From pub open mic gigs to headlining at Madison Square Garden and performing with the likes of Sir Elton John and Taylor Swift, Ed Sheeran has conquered the world. Self-described as a 'spotty, chubby, ginger teenager' with a love for Damien Rice and Nizlopi, Ed Sheeran was never an obvious bet to become a global superstar. And yet that's exactly what he's achieved, winning plenty of awards (and hearts) along the way. But how did a young musician go from selling CDs from his rucksack to becoming the millennial record-breaking

international stadium act? Tracing his story from his bohemian childhood in Yorkshire and Suffolk to the release of his third album *Divide*, music journalist David Nolan chronicles Sheeran's musical life and times. Featuring exclusive interviews with friends, relatives, musical collaborators and key figures in his rise to stardom, *Divide and Conquer* tells the story of how Ed Sheeran went from school drop-out to one of the world's most successful musicians.
