DONAVAN PETERSEN

People Who Knock on the Door W. W. Norton & Company
 From the late mistress of suspense and noir fiction comes a chilling anthology of short fiction, featuring works from five of her classic short story collections combined into a single anthology. By the author of *The Talented Mr. Ripley*. Reader's Guide available.

The Official World AuthorHouse

Freddy left her childhood home 22 years ago and swore never to return. But now her parents are dead, and she's back in her hometown to help her brothers manage the family fishmonger. Then one of her old school friends goes missing.

The Strand Magazine W. W. Norton & Company

In a small Pennsylvania town, Robert Forrester is recuperating from a nasty divorce and a bout of psychological trouble. One evening, while driving home, he sees a pretty young woman framed by her bright kitchen window. Soon, he can't keep himself away. But when Robert is inevitably discovered, obsession is turned on its head, and he finds himself unable to shake the

young woman, nor entirely sure whether he should. From Patricia Highsmith, once called "the balladeer of stalking" by *The New Yorker*, *The Cry of the Owl* is a modern classic ready to be reborn. *Slowly, Slowly in the Wind* Strelbytskyy Multimedia Publishing
 A collection of thirty-seven essays, reviews, and works of criticism includes the author's discussions of key works by Sylvia Plath, Emily Brontë, and Ernest Hemingway. By the author of *We Were the Mulvaney's*. 25,000 first printing.

Critical Survey of Short Fiction: James T. Farrell - W.W. Jacobs Atlantic Monthly Press

A collection of stories, thrilling and bizarre, set in France, Mexico, Zurich and New York.

The World's Finest Mystery and Crime Stories: 3 W. W. Norton & Company

The great revival of interest in Patricia Highsmith continues with this work that reveals the chilling reality behind the idyllic facade of American suburban life. The stories collected in *Mermaids on the Golf Course* are among Highsmith's most mature, psychologically penetrating works. As in the title story, in which a man's brush with death endows his everyday desires with tragic consequences, the warm familiarities of middle-class life become the eerie setting for Highsmith's chilling portrayals of violence,

secrecy, and madness.

Those who Walk Away Bloomsbury Publishing USA

Mermaids on the Golf Course: Stories W. W. Norton & Company

Patricia Highsmith: Her Diaries and Notebooks: 1941-1995

National Geographic Books

A collection of psychologically chilling stories about the dark realities of violence, secrecy, and madness that hide behind the ordinary facade of middle-class life includes the title tale in which a man's narrow escape from death endows his everyday desires with tragic consequences. Reprint.

Beautiful Shadow Sceptre

The life of Patricia Highsmith was as secretive and unusual as that of many of the best-known characters who people her "peerlessly disturbing" thrillers and short stories. Yet even as her work has found new popularity in the last few years, the life of this famously elusive writer has remained a mystery. For *Beautiful Shadow*, the first biography of Highsmith, British journalist Andrew Wilson mined the vast archive of diaries, notebooks, and letters she left behind, astonishing in their candor and detail. He interviewed her closest friends and colleagues as well as some of her many lovers. But Wilson also traces Highsmith's literary roots in the work of Poe, noir, and existentialism, locating the influences that helped distinguish Highsmith's writing so startlingly from more ordinary thrillers. The result is both a serious critical biography and one that reveals much about a brilliant and contradictory woman, one who despite her acclaim and affairs always maintained her solitude.

The New York Times Book Review W. W. Norton & Company

Features key works in the psychological thriller genre from the author of *The Talented Mr. Ripley*, including *Strangers on a Train* which was made into a legendary Alfred Hitchcock film and *The Price of Salt*.

Tribes of Mermaids Harper Collins

In his virtuosic new book noted cultural critic Mark Seltzer shows how suspense, as art form and form of life, depicts and shapes the social systems that organize our modern world. Modernity's predicament, Seltzer writes, is a society so hungry for reality that it cannot stop describing itself, and that makes for a world that continuously establishes itself by staging its own conditions.

Employing the social theories of Georg Simmel, Erving Goffman, Niklas Luhmann, and Peter Sloterdijk, Seltzer shows how suspense novels, films, and performance art by Patricia Highsmith, Tom McCarthy, Cormac McCarthy, J. G. Ballard, Karl Ove Knausgaard, and others outline how we currently live and reveal the stress-points and mood-systems of the modern epoch. In its focus on social games, depictions of violent and explosive persons, along with its cast of artists, reporters, detectives, and others who observe and report and reenact, the suspense mode creates and recreates modern systems of action and autonomy, and defines the self-turned world's practices and aesthetics. By epitomizing a reflexive, self-legislating, and autonomous world, a suspense art with humans in the systems epoch provides the models and sets the rules for our modern, official world.

The Boy Who Followed Ripley W. W. Norton & Company
Includes, beginning Sept. 15, 1954 (and on the 15th of each month, Sept.-May) a special section: School library journal, ISSN 0000-0035, (called Junior libraries, 1954-May 1961). Also issued separately.

The Crime Writer Greenwood Publishing Group

A Critical Study of the Fiction of Patricia Highsmith--from the

Psychological to the Political W. W. Norton & Company

Elf verhalen waarin steeds de menselijke zwakheid centraal staat.

Mermaids on the Golf Course and Other Stories The Countryman Press

"Highsmith's novels are peerlessly disturbing...bad dreams that keep us thrashing for the rest of the night." —The New Yorker
With the savage humor of Evelyn Waugh and the macabre sensibility of Edgar Allan Poe, Patricia Highsmith brought a distinct twentieth-century acuteness to her prolific body of fiction. In her more than twenty novels, psychopaths lie in wait amid the milieu of the mundane, in the neighbor clipping the hedges or the spouse asleep next to you at night. Now, Norton continues the revival of this noir genius with another of her lost masterpieces: a later work from 1983, *People Who Knock on the Door*, is a tale about blind faith and the slippery notion of justice that lies beneath the peculiarly American veneer of righteousness. This novel, out of print for years, again attests to Highsmith's reputation as "the poet of apprehension" (Graham Greene).

The Price of Salt, or Carol Grove/Atlantic, Inc.

Patricia Highsmith's *The Price of Salt* is now a major motion picture (*Carol*) starring Cate Blanchett and Mia Wasikowska, directed by Todd Haynes
A 2010 New York Times Notable Book
A 2010 Lambda Literary Award Winner
A 2009 Edgar Award Nominee
A 2009 Agatha Award Nominee
A Publishers Weekly Pick of the Week
Patricia Highsmith, one of the great writers of twentieth-century American fiction, had a life as darkly compelling as that of her favorite "hero-criminal," the talented Tom Ripley. Joan Schenkar maps out this richly bizarre life from her birth in Texas to Hitchcock's filming of her first novel, *Strangers on a Train*, to her long, strange self-exile in Europe. We see her as a secret writer for the comics, a brilliant creator of disturbing fictions, and an erotic predator with dozens of women (and a few good men) on her love list. *The Talented Miss Highsmith* is the first literary biography with access to Highsmith's whole story: her closest friends, her oeuvre, her archives. It's a compulsive page-turner unlike any other, a book worthy of Highsmith herself.

Selected Stories of Patricia Highsmith W. W. Norton & Company

Molly is the Grandmother Manatee to Mikie. Every night before Mikie goes to sleep, she tells him one of her enchanting stories. She shares stories her Grandparents told her as they visited the wetlands, rivers and the vast salty Ocean. One night Mikie, had a bright idea. He would like to keep the stories alive for generations to come and together, they will teach others the lessons and go on field trips to wetlands, rivers, oceans, the rain forest and all the places Mother Nature has created. The ocean was alive with excitement and on the first day of class there was not an empty seat in the classroom. Please follow us as we go on fieldtrips, learn about the ocean, and the environment that surrounds her. Find out ways we can all work together with the goal of making the World a better place for the next generation. Always remember that if we do not have plants we do not have oxygen to breathe. Remember if we do not have water to water the plants all oxygen is lost. Most importantly remember it is up to all of us to spread the passion, and wisdom. We need to continue to share the stories our Grandparents told us and continue to pass on the history of our unfolding miracles that our environment provides. Never forget that we are today's pioneer.

The Animal-Lover's Book of Beastly Murder AuthorHouse

"A great American writer...Highsmith's writing is wicked...it puts a spell on you." —Entertainment Weekly
Patricia Highsmith's story of romantic obsession may be one of the most important, but still largely unrecognized, novels of the twentieth century. First published in 1952 and touted as "the novel of a love that society forbids," the book soon became a cult classic. Based on a true story plucked from Highsmith's own life, *The Price of Salt* (or *Carol*) tells the riveting drama of Therese Belivet, a stage

designer trapped in a department-store day job, whose routine is forever shattered by a gorgeous epiphany—the appearance of Carol Aird, a customer who comes in to buy her daughter a Christmas toy. Therese begins to gravitate toward the alluring suburban housewife, who is trapped in a marriage as stultifying as Therese's job. They fall in love and set out across the United States, ensnared by society's confines and the imminent disapproval of others, yet propelled by their infatuation. *The Price of Salt* is a brilliantly written story that may surprise Highsmith fans and will delight those discovering her work.

25 Mermaid Tales Collection Forge Books

'Brilliant' Paula Hawkins In 1964, the eccentric American novelist Patricia Highsmith is hiding out in a cottage in Suffolk, to concentrate on her writing and escape her fans. She has another motive too - a secret romance with a married lover based in London. Unfortunately it soon becomes clear that all her demons have come with her. Prowlers, sexual obsessives, frauds, imposters, suicides and murderers: the tropes of her fictions clamour for her attention, rudely intruding on her peaceful Suffolk retreat. After the arrival of Ginny, an enigmatic young journalist

bent on interviewing her, events take a catastrophic turn. Except, as always in Highsmith's troubled life, matters are not quite as they first appear . . . Masterfully recreating Highsmith's much exercised fantasies of murder and madness, Jill Dawson probes the darkest reaches of the imagination in this novel - at once a brilliant portrait of a writer and an atmospheric, emotionally charged, riveting tale.

Contemporary Literary Criticism W. W. Norton & Company

"Like Ripley, [Highsmith's characters] burn in a reader's memory."—Susan Salters Reynolds, Los Angeles Times Book Review In unmistakable Highsmithian fashion, *Small g*, Patricia Highsmith's final novel, opens near a seedy Zurich bar with the brutal murder of Petey Ritter. Unraveling the vagaries of love, sexuality, jealousy, and death, Highsmith weaves a mystery both hilarious and astonishing, a classic fairy tale executed with a characteristic penchant for darkness. Published in paperback for the first time in America, *Small g* is at once an exorcism of Highsmith's literary demons and a revelatory capstone to a wholly remarkable career. It is a delightfully incantatory work that, in the tradition of Shakespeare's *A Midsummer Night's Dream*, shows us how bizarre and unpredictable love can be.
