From one of Japan's most accomplished artists comes this new graphic novel, the unsettling saga of twin sisters born one dark and stormy night in Tokyo: one normal, and one a demon baby with a taste for blood - a Hell Baby. Tossed into a garbage dump, Hell Baby dies in the plastic bag but is brought back to life by an unworldly bolt of lightning. Hell Baby develops hard-earned hunting techniques to survive life among the wild animals who roam the garbage dump. After struggling along for seven years, she seeks revenge for her fate and returns to the city, where she applies her hunting skills for survival - this time against the good citizens of Tokyo.
