Breed series: "I'm

addicted to Tina Folsom's

books! The Scanguards®

series is one of the

hottest things to happen to vampire romance. If you love scorching, fast-paced reads, don't miss this thrilling series!" After twenty years incarcerated in a vampire prison, Luther is finally free. But before he can close this chapter of his life once and for all, a kidnapping thrusts him back into the world of Scanguards and into a confrontation with the vampires whose

mates he very nearly killed two decades earlier. Actress Kimberly "Katie" Fairfax has turned her back on Hollywood and now teaches drama at a college in San Francisco. When Scanguards owner Samson's daughter disappears during a performance, Katie blames herself for inadvertently putting Isabelle in the path of danger. Realizing that

Luther may be the only one who can rescue Samson's daughter, she forges a tenuous alliance with the inscrutable stranger. As passion ignites between them, they not only have to fight against the unknown foe, but also against the demons of their past that could destroy them before they can rescue Isabelle.

ABOUT THE SERIES The Scanguards Vampires series is full of fast-paced action, scorching love scenes, witty dialogue, and strong heroes and heroines. Vampire

Samson Woodford lives in San Francisco and owns a security/bodyguard company, Scanguards, which employs both vampires and humans. And eventually some witches. Throw in a few immortal guardians and demons later in the series, and you'll get the drift! Each book can be read as a standalone and always centers around a new couple finding love, but the series is more enjoyable when read in order. And of course, there are always a few running jokes - you'll

understand when you meet Wesley, a wannabe witch. Enjoy!

In this work, the discussion of the principles of art and of their application to writing and speaking is carried further and is not restricted to the one feature of arousing and fixing attention. The following chapters represent the reactions of

the writer to literature both as composed today and as taught in our schools. Any active mind, bewildered by the ceaseless experimenting in literature and education, and not satisfied with a passive acceptance of even excellent critics, is necessarily forced back upon first principles. Such a mind will not yield to the despair of skepticism, that there are no first principles, nor to the despair of agnosticism, that there may be such principles but we cannot

know them, nor yet to the despair of pragmatism, that we must wait and see whether the human race ages from now will give us assurance that there really are principles of art because the last man has seen that these principles have been found to work up to the moment prior to which he joined Tutankhamen.

When her yoga teacher, Jay, doesn't show up for his classes for over two weeks, sci-fi novelist Olivia Morikawa, who has

a crush on her handsome teacher, is worried. Meanwhile, Jay “Tiger” Garner, ex-CIA agent of the now-defunct Code Name Stargate program, is recovering from his ordeal at the hands of Mr. Smith, when he has a vision of his arch enemy in Olivia’s house. Suspecting Olivia is somehow involved with Smith, Jay has no choice but to get close to her to find out where Smith is hiding, even if that means he has to take the gorgeous Olivia to his bed. Not that it’s a

hardship... However, nothing ever goes as planned when emotions are involved... About the series Gifted with precognitive skills and trained by the CIA in a top-secret program that not even the top brass of the agency was aware of, the Stargate agents were once the nation’s most powerful secret asset. Betrayed by unknown enemies, unable to trust anyone—not even one another—the Stargate Agents hold the key to unmasking a conspiracy steeped in greed, power

and revenge. To survive, they’ll have to solve what lies behind the recurring premonitions they experience, and stop an impending disaster. Nicholas "Fox" Young,  
brilliant computer

programmer and ex-Stargate Program operative in hiding, is close to his goal of accessing information, which could bring him one step closer to finding his fellow Stargate agents and shedding light on the recurring nightmarish premonition that haunts his dreams. But the online cat-and-mouse game he's been playing with ex-hacker and now CIA-contractor, Michelle Andrews, gets elevated to a new level when circumstances thrust them together. Suddenly,

passion ignites the blood of the cool computer genius, and he has to balance the risk of letting the fiery woman close enough to catch him with the need of feeling her shudder in his arms. But no matter his decision, they might already be doomed, because Nick's real enemies are lurking in the shadows. Romantic Comedy about Greek Gods When the god of wine and ecstasy, Dionysus, callously dumps his latest conquest, the mortal Ariadne, the goddess Hera has had enough. She robs

Dionysus of his memory to teach him a lesson in humility. Ariadne is deeply hurt after Dionysus dismisses their night of passion as "just sex" and doesn't want to see her anymore. When she finds him bloodied and beaten and suffering from amnesia, she quickly forms a plan to get back at him. As she pretends to be his fiancée, Ariadne makes Dionysus believe he loves her. But the longer the charade continues, the more difficult it becomes to really see who teaches

whom a lesson. And what if Dionysus gains his memory back? Will there be hell to pay for her deception, or can a mortal woman truly win a god's love? Messenger god Hermes' sandals have been stolen by a mortal, thus robbing all gods of their gift of teleportation. Zeus is furious, but Hermes has more to worry about than his father's anger.

Retrieving the sandals becomes a race against time as others are after the precious artifacts, too. Hermes knows the identity of the thief: the lovely Greek studies professor, Penelope. Now,

not only does he have to get to his sandals first, but he has to do so before Penelope steals something else: his heart.

Vampire Amaury LeSang

is cursed to feel everybody's emotions like a permanent migraine. The only way to alleviate the pain is through sex. When he meets the feisty human woman Nina, a cure for his ailment seems within reach: in her presence all pain vanishes. Unfortunately, Nina is out to kill him because she believes he's involved in her brother's death. And she would succeed if only Amaury's bad boy charm didn't play havoc with her hormones and catapulted her into his arms and his bed

every time she was near him. As every kiss brings them physically closer, danger is lurking and threatens to destroy the little trust they have in each other. Demon Unleashed Tina Folsom

The last thing vampire bodyguard Zane wants to do is to guard a hybrid, a half-vampire, half-human, whose father wants to keep her a virgin. Known for his violent temper and callous lack of compassion, Zane's out-of-control rage, born of the cruelty he suffered during the Holocaust,

drives him to focus only on revenge. Trying to find the last of his torturers is his only goal in life. Portia is a young hybrid with a serious dilemma: in a few weeks, her body will be set in its final vampire form. If she is to avoid having to live out her immortal life as a virgin, she must find a lover in that short time—something her father hires Zane to prevent. The moment Portia and Zane meet, rules begin to bend, and a forbidden attraction bursts into flames hotter

than the hell of Zane's past. But that past threatens to pull them apart unless they can overcome their prejudice, forsake hate for love, and revenge for forgiveness. is the woman in his arms. His scruples about taking Delilah to bed vanish when his shrink suggests it's the only way to cure his problem. Thinking all he needs is one night with her, Samson indulges in a night of pleasure and passion. However, another attack on Delilah and a dead body later, and Samson has his hands full: not only with trying to hide the fact he's a vampire, but also with finding out what secrets Delilah harbors for somebody to want her harm. ABOUT THE SERIES The Scanguards Vampires series is full of fast-paced action, scorching love scenes, witty dialogue, and strong heroes and heroines. Vampire Samson Woodford lives in San Francisco and owns a security/bodyguard company, Scanguards, which employs both vampires and humans. And eventually some witches. Throw in a few immortal guardians and demons later in the

series, and you'll get the drift! Each book can be read as a standalone and always centers around a new couple finding love, but the series is more enjoyable when read in order. And of course, there are always a few running jokes - you'll understand when you meet Wesley, a wannabe witch. Enjoy!
