Naughty Little Book of Gaelic

Simon and Schuster

Jaylin and Nokea Rogers have been married for almost four years. Jaylin has finally tamed his womanizing ways, and they're happily raising their children together. Things couldn't be more perfect, until an unforgettable kiss from Nokea's past has her wondering what could—or should—have been. The tender kiss was placed on her lips by Jaylin's best friend, Shane, and when Nokea is forced to spend one night alone with him, the unthinkable happens. No one seems willing to play by the rules, and that includes Jaylin. He's surrounded by many women willing to help him forget about Nokea's unfortunate affair. One woman in particular, Scorpio, is like poison. Back in the day, he couldn't get enough of her, and now that the road is rocky in Jaylin's marriage, Scorpio makes an attempt to tiptoe back in. After so many happy years together, who would have thought that Nokea and Jaylin would find themselves in this situation? Nokea knows she holds the key to her husband's heart, but after his numerous naughty nights, does she even want her key to fit? Just in case the marriage doesn't work out, she's making sure her pockets stay fat and full with all of Jaylin's money. He must be dreaming if he believes his decision to backslide on their marriage bears no consequences. Essence bestselling author Brenda Hampton delivers the drama once again in the next installment to the Naughty series. Surely the law will be laid down, but it won't be over until Jaylin delivers the final word!

Secretly, she has a thing for Shane, but gets ruthless when she's unable to attract him and learns that Scorpio seems to have his nose wide-open for her. A CD in Felicia's possession threatens to simultaneously destroy the lives of both Shane and Jaylin. Scorpio's naughty sex-life catches up with her, as she starts being anonymously terrorized with harassing phone calls and vandalism of her property. How Can I Be Down? J.H. Croix

There are many good and useful books that provide a wide range of Scottish Gaelic vocabulary to express many aspects of daily life - except, for the most part, the topics covered in this book.Scottish Highlanders, and their descendants all over the world, are no better and no worse than any other people where "sinful" behaviour is concerned. Standards of morality and social conventions changed dramatically during the 19th century - and most of the people engaged in recording and commenting upon Highland life and tradition were puritanical ministers and priests who left out the racy bits. So, while there are many useful books that provide a wide range of Scottish Gaelic vocabulary to express many aspects of daily life - for the most part, they leave out the naughty bits.
