The Martian Chronicles HarperCollins

SOMETHING IS WAKING The fiefs that exist at the heart of the city of Elantra are home to sentient Towers that guard the world against the incursion of Shadow. But between the fiefs exists the gray world of the border zone. In it, geography changes between one passage across a border and the next. The rules of magic are different

there—and yet somehow familiar to Kaylin Neya. When a Shadow escapes, Kaylin must find out how...and why. If Shadows can breach the barrier erected by the Towers, the whole of Elantra will be devoured. It's happened on other worlds. Bellusdeo, Kaylin's Dragon companion, absolutely believes it can happen on theirs. The border zone holds secrets and ancient histories, and people are gathering there in search of its power. Without even understanding what that power is, or why it exists, Kaylin is in a desperate race against time to find those secrets first. She

doesn't know who her enemies are. She doesn't know how many she'll face. But she won't face them alone.

WITH FRIENDS LIKE THESE, WHO NEEDS ENEMIES? Private Kaylin Neya thought her home couldn't possibly get more crowded. But when one of her housemates, Annarion, decides to undertake the Barrani Test of Name, his friends refuse to let him face his task alone—and Kaylin's sentient home, Helen, is the only structure capable of shielding the rest of Elantra from the magnitude of their power. Annarion and Mandoran almost caused the destruction of the High Halls once already. Add nine of their closest friends, and the danger is astronomically higher—especially since these guests are at the heart of a

political firestorm. Imprisoned almost a millennium ago, their recent freedom threatens the rulership of several prominent Barrani families, and the machinations of those Lords make it almost impossible to tell friend from foe. As political tensions ramp up, the shadows beneath the High Halls are seeking a freedom that has never been possible before. Kaylin must find a way to keep those shadows from escaping, or that freedom will destroy her city, the empire and everything she holds dear.

In the aftermath of a vicious battle between darkness and light, the city of Elantra has emerged victorious. But Shadows continue to haunt every corner of its streets... Elantra stands strong, but countless numbers of Hawks, the city's

staunchest protectors, were lost in the brutal attack. Humans, Barrani, Aerians, Leontines – none of the races emerged unscathed from the defense of the city. Homes were lost, families were scattered...and the outcast Barrani Lord Nightshade is missing from his castle in the fiefs. Yet as the chaos surrounding the battle begins to wane, Private Kaylin Neva's duties must resume, despite her grief. Called in to investigate a triple murder in a quiet part of town, Kaylin and her companions are soon embroiled in a case that is anything but routine. Evidence of the deadly Shadows that still threaten the city leads to hints of ancient, forgotten magics...and everything can be traced directly to Ravellon, the heart of the Shadows and the darkness they contain. But it is there

that Lord Nightshade will be found – if he still survives. “Along with the exquisitely detailed world-building, Sagara's character development is mesmerizing... In between angling for a promotion, sharing her room with the last living female Dragon and dealing

with more refugees than anyone knew what to do with, the unusual egg she'd been given began to hatch. Actually, that turned out to be lucky, because it absorbed the energy from the bomb that went off in her quarters. So now might be the perfect time to leave Elantra and journey to the West March with the Barrani. Shadow and Bone Tor Books

Seven years ago Kaylin fled the crime-riddled streets of Nightshade, knowing that something was after her. Children were being murdered – and all had the same odd markings that mysteriously appeared on her own skin. Since then, she's learned to read, she's learned to fight and she's become one of the vaunted Hawks who patrol and police the City of Elantra. Alongside the winged Aerians and the immortal Barrani, she's made a place for herself, far from the mean streets of her birth. But children are once again dying, and a dark and familiar pattern is emerging. Kaylin is ordered back into Nightshade with a partner she knows she can't trust,

a Dragon lord for a companion and a device to contain her powers – powers that no other human has. Her task is simple – find the killer, stop the murders and survive the attentions of those who claim to be her allies!  POLITICS ARE HELL Kaylin wasn't sent to

the West March to start a war. Her mission to bring back nine Barrani might do just that, though. She traveled with a Dragon, and her presence is perceived as an act of aggression in the extremely hostile world of Barrani-Dragon politics. Internal Barrani politics are no less deadly, and Kaylin has managed—barely—to help the rescued Barrani evade both death and captivity at the hands of the Consort. Before the unplanned “visit” to the West March, Kaylin invited the Consort to dinner. For obvious reasons, Kaylin wants to cancel dinner—forever. But the Consort is going to show up at the front door at the agreed-upon time. The fact that she tried to imprison Kaylin’s guests doesn’t matter at all...to her. A private Barrani Hell, built of Shadow and malice, exists

beneath the High Halls. It is the High Court’s duty to jail the creature at its heart—even if it means that Barrani victims are locked in the cage with it. The Consort is willing to do almost anything to free the trapped and end their eternal torment. And she needs the help of Kaylin’s houseguests—and Kaylin herself. Failure won’t be death—it will be Hell. And that’s where Kaylin is going.
