warranty, Remedies for breach of warranty, Performance and breach, Anticipatory repudiation, Excuse of performance, Material breach, Substantial performance. Contract Law Quiz Questions & Explanatory Answers Blackstone Press This student-friendly study guide offers a clear, concise and complete explanation of contract law through skillful use of multiple-choice questions. Addressing all topics covered in standard first-year contract courses, it provides an expository review of key points of law and illustrative scenarios, followed by probing multiple-choice questions. All possible answers are deconstructed through careful explanation and analysis, leading the student through the logic of why the correct answer was correct and, importantly, why the others were not. Important test-taking techniques and tactics receive thorough coverage throughout the text, making *The Glannon Guide to Contracts* an invaluable aid for first-year students trying to navigate the complexities of contract law. Distinguishing features of *The Glannon Guide to*

Contracts: Highly accessible, user-friendly style that immediately engages students. Comprehensive coverage of all first-year law contract course material. A thorough, expository review of the key points of law precede all questions and prepares students to answer and learn from the multiple choice questions it incorporates. Skillfully crafted multiple-choice questions are challenging but wholly answerable by one who has mastered the preceding text All answers are deconstructed through clear, elaborate analyses showing why the right answer is right and the wrong answers are wrong. Provides tactics and strategies for converting substantive mastery to correct answers on multiple-choice questions. Invaluable exam-taking tactics and techniques set forth at various strategic points within the text. Flexible approach is equally useful to all students, whether their professors administer multiple-choice exams, essay exams, or both. Each chapter concludes with a "Closer," - a particularly challenging question that encourages students to push their mastery of the topic to a

more sophisticated level. "Closing Closers" appear in the book's final chapter, cumulatively addressing all concepts covered in the text *Contract Law Revision Concentrate Pack* Longman "Routledge Q & As give you the tools to practice and refine your exam technique, helping you to apply your knowledge to maximum effect in an exam situation. The technique in this book was derived from more than 150 actual contract law exams given by more than 40 professors at more than 15 law schools, including, but not limited to, top ranked law schools such as Harvard, Stanford, and Berkeley. Using answers provided by professors, a system was developed for answering exam questions quickly and thoroughly. The system was tested for speed and accuracy by using it to answer exam questions under timed conditions and comparing the system's answers with the professors' answers.

Provided in this book are 10 partial exam questions and 4 full exam questions along with step-by-step instructions and a model answer for every question.

Examination questions in Contract Law can seem particularly daunting to students. This book shows how to tackle successfully the sort of problems and essay questions frequently found in examination papers. The authors suggest how answers should be structured, providing advice on what to include, and on what to leave out. No matter how good your research and study skills, the ultimate test for the law student is the exam. The more preparation you have, the better equipped you will be. Blackstone's Law Questions and Answers Series gives students the opportunity to practise their exam techniques and evaluate and assess their progress. Written by experienced lecturers, the series covers all the topics found on law degree courses, CPE courses, and other undergraduate courses where law is an essential element. Each title is divided into chapters

covering each major topic and contains up to 50 questions and answers. Each chapter has an introduction focusing on important points and suggestions for further reading. Each question is followed by clear commentary highlighting the essential elements of each question and indicating exactly what the examiners are looking for. This new edition also contains bullet pointed answer plans listing the main issues to be raised in each chapter, further reading at the end of every chapter, and diagrams illuminating key points to provide students with instant confidence.

Contracts: An Integrated Approach (Doctrine and Practice Series) conveys

traditional contract doctrine in a user-friendly format designed to reach 21st century students. Its integrated online and hard-copy elements provide a sophisticated interactive educational experience that professors can administer even in large classes. Each new topic starts with a short 5-minute video that gives students a "mind map" or "scaffold" for the upcoming material. Short quizzes in the videos and at the end of each chapter provide on-line formative assessments of ascending difficulty. The hard-copy text poses questions before and after each case to direct attention to core issues and stimulate deeper thinking, and also features text boxes to define crucial legal terms or provide cross-references. Both hard copy-and online materials are presented in a visually compelling format to keep students engaged. The balance of time-tested classic cases and recent opinions provides relevant fact situations and also illustrates the continuing relevance of ancient doctrines in new contexts such as online adhesion contracts. Other innovative features of the book include: Multiple

formative exercises Problem sets to apply doctrine and introduce drafting terms, concepts & techniques Embedded quizzes in on-line introductory videos End-of-chapter bar exam style multiple choice quizzes Experiential elements such as practice-pointer text boxes Images throughout the text that emphasize doctrines' real-life implications Inclusivity through gender and racially diverse photos of judges, avatars in videos, and pronoun use in hypotheticals
