### Willard Mullin's Golden Age of Baseball Drawings

1934-1972 Beckett Media

"The #1 authority on collectibles"--Cover.

**How Baseball Cards Became an American Obsession** House of Collectibles

Dr. James Beckett, the world's leading expert on sports card collecting provides an indispensable resource for baseball card collectors. It's complete with alphabetical player listings from 1886 to present, highlighting over 30,000 players. 1,152 pp.

**Baseball Card Alphabetical Checklist** Beckett Media

Biographies of 70 of hockey's top NHL players.

**Beckett Baseball Almanac #25** Beckett Media

More than 200,000 prices for non-sport cards. Special sections for DC/Marvel, Star Wars, and others. Bonus section for Funko figurines. Vintage, Modern Bench Warmer, Garbage Pail Kids, Star Trek, Wacky Packages, Funko, and more!

**Beckett Hockey Price Guide #32** Everything

One of the most popular books we publish, the Graded Card Price

Guide is the choice of collectors wanting to know the values of their graded and encapsulated cards. This book includes vintage and modern day graded card pricing for Baseball, Football, Basketball, Hockey and other sports too. The continued growth in the industry requires knowledge of the market, and this book provides that and plenty more!

**The Great American Baseball Card Flipping, Trading, and Bubble Gum Book** House of Collectibles

One of the most popular books we publish, the Graded Card Price Guide is the choice of collectors wanting to know the values of their graded and encapsulated cards. This book includes vintage and modern day graded card pricing for Baseball, Football, Basketball, Hockey and other sports too. The continued growth in the industry requires knowledge of the market, and this book provides that and plenty more!

**Beckett Football Card Price Guide #38** Penguin

In this sports memoir, Wayne Gretzky weaves memories of his legendary career with an inside look at professional hockey and the heroes and stories that inspired him. From minor-hockey phenomenon to Hall of Fame sensation, Wayne Gretzky rewrote the record books, his accomplishments becoming the stuff of legend. Dubbed "The Great One," he is considered by many to be

the greatest hockey player who ever lived. No one has seen more of the game than he has—but he has never discussed in depth just what it was he saw. For the first time, Gretzky discusses candidly what the game looks like to him and introduces us to the people who inspired and motivated him: mentors, teammates, rivals, the famous and the lesser known. Weaving together lives and moments from an extraordinary career, he reflects on the players who inflamed his imagination when he was a kid, the way he himself figured in the dreams of so many who came after; takes us onto the ice and into the dressing rooms to meet the friends who stood by him and the rivals who spurred him to greater heights; shows us some of the famous moments in hockey history through the eyes of someone who regularly made that history. Warm, direct, and revelatory, it is a book that gives us number 99, the man and the player, like never before.

ABRAMS

Take a fun look back at Quacker Oats, Blisterine, and more classic packaging parodies—plus an interview with creator Art Spiegelman! Known affectionately among collectors as “Wacky Packs,” the Topps stickers that parodied well-known consumer brands were a phenomenon in the 1970s—even outselling the Topps Company’s baseball cards for a while. But few know that the genius behind it all was none other than Art Spiegelman—the Pulitzer Prize-winning graphic novelist who created *Maus*. This treasury includes an interview with Spiegelman about his early career and his decades-long relationship with the memorabilia company—as well as a colorful compendium that will bring back memories of such products as Plastered Peanuts, Jail-O, Weakies cereal, and many more. Illustrated by notable comics artists Kim Deitch, Bill Griffith, Jay Lynch, Norm Saunders, and more, this collection is a visual treat, a load of laughs, and a tribute to a beloved product that’s been delighting kids (and adults) for decades.

**Beckett Baseball Card Price Guide** Little Brown & Company  
The number one recognized source for prices and the most valuable information from the nation's most trusted expert, this book includes more than 290,000 prices listed. Illustrated throughout.

*Wacky Packages* Beckett Hockey Price Guide #31

The 21st edition of this popular guide includes virtually every football card ever produced. Highlights prices and listings of cards featuring players and teams, both college and professional, from 1894 to present. Also includes coverage of autographs, collectible programs, starting lineups and more.

*Beckett Baseball Card Price Guide #42* Beckett Media

In Fantagraphics’ ceaseless effort to rediscover every world-class cartoonist in the history of the medium, we turn your attention to a neglected part of the art form—sports cartooning—and to its greatest practitioner—Willard Mullin. The years 1930-1970 were the Golden Age of both American sports and American comic strips, when giants strode their respective fields—Babe Ruth, Lou Gehrig, and Hank Aaron in one, George (Krazy Kat) Herriman, Milton (Steve Canyon) Caniff, Walt (Pogo) Kelly in the other—and Mullin was there, straddling both fields, recording every major player and event in the mid-20th-century history of baseball. Mullin was to baseball players what Bill Mauldin was to soldiers: advocate and critic, investing them with personality, humanity, dignity, and poignancy; Mauldin had Willie & Joe and Mullin had the Brooklyn Bum, his affectionate 1939 character representing the bedraggled figure of the Brooklyn Dodgers. Willard Mullin’s *Golden Age of Baseball: Drawings 1934-1972* collects for the first time Mullin’s best drawings devoted to baseball—depictions of players like Joe DiMaggio, Ted Williams, Yogi Berra, and Sandy Koufax, legendary managers like Casey Stengel and George

Steinbrenner, and events like Lou Gehrig’s emotional retirement speech on July 4, 1939, for which Mullin not only drew a portrait but composed a poem (which he often incorporated into his cartoons). Mullin’s fluid line and delicate but vigorous brushwork are shown to beautiful effect, with many drawings reproduced from original art. See why millions of baseball fans from the ’30s to the ’70s looked forward to Mullin’s cartoons in their daily paper.

Part 1 Signal Books

Still one of the most comprehensive books on die-cast cars available anywhere, this reference includes up-to-date information on pricing, driver listings, and every racing card ever issued for NASCAR, IndyCar, Formula One, NHRA, and Sprint Cars.

99: Stories of the Game Beckett Publications

"True tales! From 59 of your favourite players"--Cover.

Beckett Official Price Guide to Hot Wheels Beckett Media

*2010 Edition* Beckett Media

This book includes more than 15,000 player names checklisted in alphabetical order. Features listings for Troy Aikman to Jim Zorn and every player in between. It's the perfect resource for individual player and team collectors. Includes alphabetical player listings for virtually every card set produced since 1894, with special cross-reference by college affiliation. Oddball items, like food card issues, stickers and bottle caps are included, too!  
Official Price Guide to Hockey Cards 1998 Fantagraphics Books  
"An entertaining history of baseball cards . . . An engaging book on a narrow but fascinating topic" (The Washington Post). When award-winning journalist Dave Jamieson’s parents sold his childhood home a few years ago, he rediscovered a prized boyhood possession: his baseball card collection. Now was the time to cash in on the “investments” of his youth. But all the card shops had closed, and cards were selling for next to nothing online. What had happened? In *Mint Condition*, his fascinating, eye-opening, endlessly entertaining book, Jamieson finds the answer by tracing the complete story of this beloved piece of American childhood. Picture cards had long been used for advertising, but after the Civil War, tobacco companies started slipping them into cigarette packs as collector’s items. Before long, the cards were wagging the cigarettes. In the 1930s, cards helped gum and candy makers survive the Great Depression. In the 1960s, royalties from cards helped transform the baseball players association into one of the country’s most powerful unions, dramatically altering the game. In the ’80s and ’90s, cards went through a spectacular bubble, becoming a billion-dollar-a-year industry before all but disappearing, surviving today as the rarified preserve of adult collectors. *Mint Condition* is charming, original history brimming with colorful characters, sure to delight baseball fans and collectors. “Jamieson explores the history of card collecting through an entertaining cast of characters . . . For anyone who can recall being excited to rip open their newest pack of cards, *Mint Condition* is a treat.”  
—Forbes

**Hockey Card Stories** Willowdale, Ont. : Firefly Books

"Complete checklists and pricing for every important football card set from 1894 to early 2018; hundreds of new sets added and more than 75,000 new cards priced in this edition; complete checklists for all included card sets; values for individual cards
