"Tantra: Sex for the Soul"
humbly aims to go where
no book of Tantra has

gone before. For those who know nothing about Tantra, this book is bound to profoundly change your life. For those who have started down the path, it will deepen and enhance your knowledge. This perfect system - conceived with so much insight and wisdom thousands of years ago - is presented in a practical, step-by-step approach that guides newcomers as well as more experienced practitioners to reach a coherent understanding of sexual Tantra. "Tantra: Sex for the Soul" reveals

all the tips and secrets to realize accurate practice, the remarkably multiorgasmic horizons that await, and Tantra's exceptional potential for health, healing, and higher consciousness. While in today's environment of neo-Tantra, the spiritual aspects of this system have become lost and superseded by the spectacular sexual results of tantric practice, "Tantra: Sex for the Soul" does not waver from its commitment to a sacred approach that honors the

revelations of the authentic Indian and Tibetan tantric traditions. This book - supplemented with many personal testimonials - guides the reader through the ins and outs of all aspects of Tantra: fundamental principles, energy and its control, sexology, men's and women's issues, individual training and techniques, relationships, lifestyle, tantric massage, and much more. Genuine in his commitment to share this lineage with modern seekers, Somananda Moses

Maimon provides readers with one of the most comprehensive books available on this subject. You are hereby invited to explore the mysteries of Tantra - an invitation to discover the soul-touching depths of your own being and the beautiful heights of ecstasy accessible to everyone.

"El Tantra dice: Acepta lo que eres. Eres un gran misterio y muchas energías multidimensionales. Acéptalo, y con cada

energía muévete con profunda sensibilidad, con conciencia, con amor, con comprensión. ¡Muévete con ello! Entonces cada deseo se convierte en un vehículo para ir más allá. Entonces cada energía es una ayuda. Entonces este mundo es divino, este cuerpo se convierte en un templo, un templo sagrado, un lugar sagrado." OSHO

 Tantra—often associated with Kundalini Yoga—is a fundamental dimension of Hinduism, emphasizing the cultivation of "divine power" (shakti) as a path to infinite bliss. Tantra has been widely misunderstood in the West, however, where its practices are often confused with eroticism and licentious morality.

Tantra: The Path of Ecstasy dispels many common misconceptions, providing an accessible introduction to the history, philosophy, and practice of this extraordinary spiritual tradition. The Tantric teachings are geared toward the attainment of enlightenment as well as spiritual power and are present not only in Hinduism but also Jainism and Vajrayana Buddhism. In this book, Georg Feuerstein offers readers a clear understanding of authentic Tantra, as well

as appropriate guidance for spiritual practice and the attainment of higher consciousness.

Tantra is a powerful buzzword. But like most buzzwords, it has been misrepresented and bathed in sensationalism, and its original intention and power were forgotten. This book intends to change that. This is the Tantric Resurrection. Despite often being mistakenly seen as "spiritual sex," Tantra is actually a vehicle for

transformation, transcendence, and integration-and it should be presented as such, without distortion, secret information, hidden practices, or superfluous teachings. This work is not about the westernized, sexualized, modern branch of Tantra, nor about the scholarly, intellectual, more complex branch typically found in large, dense books, often written by translators or pundits. *Tantra Exposed* presents a revolutionary way of approaching and using

Tantra to overcome suffering, transcend your current limits, and experience the ecstatic bliss and wholeness inherent in your true nature; it guides you toward complete fulfillment. The wisdom infused in this accessible, deep, and fascinating book offers you powerful and effective tools that are much more than just instructions—they guide you to awaken and embody your highest potential; they uproot, purify, and transform your beliefs, blockages, and

negative conditioning into freedom. What you will find in the book: The demystification and discovery of the real meaning and purpose of Tantra. Paradigm-breaking insights regarding Tantric Initiation, Shaktipat, and the external and internal Guru. The truth about the Left-Hand Path and the "sexualization" of Tantra. The profound relationship between Kundalini, Tantra, and Enlightenment. Straightforward transformative guidance,

transcendental Tantric Sadhana, and remarkable integrative wisdom found nowhere else. Comprehensive instructions on how to dissolve the residual "smoke-like" feeling of having a body even after you've already extinguished the illusory "mayic fire." The complete unveiling of the Non-dual dimension of Tantra and how to fully embody it through Spiritual Immanence. And much more. There comes a moment in your life when your desire for

completeness expands past conventional seeking; when you feel a calling to explore beyond the known and visible. If you are reading this book, then chances are that such a yearning has already been awakened. If so, then this is your book. Let's unfold Tantra together. In this book, Patton E. Burchett offers a path-breaking genealogical study of devotional (bhakti) Hinduism that traces its understudied historical relationships with tantra, yoga, and Sufism. Beginning in India's early medieval "Tantric Age" and reaching to the present day, Burchett focuses his analysis on the crucial

shifts of the early modern period, when the rise of bhakti communities in North India transformed the religious landscape in ways that would profoundly affect the shape of modern-day Hinduism. A Genealogy of Devotion illuminates the complex historical factors at play in the growth of bhakti in Sultanate and Mughal India through its pivotal interactions with Indic and Persianate traditions of asceticism, monasticism, politics, and literature. Shedding new light on the importance of

Persian culture and popular Sufism in the history of devotional Hinduism, Burchett's work explores the cultural encounters that reshaped early modern North Indian communities. Focusing on the Rāmānandī bhakti community and the tantric Nāth yogīs, Burchett describes the emergence of a new and Sufi-inflected devotional sensibility—an ethical, emotional, and aesthetic disposition—that was often critical of tantric and yogic religiosity. Early modern North Indian

devotional critiques of tantric religiosity, he shows, prefigured colonial-era Orientalist depictions of bhakti as “religion” and tantra as “magic.” Providing a broad historical view of bhakti, tantra, and yoga while simultaneously challenging dominant scholarly conceptions of them, *A Genealogy of Devotion* offers a bold new narrative of the history of religion in India. *A Practical Guide to the Way of Action* Llewellyn Worldwide

In 1838, Choying Tobden Dorje, a yogin and scholar of northeastern Tibet, completed a multivolume masterwork that traces the entire path of the Nyingma tradition of Tibetan Buddhism from beginning to end. Written by a mantra practitioner

for the benefit of mantra practitioners living among the lay community, it was intended to be informative, inspirational, and above all, practical. Its twenty-five books, or topical divisions, offer a comprehensive and detailed view of the Buddhist path according to the early translation school of Tibetan Buddhism, spanning the vast range of Buddhist teachings from the initial steps to the highest esoteric teachings of great perfection. Choying Tobden Dorje’s magnum

opus appears in English here for the first time. Books 15 to 17: The Essential Tantras of Mahayoga is presented in two volumes and concerns the first of the three classes of inner tantra. It presents the entire text of the Guhyagarbha Tantra, in Tibetan and English, together with the interlinear sections of one of its most important commentaries, *Dispelling the Darkness of the Ten Directions*, by the outstanding fourteenth-century master Longchen

Rabjam. Also included is Choying Tobden Dorje's rewriting of Candragomin's inspirational *Extensive Commentary on the Sublime Litany of the Names of Manjushri*. **A Vision of Totality** Motilal Banarsidass Publ. Using his own unique blend of wisdom and humour, Osho talks about the mystical insight of Tantra that is to be found in these ancient

writings. It is a refreshing perspective from one of the most provocative spiritual teachers of our time and introduces some difficult concepts to the widest possible audience.
