Faith of the Fallen RosettaBooks
 Terry Goodkind returns to the lives of
 Richard Rahl and Kahlan Amnell—in *The
 Third Kingdom*, the direct sequel to his #1
 New York Times bestseller *The Omen
 Machine*. Richard saw the point of a sword
 blade sticking out from between the man's
 shoulder blades. He spun back toward
 Richard after throwing the woman out the
 opening, ready to attack. It seemed

impossible, but the man looked unaffected
 by the blade that had impaled him through
 the chest. It was then, in the weak light
 from the fire pit off to the side, that
 Richard got his first good look at the killer.
 Three knives were buried up to their brass
 cross-guards in the man's chest. Only the
 handles were showing. Richard saw, too,
 the broken end of a sword blade jutting
 out from the center of the man's chest.
 The point of that same blade stuck out
 from the man's back. Richard recognized
 the knife handles. All three were the style
 carried by the men of the First File. He
 looked from those blades that should have
 killed the big man, up into his face. That
 was when he realized the true horror of
 the situation, and the reason for the
 unbearable stench of death. At the

 pulled the mask off the myths and magics
 of a fantastical city. Krona and her
 Regulators survived their encounter with
 Charbon, the long-dead serial killer who
 returned to their city, but the illusions of
 their world were shattered forever. Allied
 with the healer Melanie they will battle the
 elite who have ruled their world with
 deception, cold steel, and tight control of
 the magic that could threaten their power,
 while also confronting beasts from beyond
 the foggy barrier that binds their world.
 Now they must follow every thread to
 uncover the truth behind the Thalo, once
 thought of as only a children's tale, who
 are the quiet, creeping puppet masters of
 their world. At the Publisher's request, this

Temple of the Winds Vintage

Compelling, fast-moving, and intense, *The Third Kingdom* is a powerful tale that welcomes new readers to Terry Goodkind's world, while opening up new vistas of worldbuilding for longtime readers of the adventures of Richard Rahl and Kahlan Amnell. The bloodthirsty Jit is dead, and against all odds Richard and Kahlan have survived. But a new menace has attacked them in the Dark Lands. Infected with the essence of death itself, robbed of his power as a war wizard, Richard must race against time to uncover and stop the infernal conspiracy assembling itself behind the wall far to the north. His friends and allies are already captives of this fell combination, and Kahlan, also touched by death's power, will die completely if Richard fails. Bereft of magic, Richard has only his sword, his wits, his capacity for insight -- and an extraordinary companion, the young Samantha, a healer just coming into her powers.

Soul of the Fire Tor Books

'We have all caught fleeting glimpses of them: the monster under the bed, the dark shadow just out of sight, the knot of unexpected terror in the pit of your stomach' - Kahlan Amnell. The world has been forged anew. Tyranny vanquished, the breach between the living and the dead healed, the stars themselves realigned. It is the triumph Richard Rahl and his wife Kahlan Amnell fought so hard, over so many years, for. Ruling a vast realm encompassing lands and peoples unknown, they have vowed to bring a golden age of peace to a world shattered by terror and war. What Richard does not expect is a demand for his immediate, unconditional surrender. Not of D'Hara, but of the entire world... *The Scribbly Man* is the first episode in Terry Goodkind's new serial novel, *The Children of D'Hara*. Told in irresistibly intense instalments, this is the story of a world confronted by an apocalyptic nightmare. If you've read Terry Goodkind before, welcome back. If you haven't, there's no better place to start than here. 'I want to introduce everyone to *THE CHILDREN OF D'HARA*, a new series that continues the story of the lives of Richard and Kahlan. This is a journey that began 25 years ago with the

1994 release of *WIZARD'S FIRST RULE*, when Richard first met Kahlan that fateful day in the Hartland woods. After the *Sword of Truth* series ended, I knew there was more to Richard and Kahlan's story. Much more. A whole world more. For years, readers have asked me about Richard and Kahlan's lives after the *Sword of Truth* series... and importantly, about their children. While my masterwork, *Sword of Truth*, concluded with *WARHEART* - 20 languages and 26 million books sold - I was burning to tell readers more about Richard and Kahlan. For that reason, this new series starts immediately after the 'Sword of Truth' books ended. Without skipping a beat, readers will plunge back into Richard and Kahlan's lives, with new episodes releasing every three months. So it is that I want to welcome you all back into the *Sword of Truth* world with many of the characters besides Richard and Kahlan, such as the Mord-Sith, that we have come to love. Learn what the star shift has done to their world and what monsters now lurk in shadows. I promise an arresting, beautiful, and sometimes tragic adventure that will keep you glued to this irresistible story.' - Terry Goodkind.
