MAREN CHASE

Rhetoric and Reader McGraw-Hill Humanities/Social Sciences/Languages

In the words of the text's best-selling author, John Langan, "Grammar books can be really dull. But they don't have to be. "English Essentials is a new text that makes grammar, punctuation, and usage interesting—with pictures, stories, and activities students will enjoy." The affordable price, ease of use, and simple, familiar language distinguish this engaging text from others on the market.

Challenges and Opportunities for Subject Specialists McGraw-Hill Humanities, Social Sciences & World Languages

This text provides a quick, practical guide to the grammar, punctuation, and usage skills students need most and takes a self-teaching approach.

Sentences and Paragraphs McGraw-Hill Humanities, Social Sciences & World Languages

This best-selling sentence-level worktext by John Langan continues to help students master the essential grammar, mechanics, punctuation, and usage skills needed for clear, thoughtful writing. The seventh edition of Sentence Skills, Form B features a greater emphasis on prewriting and revision, a new chapter for non-native speakers, and much more!

The Advanced Reading-writing Connection Longman Publishing Group

Grounded in John Langan's Four Bases - unity, coherence, sentence skills, and support - English Skills with Readings employs a unique personalised learning plan to address student deficits in grammar and mechanics and to free instructional time for activities emphasising writing process and critical thinking. English Skills with Readings features John Langan's trademark crystal - clear explanations, along with his range of motivating activities and writing assignments that reinforce the four bases of effective writing. The new edition adds a variety of exciting new features to John Langan's proven approach, and reinstates much-requested material from previous editions.

What Everyone Needs to Know About Grammar, Punctuation, and Usage Springer

"A story where nothing is what it seems—a thrilling hall of mirrors full of deeply disturbing twists. This book will haunt you." —Alex Michaelides, #1 New York Times bestselling author Sundial is a new, twisty psychological horror novel from Catriona Ward, internationally bestselling author of The Last House on Needless Street. You can't escape what's in your blood... All Rob wanted was a normal life. She almost got it, too: a husband, two kids, a nice house in the suburbs. But Rob fears for her oldest daughter, Callie, who collects tiny bones and whispers to imaginary friends. Rob sees a darkness in Callie, one that reminds her too much of the family she left behind. She decides to take Callie back to her childhood home, to Sundial, deep in the Mojave Desert. And there she will have to make a terrible choice. Callie is worried about her mother. Rob has begun to look at her strangely, and speaks of past secrets. And Callie fears that only one of them will leave Sundial alive... The mother and daughter embark on a dark, desert journey to the past in the hopes of redeeming their future. "A wild, twisted, family gothic unlike any you've read before, and one you won't soon forget." —Paul Tremblay At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Sentence Skills Georgetown University Press

Teaching at Its Best This third edition of the best-selling handbook offers faculty at all levels an essential toolbox of hundreds of practical teaching techniques, formats, classroom activities, and

exercises, all of which can be implemented immediately. This thoroughly revised edition includes the newest portrait of the Millennial student; current research from cognitive psychology; a focus on outcomes maps; the latest legal options on copyright issues; and how to best use new technology including wikis, blogs, podcasts, vodcasts, and clickers. Entirely new chapters include subjects such as matching teaching methods with learning outcomes, inquiry-guided learning, and using visuals to teach, and new sections address Felder and Silverman's Index of Learning Styles, SCALE-UP classrooms, multiple true-false test items, and much more. Praise for the Third Edition of Teaching at Its Best Everyone—veterans as well as novices—will profit from reading Teaching at Its Best, for it provides both theory and practical suggestions for handling all of the problems one encounters in teaching classes varying in size, ability, and motivation."—Wilbert McKeachie, Department of Psychology, University of Michigan, and coauthor, McKeachie's Teaching Tips This new edition of Dr. Nilson's book, with its completely updated material and several new topics, is an even more powerful collection of ideas and tools than the last. What a great resource, especially for beginning teachers but also for us veterans!"—L. Dee Fink, author, Creating Significant Learning Experiences This third edition of Teaching at Its Best is successful at weaving the latest research on teaching and learning into what was already a thorough exploration of each topic. New information on how we learn, how students develop, and innovations in instructional strategies complement the solid foundation established in the first two editions."—Marilla D. Svinicki, Department of Psychology, The University of Texas, Austin, and coauthor, McKeachie's Teaching Tips *Writer's Block* SIU Press

By focusing on a wide range of reading and study skills required in the academic world, Reading and Study Skills gives instructors the flexibility to address student needs that might otherwise require several texts. The highly versatile organization divides topics into focused, self-contained modules that can be covered in any order with the result that the text can be adapted to fit any teaching or learning situation.

Fundamentals of Business (black and White) McGraw-Hill Humanities, Social Sciences & World Languages

READING AND STUDY SKILLS, Fifth Edition, Form B, is the alternate version of the Fifth Edition, Form A. It provides students with the essential reading and study skills they need to become independent learners in college. The book is also a brief guide to important word skills, and it includes coverage of motivational skills that help students approach their courses with the right attitudes. Students learn by doing, and so the book offers an abundance of practice activities. In all, there are over 200 exercises that help students learn key comprehension skills. The latest edition contains a complete chapter taken from an introductory sociology text, with which students can practice their reading and study skills. Form B differs from Form A in its reading selections and activities. Instructors, thus, can separate forms of the book from one semester to the next, or from one class to the next.

Ten Steps to Building College Reading Skills McGraw-Hill Humanities, Social Sciences & World Languages

A self-teaching guide to English grammar, punctuation and usage skills.

Longman English Grammar Practice Prentice Hall

John Langan's English Essentials offers guidance through the grammar, punctuation, and usage skills needed for success in college and beyond. In short, English Essentials is an efficient, accessible, and helpful guide to mastering practical English skills.

Reading and Study Skills Tyndale House

In the past decade there has been an intense growth in the number of library publishing services supporting faculty and students. Unified by a commitment to both access and service, library publishing programs have grown from an early focus on backlist digitization to encompass publication of student works, textbooks, research data, as well as books and journals. This growing engagement with publishing is a natural extensions of the academic library's commitment to

support the creation of and access to scholarship.

Equipping Disciples Who Make Disciples Cambridge University Press

The Advanced Reading-Writing Connection will help you become a more effective reader and writer. You will learn, in a nutshell, that good readers (1) recognize a main point and (2) recognize the support for that point, and that good writers (1) make a point and (2) support the point.

Exploring Writing Prentice Hall

Clear Thinking and Writing will do exactly what its title says--help students focus their thinking and improve their writing. Students will learn that the most important things to do as a thinker and writer are to: 1) Make a clear point, and 2) Provide solid support for the point. Too many writing books lose sight of the forest for the trees. Clear Thinking and Writing presents in a nutshell what students need to do to become better thinkers and writers: make a point and then support it with appropriate, well-organized specific evidence. It gets to the heart of the matter and presents clear thinking and writing as skills that students can learn--Publisher's description.

8th International Workshop, LTEC 2019, Zamora, Spain, July 15-18, 2019, Proceedings

McGraw-Hill College

Clear, step-by-step writing instruction, ample annotated student essays, and extensive practice opportunities for writing have made The Longman Writer one of the most successful methods-of-development guides for college writing. Created by the authors of the best-selling Longman Reader, the text draws on decades of teaching experience to integrate the best of the "product" and "process" approaches to writing. Its particular strengths include an emphasis on the reading-writing connection, a focus on invention and revision, attention to the fact that patterns blend in actual writing, and an abundance of class-tested activities and assignments--more than 350 in all.

Sundial Springer

#1 NEW YORK TIMES BESTSELLER • A memoir of leadership and success: The executive chairman of Disney, Time's 2019 businessperson of the year, shares the ideas and values he embraced during his fifteen years as CEO while reinventing one of the world's most beloved companies and inspiring the people who bring the magic to life. **NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR** Robert Iger became CEO of The Walt Disney Company in 2005, during a difficult time. Competition was more intense than ever and technology was changing faster than at any time in the company's history. His vision came down to three clear ideas: Recommit to the concept that quality matters, embrace technology instead of fighting it, and think bigger--think global--and turn Disney into a stronger brand in international markets. Today, Disney is the largest, most admired media company in the world, counting Pixar, Marvel, Lucasfilm, and 21st Century Fox among its properties. Its value is nearly five times what it was when Iger took over, and he is recognized as one of the most innovative and successful CEOs of our era. In *The Ride of a Lifetime*, Robert Iger shares the lessons he learned while running Disney and leading its 220,000-plus employees, and he explores the

principles that are necessary for true leadership, including: • Optimism. Even in the face of difficulty, an optimistic leader will find the path toward the best possible outcome and focus on that, rather than give in to pessimism and blaming. • Courage. Leaders have to be willing to take risks and place big bets. Fear of failure destroys creativity. • Decisiveness. All decisions, no matter how difficult, can be made on a timely basis. Indecisiveness is both wasteful and destructive to morale. • Fairness. Treat people decently, with empathy, and be accessible to them. This book is about the relentless curiosity that has driven Iger for forty-five years, since the day he started as the lowliest studio grunt at ABC. It's also about thoughtfulness and respect, and a decency-over-dollars approach that has become the bedrock of every project and partnership Iger pursues, from a deep friendship with Steve Jobs in his final years to an abiding love of the Star Wars mythology. "The ideas in this book strike me as universal" Iger writes. "Not just to the aspiring CEOs of the world, but to anyone wanting to feel less fearful, more confidently themselves, as they navigate their professional and even personal lives."

Tor Nightfire

"Published for Conference on College Composition and Communication" --T.p verso.

In Other Words McGraw-Hill Humanities, Social Sciences & World Languages

National Best Seller From the best-selling author and Pulitzer Prize winner, a powerful nonfiction debut--an "honest, engaging, and very moving account of a writer searching for herself in words." --Kirkus Reviews (starred) *In Other Words* is a revelation. It is at heart a love story--of a long and sometimes difficult courtship, and a passion that verges on obsession: that of a writer for another language. For Jhumpa Lahiri, that love was for Italian, which first captivated and capsized her during a trip to Florence after college. Although Lahiri studied Italian for many years afterward, true mastery always eluded her. Seeking full immersion, she decides to move to Rome with her family, for "a trial by fire, a sort of baptism" into a new language and world. There, she begins to read, and to write--initially in her journal--solely in Italian. In *Other Words*, an autobiographical work written in Italian, investigates the process of learning to express oneself in another language, and describes the journey of a writer seeking a new voice. Presented in a dual-language format, this is a wholly original book about exile, linguistic and otherwise, written with an intensity and clarity not seen since Vladimir Nabokov: a startling act of self-reflection and a provocative exploration of belonging and reinvention.
