnibus edition—a keepsake to be read and treasured. The *Iliad* and *The Odyssey* are two of the oldest works of Western literature—yet these ancient myths still offer powerful lessons for our times. From the fascinating fall of Troy to Odysseus' perilous journey home, from the gods and goddesses to

the Sirens and the suitors, the events and characters of these epic tales captivate us, teach us, and inspire us. Their influence can be seen far and wide, from James Joyce's *Ulysses* to the movie sensation *Troy*, starring Brad Pitt.

Whether you've read Homer's original stories or you've only enjoyed their modern-day descendants, you'll love this *Canterbury Classics* edition of *Iliad & Odyssey*, and will be moved by these magical works. A classic keepsake for fans of Greek mythology, as well as all great literature, *Iliad & Odyssey* is the perfect addition to any library.

[A Thesis](#) Simon and Schuster

In this ambitious follow-up to *Achilles in Vietnam*, Dr. Jonathan Shay uses the *Odyssey*, the story of a soldier's homecoming, to illuminate the pitfalls that trap many veterans on the road back to civilian life. Seamlessly combining important psychological work and brilliant literary interpretation with an impassioned plea to renovate American military institutions, Shay deepens our understanding of both the combat veteran's experience and one of the world's greatest classics.

Brill's Companion to Prequels, Sequels, and Retellings of Classical Epic
New York, Simon

Europe is facing a wave of migration unmatched since the end of World War II - and no one has reported on this crisis in more depth or breadth than the Guardian's migration correspondent, Patrick Kingsley.

Throughout 2015, Kingsley travelled to 17 countries along the migrant trail, meeting hundreds of refugees making epic odysseys across deserts, seas and mountains to reach the holy grail of Europe. This is Kingsley's unparalleled account of who these voyagers are. It's about why they keep coming, and how they do it. It's about the smugglers who help them on their way, and the coastguards who rescue them at the other end. The volunteers that feed them, the hoteliers that house them, and the border guards trying to keep them out. And the politicians looking the other way. *The New Odyssey* is a work of original, bold reporting written with a perfect mix of compassion and authority by the journalist who knows the subject better than any other.

The Last Temptation of

Christ Simon and Schuster
 A BRILLIANT AND BEGUILING REIMAGINING OF ONE OF OUR GREATEST MYTHS BY A GIFTED YOUNG WRITER
 Zachary Mason's brilliant and beguiling debut novel, *The Lost Books of the Odyssey*, reimagines Homer's classic story of the hero Odysseus and his long journey home after the fall of Troy. With brilliant prose, terrific imagination, and dazzling literary skill, Mason creates alternative episodes, fragments, and revisions of Homer's original that taken together open up this classic Greek myth to endless reverberating interpretations. *The Lost*

Books of the Odyssey is punctuated with great wit, beauty, and playfulness; it is a daring literary page-turner that marks the emergence of an extraordinary new talent.
The Odyssey Simon & Schuster
 The internationally renowned novel about the life and death of Jesus Christ. Hailed as a masterpiece by critics worldwide, *The Last Temptation of Christ* is a monumental reinterpretation of the Gospels that brilliantly fleshes out Christ's Passion. This literary rendering of the life of Jesus Christ has courted controversy since its publication by depicting a Christ far more human

than the one seen in the Bible. He is a figure who is gloriously divine but earthy and human, a man like any other—subject to fear, doubt, and pain. In elegant, thoughtful prose Nikos Kazantzakis, one of the greats of modern literature, follows this Jesus as he struggles to live out God's will for him, powerfully suggesting that it was Christ's ultimate triumph over his flawed humanity, when he gave up the temptation to run from the cross and willingly laid down his life for mankind, that truly made him the venerable redeemer of men.
 "Spiritual dynamite."
 —San Francisco Chronicle
 "A searing, soaring, shocking novel." —Time
