 OVERVIEW This is the  
 seventh edition of the  
 AASHTO Roadway  
 Lighting Design Guide,  
 with the sixth edition  
 having been published in  
 October 2005. This  
 seventh edition has been  
 revised to reflect current  
 practices in roadway  
 lighting and ultimately  
 replaces the 1984  
 publication entitled An  
 Informational Guide for  
 Roadway  
 Lighting.AASHTO GL :  
 Roadway Lighting Design  
 GuideRoadway Lighting

Design Guide, 7th Edition  
 This is the seventh edition  
 of the AASHTO Roadway  
 Lighting Design Guide. It  
 has been revised to  
 reflect current practices in  
 roadway lighting. This  
 guide provides a general  
 overview of lighting  
 systems from the point-of-  
 view of state  
 transportation  
 departments and  
 recommends minimum  
 design  
 parameters.Roadway  
 Lighting Design Guide, 7th  
 EditionThis guide replaces  
 the 1984 publication

entitled, An Informational Guide for Roadway Lighting. It has been revised and brought up to date to reflect current practices in roadway lighting. The guide provides a general overview of lighting systems from the point of view of the transportation departments and recommends minimum levels of quality. AASHTO GL - Roadway Lighting Design Guide | Engineering360 The second new item is the 7th edition of the AASHTO Roadway Lighting Design Guide, which has been revised to reflect current practices in roadway lighting. This guide provides a general overview of lighting systems from the point-of-view of state DOTs and recommends minimum design parameters. AASHTO Releases Two New Publications and an Update ...It has been revised and brought up to date to reflect current practices in roadway lighting, AASHTO Roadway Lighting Design Guide The guide provides a general overview of lighting systems from the point of view of the transportation departments and recommends minimum

levels of quality. AASHTO Roadway Lighting Design Guide - Engineering Book ...It is meant to provide guidance to designers and State, city, and town officials concerning the application of roadway lighting. [Publication No. FHWA-SA-11-22] AASHTO Roadway Lighting Design Guide This document is being updated. The October 2005 document is available for purchase from AASHTO here. Nighttime Visibility - Safety | Federal Highway Administration Roadway Lighting Design Guide, 7th Edition - October 2018 Guidelines for Value Engineering, 4th Edition - April 2017 Manual For Assessing Safety Hardware, 2nd Edition (MASH) - November 2016 Transportation.org - RECENT AASHTO PUBLICATIONS Present the design report in the format shown by the sample design reports in Section 5.12. Sources of reference in addition to this Manual are: • AASHTO-Current Roadway Lighting Design Guide. • AASHTO-Standard Specifications for Structural Supports for Highway Signs, Luminaires, and Traffic Signals. • LIGHTING - dot.state.pa.us Warrants were modified to more

closely follow the AASHTO Roadway Lighting Design Guide.
