Learn vocabulary, terms, and more with flashcards, games, and other study tools.ACS

Biochemistry Final Flashcards | QuizletThe 2017 Biochemistry Exam has same feature as BC12. While there are 60-items total, the test is divided into a set of 40 items that comprise the core and an additional 20 items with more advanced concepts tested. This design will allow for two sets of norms to be calculated (which is why the test has two listing here).2017
