Never in her wildest dreams could she imagine that the day she called her special day would change not only her life but also her daughters'. It was the day that the mother, with the help of her daughter, decided Mom would live one day on the crazy and wild side, the day that would

An electrifying novel of the entertainment industry by a top-level insider that concerns a young man's rise to stardom.

You Owe Me Harlequin

The three book box set of The CONduct Series by Jennifer Lane includes With Good Behavior, Bad Behavior, and On Best Behavior. With Good Behavior: The romantic leads in With Good Behavior are two law-abiding citizens who unwittingly got mixed up with a Mafia capo, Logan Barberi, which led them both to prison sentences. The story begins as Sophie and

Grant are starting parole and attempting to rebuild their lives and their dignity. Sophie Taylor is a former psychologist who's an intelligent, spunky, strawberry-blond beauty. She has a tendency to open her heart to wounded people, including the "bad-boy" boyfriends littering her past. Grant Madsen is a former Navy lieutenant who's hard-working and kind, with dark Italian features and stunning crystal-blue eyes. He has a penchant for brooding and self-sacrifice. Their paths collide outside their parole officer's door, and both have no idea about the explosive hidden connection waiting for them like a ticking bomb down the road. Re-Release in 2017! We have re-edited *With Good Behavior* (Conduct #1), book one of a complete romantic suspense trilogy. *Bad Behavior*: Grant Madsen's got issues. He's still battling his Mafia family and doing everything possible to keep his loved ones safe. With the cruising season coming to an end, he has to find another job soon or he'll rejoin his father in prison. And he's trying to convince his rebellious teenage nephew to stay away from their criminal relatives (you can imagine how that's going). But worst of all, Grant's parole

officer has mandated that he attend therapy. The only saving grace is that they're couples sessions with his girlfriend, Sophie Taylor, a fellow parolee who's struggling with a few issues of her own. Sophie desperately hopes her past with Grant's brother won't destroy her future with him. There's a sleazy professor at work who revels in sexually harassing women in the psychology department. And her father still hates Grant. Their psychologist has his work cut out for him. When Grant's ruthless father hints at a plot to get out of prison, Grant must use everything he's learned in therapy and beyond to try to stop him. It's a race against time -- and a race to rescue Sophie from the Mafia's clutches once again. But this time McSailor and Bonnie refuse to play victims. This time the cuffs are coming off. On *Best Behavior: Planning a wedding* is never easy--especially when the Russian Mafia wants you dead. On *Best Behavior--the third and final book in The Conduct Series--finds our favorite couple moving forward, despite the odds.* Following a pardon by the Governor of Illinois, ex-cons Sophie Taylor and Grant Madsen are finally free to pursue their love

and the life that lies ahead for them. Grant now fights the forces that have hurt his loved ones by working undercover for the FBI, and he has infiltrated the Russian Mafia in Chicago. Sophie dives into swimming with Grant's nephew, Ben, and into her career as a psychology professor. Thankfully, now it's Ben's turn to heal through therapy sessions with Dr. Hunter Hayes. With so many things going right for Grant and Sophie, it's too bad the Russians aren't their only threat. When Grant's father, Enzo Barberi, discovers his own son thwarted his plan to break out of prison, his overdeveloped sense of vengeance flares to life. As Sophie scrambles to save her fiancé, it's impossible to say who will kill Grant first--the Russians or his Italian family. Can love triumph over evil? Are hard work and a pledge to be on best behavior ever enough?

Married to a Mistress Oxford University Press

Perfect for readers of *The Secret Life of Bees* and *The Help*, a perceptive and searing look at Apartheid-era South Africa, told through one unique family brought together by tragedy. Life under Apartheid has created a secure future for Robin Conrad, a ten-year-old white girl living with her parents in 1970s Johannesburg. In the same nation but worlds apart, Beauty Mbali, a Xhosa woman in a rural village in the Bantu homeland of the Transkei, struggles to raise her children alone after her husband's death. Both lives have been

built upon the division of race, and their meeting should never have occurred...until the Soweto Uprising, in which a protest by black students ignites racial conflict, alters the fault lines on which their society is built, and shatters their worlds when Robin's parents are left dead and Beauty's daughter goes missing. After Robin is sent to live with her loving but irresponsible aunt, Beauty is hired to care for Robin while continuing the search for her daughter. In *Beauty*, Robin finds the security and family that she craves, and the two forge an inextricable bond through their deep personal losses. But Robin knows that if Beauty finds her daughter, Robin could lose her new caretaker forever, so she makes a desperate decision with devastating consequences. Her quest to make amends and find redemption is a journey of self-discovery in which she learns the harsh truths of the society that once promised her protection. Told through Beauty and Robin's alternating perspectives, the interwoven narratives create a rich and complex tapestry of the emotions and tensions at the heart of Apartheid-era South Africa.

Hum If You Don't Know the Words is a

'One death, in exchange for thousands of lives - it's simple arithmetic!' A new translation of Dostoevsky's epic masterpiece, *Crime and Punishment* (1866). The impoverished student Raskolnikov decides to free himself from debt by killing an old moneylender, an act he sees as elevating himself above conventional morality. Like Napoleon he will assert his will and his crime will be justified by its elimination of 'vermin' for the sake of the greater good. But Raskolnikov is torn apart by fear, guilt, and a growing conscience under the influence of his love for Sonya. Meanwhile the police detective Porfiry is on his trial. It is a powerfully psychological novel, in which the St Petersburg setting, Dostoevsky's own circumstances, and contemporary social problems all play their part.

Gabi... When I was seventeen years old, I was told to stay away from Cole Devonport. Kids like him only ever meant trouble. I should have listened, but I didn't, and surprise, surprise, I was the one who got hurt. But escaping Cole didn't mean the end of my pain. Life has a way of screwing me over, and after joining the Army as a way of forgetting him, I suffered a loss I'll never recover from. So now here I am, back in the town I ran away from, with my alcoholic father apparently looking after me. The last thing I need is

Cole showing up on my doorstep because nothing has changed—with his prison tattoos and don't-screw-with-me edge, Cole Devonport still means trouble...

Cole... I let everyone down all those years ago. I made mistakes and I'm not proud of them, but I've done my time and now I just want to keep my head down and get on with my life. I thought I was doing exactly that until I heard Gabriella Weston was back in town. Despite what she thought, I was always in love with her. She might hate me, but whether she knows it or not, she also needs me. I want to make it up to her, but with my past still trying to pull me down, perhaps it would be best if I just stayed the hell away like she keeps telling me to. Problem is, I can't seem to resist her, and I'm the type of guy who always gets what he wants... 'No Second Chances' is a stand-alone, second chance, contemporary romance. It is a full length novel with no cliff-hanger!
