**Neil Young FAQ** Booksllc.Net

Based on the massively popular Web site [thisdayinmusic.com](http://thisdayinmusic.com), this extraordinary day-by-day diary recounts the musical firsts and lasts, blockbuster albums and chart-topping tunes, and other significant happenings on each of the 365 days Of the year.

**This Day in Music** Alfred Publishing Company

A guide to the music of Crosby, Stills, Nash

and Young. It seeks to examine every recorded song in their catalogue to date, and acts as a consumer's critical guide. Shaped like a CD box, it is designed to sit alongside the reader's existing CD collection.

*The Visual Documentary* Simon and Schuster

Published to coincide with the 25th anniversary of Woodstock, here is the explosive memoir of Crosby, Stills, Nash, and Young's drummer. From his Woodstock appearance to his descent into heroin addiction to his eventual, triumphant recovery, Taylor takes readers through his own story--and that of an entire generation.

*Music to Change the World* Warner Bros Publications

"A must for CSNY fans." —Kirkus Reviews, starred review The first ever biography

focused on the formative and highly influential early years of "rock's first supergroup" (Rolling Stone) Crosby, Stills, Nash, and Young—when they were the most successful, influential, and politically potent band in America—in honor of the fiftieth anniversary of Woodstock and the formation of the band itself. 1969 to 1974 were true golden years of rock n' roll, bookmarking an era of arguably unparalleled musical power and innovation. But even more than any of their eminent peers, David Crosby, Stephen Stills, Graham Nash, and Neil Young channeled and broadcast all the radical anger, romantic idealism, and generational angst of their time. Each of the members had already made their marks in huge bands (The Hollies, Buffalo Springfield, The Byrds), but together, their harmonies were transcendent. The vast

emotional range of their music, from delicate acoustic confessionals to raucous counter-culture anthems, was mirrored in the turbulence of their personal lives. Their trademark may have been vocal harmony, but few—if any—of their contemporaries could match the recklessness of their hedonistic and often combative lifestyles, when the four tenacious, volatile, and prodigal songwriters pursued chemical and sexual pleasure to life-threatening extremes. Including full color photographs, CSNY chronicles these four iconic musicians and the movement they came to represent, concentrating on their prime as a collective unit and a cultural force: the years between 1969, when Woodstock telegraphed their arrival to the world, and 1974, when their arch-enemy Richard Nixon was driven from office, and the band (to quote Graham Nash himself) “lost it on the highway.” Even fifty years later, there are plenty of stories left to be told about Crosby, Stills, Nash, and Young—and music historian Peter Doggett is here to bring them to light in the meticulously researched CSNY, a quintessential and illuminative account of rock’s first supergroup in their golden hour for die-hard fans, nostalgic flower-children, and music history aficionados alike.

*The Crosby, Stills, Nash & Young Reader*  
Da Capo Press

Nineteen songs including: Carry On \* Country Girl \* 4 + 20 \* Guinevere \* Helpless \* Marrakesh Express \* Suite: Judy Blue Eyes \* Teach Your Children \* Wooden Ships and others.

*Songbook* Da Capo Press

Set against a backdrop of world-changing historical and political events, *Fire and Rain* tells the extraordinary story of one pivotal year in the lives and music of four legendary artists, and reveals how these artists and their songs both shaped and reflected their times. Drawing on interviews, rare recordings, and newly discovered documents, acclaimed journalist David Browne “allows us to see—and to hear—the elusive moment when the '60s became the '70s in a completely fresh way” (Mark Harris, author of *Pictures at a Revolution*).

**Crosby, Stills, Nash & Young** London : Omnibus Press

Includes: Helplessly Hoping \* Teach Your Children \* Marrakesh Express \* Heart of Gold \* Suite: Judy Blue Eyes \* Ohio.

*Wild Tales* Da Capo Press

Rising from the drug-infested streets of '80s New York City, the incomparable Sonic Youth recorded some of the most important albums in alternative music history and influenced an entire

generation of indie rockers. They helped spawn an alternative arts scene of underground films and comics, conceptual art, experimental music, even fashion. More than perhaps any band of their time, they brought art previously considered “fringe” into the mainstream - and irrevocably altered the cultural zeitgeist. Based on extensive research, exclusive band interviews, and unprecedented access to unreleased recordings and documents, *Goodbye 20th Century* is the definitive biography of the Velvet Underground of their generation.

*The New Best of Crosby, Stills, Nash and Young for Guitar* Rowman & Littlefield (Guitar Chord Songbook). 37 hits from the kings of rock harmonies, including: Almost Cut My Hair \* Carry On \* Chicago \* Dark Star \* Deja Vu \* Just a Song Before I Go \* Love the One You're With \* Marrakesh Express \* Our House \* Southern Cross \* Suite: Judy Blue Eyes \* Teach Your Children \* and more.

**Goodbye 20th Century (Large Print 16pt)** Hal Leonard Corporation

A founding member of the iconic bands Crosby, Stills, Nash & Young and the Hollies shares the story of his life from his youth in post-war England through his creative relationship with Joni Mitchell and his enduring career as a solo musician and political activist.

*A Life in Focus* Da Capo Press

Music legend, photographer, and artist Graham Nash reflects on more than fifty years of an extraordinary life in this extensive collection of personal photographs, paintings, and mixed-media artwork. In this curated collection of art and photography from his personal archive, Graham Nash’s life as a musician and artist unfolds in vivid detail. Best known as a founding member of the Hollies and supergroup Crosby, Stills & Nash, Graham developed a love of photography from the time he was a child. Inspired by his father, Nash began taking pictures at 10 years old and would go on to take his camera with him ever since—on tour with the Hollies and later CSN and CSNY, among friends at Laurel Canyon and abroad. Many of his photographs depict intimate moments with family and friends, among them Joni Mitchell, Stephen Stills, and Neil Young. This volume presents these images alongside Nash’s own reflections, telling the story behind the pictures and giving insight into the life of one of the greatest musicians of all time.

*Crosby, Stills, Nash and Young* Warner Bros. Publications

Collection contains clipping file.

*Four Way Street* Hal Leonard Corporation

Stephen Stills is one of the last remaining music legends from the rock era without a biography. During his six-decade career, he has played with all the greats. His career sky-rocketed when Crosby, Stills & Nash played only their second gig together at Woodstock in 1969. With the addition of Neil Young, the band would go on to play the first rock stadium tour in 1974. Stephen Stills is the only person to have been inducted twice in one night into The Rock and Roll Hall of Fame.

**Everything Left to Know About the Iconic and Mercurial Rocker** McFarland

Crosby, Stills & Nash created some of the most indelible songs and beautiful harmonies of the late 1960s and early 1970s: "Suite: Judy Blue Eyes," "Woodstock," "Teach Your Children." This copiously illustrated account of the trio's personal and musical history tells the story behind the songs. Longtime CSN chronicler Dave Zimmer, with the full cooperation of the band, traces all of the performers from their musical roots to their first song together in L.A.'s storied Laurel Canyon; from their addition of Neil Young to Woodstock; and through their stormy years of creative conflicts, reunions, and reconciliations. This edition celebrates the trio's 40th anniversary and includes over 300 photos.

Press & Schirmer Trade Books

"As a child, Bill Graham fled Europe to escape Hitler's armies. He grew up on the streets of New York and in the dining rooms of the hotels in the Catskills. After failing as an actor, he headed for San Francisco right before the Summer of Love where he founded the Fillmore and launched the rock icons of a generation--Janis Joplin, Otis Redding, Jefferson Airplane, Cream, the Grateful Dead, and more. He was a complex, caring, compassionate whirlwind of energy who rock stars either loved--or hated. In his own voice and those of the people who knew him--Jerry Garcia, Keith Richards, Grace Slick, Ken Kesey, Eric Clapton, Pete Townshend, and Carlos Santana--we hear Bill's story as well as the scoop on the major events in rock for more than three decades, ending with his tragic death in a 1991 helicopter crash. Gritty, moving, funny, and always fascinating, *Bill Graham Presents* is the inside story of the explosive and unforgettable man who created the business of rock" -- From Amazon.com.

*Singer-Songwriters and Cocaine Cowboys in the L. A. Canyons 1967-1976* Alfred Publishing Company

The Grateful Dead’s long, strange trip has been the subject of countless books—but

none like *So Many Roads*. Drawing on new interviews with surviving members and people in their inner circle along with previously unknown details gleaned from the group's extensive archives, David Browne, acclaimed music journalist and contributing editor at *Rolling Stone*, lends the Dead's epic story the vivid feel of a novel. He sheds new light on the band's beginnings, music, dynamics, and struggles since Jerry Garcia's death in 1995. No longer dismissed as relics of the hippie era, a new generation has lionized the Dead for creating a culture that paved the way for social networking, free music swapping, and the uncompromising anti-corporate attitude of indie rock. Now, fifty years after the band first began changing rock 'n' roll—both sonically and psychically—*So Many Roads* paints the most vivid portrait yet of the Grateful

Dead, one of the most enduring institutions in American music and culture. *Crosby, Stills, Nash & Young This Day In Music Books*

Stephen Arthur Stills, born on January 3rd, 1945, Dallas, Texas, US, is a singer, songwriter, multi-instrumentalist, producer & political activist, best known for his part in Buffalo Springfield and Crosby, Stills, Nash & Young. As both a solo act and member of two successful groups, he's sold over 35 million L.P.s., being ranked # 28 in *Rolling Stone* magazine's list of The 100 Greatest Guitarists of All Time during 2003 then # 47 in their list of 2011. He became the first artist to be inducted twice on the same night into the Rock and Roll Hall of Fame, Neil Young having stated, "Stephen is a genius".

**Crosby, Stills, Nash & Young** Miami,

Fla. : Warner Bros. Publications  
CSNY Crosby, Stills, Nash and Young Atria Books

**Crosby, Stills, Nash & Young** Secaucus, N.J. : Warner Bros. Publications, [199-?] Crosby, Stills, Nash, and Young, with their distinct vocal harmonies, blending of rock, jazz, folk, and blues, and political and social activism, have remained one of the most enduring musical acts of the 1960s. This book examines their songs and themes, which continue to resonate with contemporary listeners, and argues that Crosby, Stills, Nash, and Young reflect part of the broader story of American culture. This appreciative volume contextualizes their work within the political climate of the late 1960s, and makes the case that the values and concerns expressed in their music thread through the American experience today.
