Quick, daily classroom lessons for improving students' grammar and writing skills This must-have resource features 180 practical, ready-to-use grammar and usage lessons and activities—one for each day of the school year. The activities included help students in grades 5-12 to acquire, improve, and expand their grammar skills, and become more adept and confident writers. Veteran educator and best-selling author Jack Umstatter helps teachers to familiarize students with the type of grammar-related content found on standardized local, state, national, and college admissions tests. Includes ready-to-use, yet comprehensive and authoritative activities for use as sponge activities, extra homework, or regular daily lessons Reproducible lessons are designed to be non-intimidating and clear for students Other titles by Umstatter include Grammar Grabbers!, 201 Ready-to-Use Word Games for the English Classroom, Brain Games!, and Got Grammar? Tips for educators on how to best utilize each specific topic or lesson are included for easy classroom instruction.

Notes and Queries New Saraswati House India Pvt Ltd

If you are training to be a primary school teacher, you will be learning about teaching grammar. As well as the important subject knowledge, you need to know what effective teaching of grammar in primary schools actually looks like. As many teachers themselves express a lack of confidence in their

own knowledge of grammar, where do you find exemplar lessons? This book provides them. It features examples of lessons in teaching primary grammar as a starting point for learning. It explores the theory behind them, how they can be adapted to suit different year groups and different schools, and how you can learn from them to develop your subject and teaching knowledge. All of the lessons included have been tried and tested in the classroom and successfully contributed to children's knowledge and understanding of grammatical concepts. This text will help you to teach grammar in an effective and meaningful way. It will support students to plan and teach lessons that motivate, engage and inspire their pupils to use grammar not only accurately but also creatively to produce writing that is fluid, cohesive and purposeful. A note from the authors The lesson examples included in this book have all been tried and tested in the classroom and have successfully contributed to children's knowledge and understanding of grammatical concepts. A key feature of these lesson examples is that they build upon children's prior knowledge and their interests. They are not intended to be seen as a 'quick fix' to meet the requirements of English in the National Curriculum. Knowledge about grammar usage should lead to greater understanding of how we can manipulate words and sentences to create particular effects that will touch the heart of the reader. The intention is not to produce a generation of grammar pedants who apply rules and dissect texts in such a way as to destroy its very essence. By teaching grammar within meaningful contexts your lessons will motivate, engage and inspire your pupils to use grammar not only accurately but also creatively to produce writing that is fluid, cohesive and purposeful. We have provided a great deal of background information so that you are able to situate the learning within a contextual framework; however, our ideas and examples can be easily adapted to suit the needs of your learners. The pedagogies associated with the teaching of grammar remain consistent but the suggested games and activities used to

consolidate and apply learning are easily transferable. Whilst reading, you may have identified ways in which you can adapt the lessons to teach other aspects of grammar or changed the focus of the learning objective to reflect the demands of your classroom best. In the same way that we expect children to use grammar creatively to address their purpose, we would anticipate that you use the guidance contained in this book to address your purpose.

Grammar is an essential element of language learning. Yet it can be hard to teach and difficult to learn. Oxford surveyed over one thousand teachers to find out the biggest challenges facing grammar students. Elements of Success solves those challenges. Level-appropriate charts explain grammar in a clear, simple and highly visual way so that students can readily understand and review the grammar points. The charts have easy-to-understand explanations, manageable sections, and effective use of color making them accessible. Many of the grammar charts include common student errors. Grammar activities point students back to specific sections of the charts, so they know exactly where to look for help. The content is engaging, relevant, and meaningful, capturing students' interest. All the charts, activities, information and pronunciation notes use authentic, corpus-based language based on the 2-billion word Oxford English Corpus so that students learn grammar as it is most likely to be used by a native speaker. Additional Research Says notes, For Your Information notes, and Pronunciation notes throughout Elements of Success provide students with interesting, useful information. Extensive practice activities ensure students retain their learning, reducing time spent re-teaching the same grammar points. Students are given multiple ways to use the grammar so that they can not only remember it, but are able to apply it. All the grammar practice activities can be adapted to the unique needs of the students and of the classroom. Think about It, Write about It and Talk about It activities are flexible, open-ended activities which integrate listening, speaking, reading, and writing skills, and engaging topic-based activities put grammar in context. Four-skills practice and critical thinking empower students to use language creatively and develop comprehensive language abilities. Elements of Success also allows students to practise anytime, anywhere through Elements Online Practice Plus. This easy-to-use site, designed specifically for English Language learners, provides students with all new practice activities and interactive games. Automatic feedback not only gives the right answers but explains why the answers are correct. The integrated discussion board and email tools allow students to communicate with one another. The Online Practice site includes the grammar charts, audio downloads of all the student book audio, and progress reports to show what students have mastered and what they still need help with. The comprehensive teacher's resources for Elements of Success include an easy-to-use learning management system which allows teachers to monitor their students' performance and communicate with their students online. Teachers can download all the resources, including student book answer keys, teaching notes, class audio, and audio scripts. Tests are available in a variety of formats to suit every classroom's unique needs. Teachers can assign automatically-scored online tests or download print-and-go tests or customizable tests. Elements iTools Online enriches students' learning experience and reduces teachers' lesson planning time. Student book on screen engages students with "heads up" instruction, and pop-up photos illustrate grammar points in context and support instruction. On-screen expansion activities promote classroom engagement. Also included are general teaching notes to guide instruction, audio at point of use, extra audio, additional grammar presentations, and links taking you directly to Online Practice.

"This fun, flexible and accessible photocopiable business English resource book contains 43 games and activities. The material is mainly functional, focusing on the most commonly practised functions on the business English syllabus. This means that the book can be used to complement a wide range of business English courses. It provides learners with an opportunity to practise relevant language and communication skills in a variety of business situations. It is aimed mainly at adult students who work in a business context and need English at work, or pre-experience learners who plan to enter the business world and use English there. Although designed mainly for lower to upper-intermediate level students, the user-friendly teaching notes mean many of the activities can be easily adapted for use with elementary or more advanced students."--Publisher's description.

Trieste Publishing has a massive catalogue of classic book titles. Our aim is to provide readers with the highest quality reproductions of fiction and non-fiction literature that has stood the test of time. The many thousands of books in our collection have been sourced from libraries and private

collections around the world. The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original. Our readers see the books the same way that their first readers did decades or a hundred or more years ago. Books from that period are often spoiled by imperfections that did not exist in the original. Imperfections could be in the form of blurred text, photographs, or missing pages. It is highly unlikely that this would occur with one of our books. Our extensive quality control ensures that the readers of Trieste Publishing's books will be delighted with their purchase. Our staff has thoroughly reviewed every page of all the books in the collection, repairing, or if necessary, rejecting titles that are not of the highest quality. This process ensures that the reader of one of Trieste Publishing's titles receives a volume that faithfully reproduces the original, and to the maximum degree possible, gives them the experience of owning the original work. We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality, but also providing value to every one of our readers. Generally, Trieste books are purchased singly - on demand, however they may also be purchased in bulk. Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates.

English Grammar Ernst Klett Sprachen

Versatile Vocabulary: Games for enhancing vocabulary Versatile Vocabulary has been specially created to encourage students, through games, to use vocabulary in a variety of ways: defining words, using words in sentences, spelling words, acting out words, changing word forms and generating new words. The vocabulary has been carefully chosen from various concordances of the most frequently used words. It is vocabulary that ESL/EFL students need to know, and for most of the games, templates have been provided that allow teachers to customize games to practise their own target vocabulary. Key Features 21 photocopiable games featuring the words most frequently used by English speakers Teacher's notes for each game, with suggested variations to the game Templates for teachers and students to create their own versions
