In 1801, some five years after Robert Burns' death, nine of his friends sat down to dinner in what is now known as Burns Cottage in Alloway to celebrate his extraordinary life and to give thanks for his friendship. Over the years the informal theme from that evening has developed into the ritual known as Burns Night. This best-selling book is the essential guide for anyone intending to hold or attend a Burns Night of any size. In addition to setting out the order of events for the evening, the Burns Supper Companion also offers fascinating insights into the traditions surrounding Burns Night. Nancy Marshall has spent a large part of her life living and working in Edinburgh. She read English Literature and Medieval History at Edinburgh University, going on to write widely about Scottish song and the poems and songs of Robert Burns.

Robert Burns was by far and away the most iconic figure in nineteenth-century Scotland. Multiple editions of his works poured incessantly from the presses. Unprecedentedly large crowds gathered to commemorate him at huge festivals and at the unveiling of memorials. His work was at the heart of the palpable rise of Scottish-ness that swept Scotland from the 1840s through to the First World War, including demands for Home Rule. If Walter Scott imagined Scotland, Burns shaped it. He gave ordinary Scots in what had been one of the most socially uneven societies in Europe a sense of self-worth and dignity, and underpinned demands for political and social justice. In this major new book, Christopher Whatley describes the several contests there were to 'own' - and mould - Burns, from Tories through Radicals to middle-class urban improvers. But the Kirk condemned Burns as the Antichrist, deplored the Burns cult ('Burnomania') - a slur on a nation that

prided itself on its strict Presbyterian inheritance. The result is a fascinating picture of the role Burns played after his death in shaping multiple facets of Scottish society.

Burns Night: A Freestyle Guide Independently Published

This annual celebration of the life and works of the poet Robert Burns is held in Scotland and across the globe around the anniversary of the poet's birthday in the form of a convivial dinner with particular, some may say peculiar, ritual traditions. When the Reverend Hamilton Paul agreed to arrange the first anniversary dinner for Robert Burns' patrons and friends in July 1801, he began a tradition that quite soon became a global celebration. Over two hundred years later, Burns Suppers are held all over the world to commemorate the life and work of a poet beloved wherever people celebrate life, love and liberty. From its beginning with nine Scotsmen in Burns Cottage, to today, where over nine million people join in the Burns Supper festivities, from the USA to Russia, Australia to China, and somewhere near you. The long and happy story of Burns Night is explored in this history of the annual event which has been called 'the biggest party in the world'.

Robert Burns is Scotland's greatest cultural icon. Yet, despite his continued popularity, critical work has been compromised by the myths that have built up around him. McQuirk focuses on Burns's poems and songs, analysing his use of both vernacular Scots and literary English to provide a unique reading of his work.

Today the images of Robert Burns and Abraham Lincoln are recognized worldwide, yet few are aware of the connection between the two. In *Abraham Lincoln and Robert Burns: Connected Lives and Legends*, author Ferenc Morton Szasz reveals how famed Scots poet Robert Burns—and Scotland in general—influenced the life and thought of one of the most beloved and important U.S. presidents and how the legends of the two men became intertwined after their deaths. This is the first extensive work to link the influence, philosophy, and artistry of these two larger-than-life figures. Lacking a major national poet of their own in the early nineteenth century, Americans in the fledgling frontier country ardently adopted the poignant verses and songs of Scotland's Robert Burns. Lincoln, too, was fascinated by Scotland's favorite son and enthusiastically quoted the Scottish bard from his teenage years to the end of his life. Szasz explores the ways in which Burns's portrayal of the foibles of human nature, his scorn for religious hypocrisy, his plea for nonjudgmental tolerance, and his commitment to social equality helped shape Lincoln's own philosophy of life. The volume also traces how Burns's lyrics helped Lincoln develop his own powerful sense of oratorical rhythm, from his casual anecdotal stories to his major state addresses. Abraham Lincoln and Robert Burns connects the poor-farm-boy upbringings, the quasi-deistic religious views, the shared senses of destiny, the extraordinary gifts for words, and the quests for social equality of two respected and beloved world figures. This book is enhanced by twelve illustrations and two appendixes, which include Burns poems Lincoln particularly admired and Lincoln writings especially admired in Scotland.

This second work of Norman Watters continues his study into the life and times of Robert Burns. He writes about the political, religious and social climate in the days of Robert Burns, showing that the harsh reality of the poet's eighteenth-century existence was contrasted sharply with his sensitive and poetic nature. Indeed it was Burns' perceptive and astute nature which led him to write some of the best known poems, which are still in popular use today. The Burns Supper is a tribute to Burns the man and the poet, and is also a remembrance of the things that Burns himself held dear: his beloved Scotland, the companionship of others and the fun involved in an evening full of songs and jest. Norman Watters shows that the Burns Supper is a real and thriving yearly celebration which takes place not only all over Scotland, but by Scottish people all over the world. The reader is instructed on exactly how to perform a Burns Supper: translations of old Scots words, how to bake a haggis and exactly which traditional songs which have been used in Burns Suppers over the centuries. Two of Norman's own Burns Suppers are detailed here, one in Adelaide, Australia and one in his native Bowhill Burns Club in Scotland. The speeches, toasts, songs and jibes give the reader a peep into a real Burns Supper, and also an insight into Norman Watters himself, a true Burns man.

The Immortal Memory remains the centrepiece of the traditional Burns Supper and although that rite might be seen by some to have had its day, the "Immortal Memory" itself still retains its importance and prestige to Burns lovers all over the world. It is an honour to be invited to present this toast and it is to honour this status and to further respect its subject that Dr Cairney's third book on Burns is devoted to his "Immortal Memory". The extraordinary thing is that the contributors, while dealing with the same man, all appear to see him so differently, but what they all still have in common is a love and admiration for the man and his work. This is the factor that makes Burns unique, that he has the same appeal for so many different kinds of people.
