A brief Materia Medica derived primarily from the works of Boger with additions. Summaries of the remedies contain useful details.

Group Study in Homeopathic Materia Medica Pocket Manual of Homoeopathic Materia Medica

As increasing numbers of people turn to alternative healing practices, this classic text on the science and art of homeopathic medicine remains ever relevant. Written at the turn of the twentieth century by a distinguished physician, its concepts of health and healing are still ahead of our time. Dr. Kent summarizes, interprets, and systematizes the traditions of homeopathy, offering insights into the essential characteristics of the healing process: how to take a case history, how to study the case, how to establish the hierarchy of symptoms in determining the

appropriate remedy--and above all, how to decide what to do after the first prescription, how to interpret the many reactions to therapy, and how to achieve a scientific understanding of a cure. This informative volume is must reading for any student or practitioner of homeopathy as well as any individual seriously interested in understanding the fundamental laws of health and healing.

All in One Homoeopathic Materia

Medica B Jain Pub Pvt Limited

A book of differential comparisons. The book shows how one might use remedy comparisons in one's daily practice. The remedies are arranged alphabetically.

Comparative Materia Medica B. Jain Publishers

Homoeopathy today has developed a beautiful orchid which is disseminating its sweets fragrance and freshness to the whole of world by healing all living beings in a rapid, gentle and permanent way.

A Synoptic Key of the Materia Medica B. Jain Publishers

This repertory is intended to serve as a handy and useful reference book. It is an attempt to lessen the difficulties of the prescriber. Remedies for a particular rubric are reduced to minimum possible by a careful selection. No drug is given unless there is strong justification provided for it, by authorities like Dr. Boger, Dr. Kent, Dr. Clarke's dictionary, etc. In this repertory, the heading including Mentals, Generals, Modalities, Organs, and their Sub-parts are all arranged according to their Alphabetical order. All the physiological and pathological conditions are also included. Cross references are given where-ever necessary.

Concise Repertory of Homoeopathic Medicines B Jain Pub Pvt Limited

Kent's repertory is one of the most acceptable repertories amongst the homoeopathic fraternity . Kent's comparative repertory is a helping hand for the physicians and students alike to overcome the problem of understanding the exact meaning of each rubric and to differentiate amongst the closely related ones such as ;abandon and Forsaken' also the book is a guide for the selection of 'The correct remedy' as it details the differentiating features of each of the third grade remedy under the given rubric. This facilitates the physician at the clinical level. The book well elucidates the most important section of the Kent's repertory which is the Mind section.

The Guiding Symptoms of Our Materia

Medica B. Jain Publishers

Homeopathic remedies are increasingly being used to treat common childhood ailments. They are safe, have no side effects or allergic reactions, are inexpensive and, above all, effective. In this guide, Dana Ullman explains what homeopathy is, how it works and how you can use it correctly to enhance your child's health. He recommends remedies for more than 75 physical and emotional conditions, including: allergies, grief, anxiety, headaches, asthma, measles, bedwetting, nappy rash, bites and stings, shock, burns, sunburn, colic, teething, coughs and colds and travel sickness Without doubt, this is the most comprehensive book on homeopathic pediatrics. Included is a complete guide to the correct use of homeopathy, recommended remedies for the treatment of more than seventy-five common physical, emotional, and behavioral conditions, and valuable information on the essential medicines that all parents should have in their home medicine kits

Together with Repertories of Causation, Temperaments, Clinical Relationships, Natural Relationships B Jain Pub Pvt Limited

Transcription of various seminars taught by the author in the USA. Contains 53 remedies.

Mother Tinctures, Therapeutics and

Materia Medica Forgotten Books

Benefit from the author's long teaching experience, this book is specifically tailored to meet student's needs. Concise, direct and exhaustive. It is the modern day FARRINGTON, simple, easier to understand and remember. The age old concept of "Group study in Materia Medica" presented in a new, lucid and more readable style. It is a unique compilation that presents schematic overview of group-wise study of drugs included in the homeopathic Materia Medica. It concisely presents the most important aspects on the subject of group study at a glance. Flow charts are added for ready reference. This book will be of immense help to undergraduate, post-graduate and practitioners in their day-to-day work. Features: Drugs from animal, plant and mineral kingdoms; Sarcodes and Nosodes explained; Schematic diagrams depicting important symptoms of medicines from each kingdom; Flow charts and tables for quick references and easy recall; Comparisons and differentiation between drugs from the same kingdom.
