The Tales of Terror 8-12

Fiction

The new beginning and the grand finale of Lian Hearn's celebrated Tales of the Otori is "rivetingly elegant" (Washington Post). Don't miss the related series, The Tale of Shikanoko. Heaven's Net Is Wide is the prequel that reveals the full story of Lord Otori Shigeru—the figure who has presided in both life and death over the entire series, the man

who represents the true spirit of the Otori Clan. The first and the last tale, it introduces readers to the strange and beautiful world of the Otori and closes the circle where it opened in *Across the Nightingale Floor*. Set in a mythical, medieval Japan, this epic historical fantasy of revenge and betrayal, honor and loyalty, beauty, passion, and the overwhelming power of love, has enthralled millions of readers the world over—and now, with the cycle complete, its audience will only

continue to grow. *The Man Who Was Hate* Bloomsbury Childrens Everyone says that Caro is bad-but Jamie can't help himself. Gorgeous, impulsive, and unconventional, Caro is totally different from all the other girls and Jamie can't believe that she wants to be his girlfriend. But Jamie soon realizes there is more to Caro—much more. Consider: How she often disappears for days at a time, or the small scars on her wrists, or her talk about revolution and taking

action, not to mention the rumors about the other guys.... Jamie's also worried about Rob, his older brother. Back from Afghanistan and traumatized from an injury there, Rob seems to be living in a world of his own and is increasingly difficult to reach. Which is why it's so strange that Rob and Caro seem to know one another. And why it feels so dangerous that they're being awfully secretive.

Return to the weird and wonderful world of Maudlin Towers for a second adventure – brilliantly written and

illustrated throughout by Chris Priestley in this striking and funny package. Mildew and Sponge don't think much of Maudlin Towers, the blackened, gloom-laden, gargoyle-infested monstrosity that is their school. But when they are told the school might close, our heroes realise that being apart and somewhere else could be even worse! But what starts out as a secret hunt for buried treasure quickly becomes weirder than Mildew and Sponge could ever have imagined. Who

is that new boy who can get people to do whatever he wants just by looking them intently in the eye? (A hypnotist!) Why does that strange teacher have tattoos and a beard? (He's really a pirate also looking for the treasure!) Could their heartbroken English teacher hold the key to this riddle of riddles? (Just maybe ...) Most importantly, can Mildew and Sponge save the day – and the school – once more? This hugely funny, deliciously creepy and action-packed series is perfect for 8+ readers

who like their mysteries with a twist. Fans of Lemony Snicket and Chris Riddell will love Maudlin Towers.

Ghost Stories of an Antiquary Bloomsbury Publishing

A gripping historical mystery, full of 18th century atmosphere. Fifteen-year-old Tom lives in the murky city of London where he helps his father run a print shop. Among the customers is wise old Dr. Harker, a retired physician and seafarer, whose patient demeanour and

fascinating tales endear him to Tom. Both Tom and Harker become intrigued by a murder in the city where the victim is pierced by an arrow and left holding an illustrated card of "Death and the Arrow." The mystery deepens after more "Death and the Arrow" victims are discovered, and Tom cannot rest until he has uncovered the truth behind the murders. This atmospheric venture into the eighteenth-century will fascinate and engage readers ten-years-old and up.

Death and the Arrow Bloomsbury Publishing
 Jake's mobile is going wrong. It's sending weird texts to his friends. Then they start appearing on his phone - from himself. Then the voice messages begin. A girl is trapped in a storm drain, begging him for help. But the messages delete as soon as he hears them. Finally he gets a live call from her, and he knows he has to track her down. Will it be too late for the girl - or for Jake? Highly readable, exciting books that take the struggle out of

reading, Wired encourages and supports reading practice by providing gripping, age-appropriate stories for struggling and reluctant readers or those with English as an additional language aged 11+, at a manageable length (64 pages) and reading level (8+). Produced in association with reading experts at CatchUp, a charity which aims to address underachievement caused by literacy and numeracy difficulties.

Anything That Isn't

This Bloomsbury Publishing USA The griffin, the sunbird, manticores, unicorns - all manner of glorious creatures never captured in zoos, museums or photographs are packed vividly into this collection of stories. Neil Gaiman has included some of his own childhood favourites alongside stories classic and modern to spark the imagination of readers young and old. All contributors have given their work free to benefit Dave Eggers' literacy charity, 826DC. Also

includes a new Neil Gaiman Story.
Curse of the Werewolf Boy Bloomsbury Publishing USA Mildew and Sponge don't think much of Maudlin Towers, the blackened, gloom-laden, gargoyle-infested monstrosity that is their school. But when somebody steals the School Spoon and the teachers threaten to cancel their holiday break until the culprit is found, our heroes must spring into action and solve the crime! But what starts out as a classic bit of

detectivating quickly becomes weirder than they could have imagined. Who is the ghost in the attic? What's their history teacher doing with a time machine? And why do a crazy bunch of Vikings seem to think Mildew is a werewolf? This brand-new series from Chris Priestley, full of delightfully original wit, is perfect for young readers who like their mysteries with a bit of bite.

The Dead of Winter

Simon and Schuster

In a harbour town long ago, a boy is entranced by

his uncle's stories of adventure in lands far away. Ignoring the crazy talk of the harbour pilot's son about the uncle being the Devil, the boy boards a ship with his uncle. But the uncle soon makes enemies of the captain and crew and, in frustration at their superstition, kills an albatross that has befriended the ship. As the ship sails on, madness and death ensue, and the boy and the crew face unimaginable horrors. A superbly gripping and haunting tale for fans of

all classic horror.

Tailypo, a Ghost Story

The award-winning author of *Tales of Terror* stirs up old ghosts in this spine-tingling, multi-narrative horror. Jake and the other finalists in a writing competition have been invited to a stately house for a tour like no other. As their guide leads them through grand rooms, hidden nooks and magnificent grounds, they hear the stories of seven ghosts who haunt the halls. Strange shapes and

shadows follow Jake as he journeys through the house and with each tale that Jake hears, he begins to feel more uneasy. All is not as it seems and soon Jake will discover that something is very, very wrong.

The Stone Witch Oxford University Press, USA

A young man reexamines his childhood memories of strange visions and erratic behavior to answer disturbing questions that continue to haunt him and his new family in this psychological thriller named a Washington Post

best book of 2007. Thirty-year-old George Davies can't bring himself to hold his newborn son. After months of accepting his lame excuses and strange behavior, his wife has had enough. She demands that he see a therapist, and George, desperate to save his unraveling marriage and redeem himself as a father and husband, reluctantly agrees. As he delves into his childhood memories, he begins to recall things he hasn't thought of in twenty years. Events, people, and strange

situations come rushing back. The odd, rambling letters his father sent home before he died. The jovial mother who started dating too soon after his father's death. A boy who appeared one night when George was lonely, then told him secrets he didn't want to know. How no one believed this new friend was real and that he was responsible for the bad things that were happening. Terrified by all that he has forgotten, George struggles to remember what really happened in the months

following his father's death. Were his ominous visions and erratic behavior the product of a grief-stricken child's overactive imagination? Or were his father's colleagues, who blamed a darker, more malevolent force, right to look to the supernatural as a means to end George's suffering? Twenty years later, George still does not know. But when a mysterious murder is revealed, remembering the past becomes the only way George can protect himself--and his young

family. A psychological thriller in the tradition of Donna Tartt's *The Secret History*--with shades of *The Exorcist*--*A Good and Happy Child* leaves you questioning the things you remember and frightened of the things you've forgotten. "Beautifully written and perfectly structured. . . . This novel is much more than *The Omen* for the latte generation, and Evans cleverly subverts expectations at every turn." --*Washington Post* "[A] satisfying, suspenseful first novel. . .

. Young George's intriguing story unbalances the reader right up to the book's deliciously chilling end." —People "A scary, grown-up ghost story that combines Southern gothic with more than a twist of *The Exorcist*. . . . Combine[s] mind-bending storytelling with excellent prose." —*Portland Tribune* "Think *Rosemary's Baby*—plus . . . told in the kind of prose that mesmerizes, sweeping the reader along so fast that there's no time to ask questions." —*Hartford*

Courant “[A] dazzling debut . . . part psychological thriller, part horror story.” —Chicago Tribune “Relat[es] his otherworldly suspense story with the cool, calm eye of a skeptic.” —Entertainment Weekly (A—)
