Dictionnaire Anglais-français Simon and Schuster More than a generation has passed since the appearance of the last major Catholic Bible dictionary. It has been a fertile generation for biblical scholarship, an eventful time for biblical archaeology, and a fruitful time for the Church's interpretation of the Bible. It is time for a new resource. Scott Hahn, internationally renowned theologian and biblical scholar, has inspired millions with his insight into the Catholic faith. Now he brings us this important reference guide, written specifically for Catholics, which contains more than five thousand clear and accessible entries and covers a wide range of people, places, and topics. From Genesis to Revelation, the whole of salvation history is presented and explained in smart, easy-to-understand prose. Catholic Bible Dictionary is an invaluable source of information, insight, and guidance for Catholics and others who are interested in enriching their understanding of Sacred Scripture. Scott Hahn draws from two millennia of scholarship to create an accessible and comprehensive tool for deeper and more rewarding biblical study.

The OPD Second Canadian Edition English/Chinese is an illustrated, theme-based dictionary for second-language learners. This four-colour dictionary defines words through pictures, and presents each new word in context. The OPD English/Chinese, along with the monolingual workbooks and many other components, can be used as a reference book or as text for high school or adult ESL students at the beginner level. For years, the first monolingual Canadian edition of the OPD has been the

industry leader among picture dictionaries. The second edition expands on the topics covered, providing more depth of vocabulary in the areas that matter most to students and offers Chinese speakers the additional advantage of having words and phrases defined in their native language. The illustrations have been completely updated in a more realistic style that is visually appealing to adult learners. The second edition also contains two new features: Introductory Pages and Story Pages. The Introductory Pages have been added to the beginning of each theme to give lower-level students a basic overview of key vocabulary words, and to give a starting point for discussion and an introduction to the theme for more advanced students. The Story Pages consist of a two-page spread at the end of each theme to help students use the words in context and practise their reading skills. The OPD English/Chinese is designed for use both in and out of the classroom. Speaking exercises are presented throughout the OPD to allow students to practise new vocabulary in pairs or small groups, while the pronunciation guide in the index allows students to check their pronunciation when they are studying on their own.
