Many modern Christians  
are now agreeing that we

should take Jesus'  
command to cast out  
demons more seriously  
than we have in recent  
years. But how do we do  
it? Where do we start?  
This practical, down-to-  
earth book shows us how.  
From Doris Wagner, one

of the leading authorities  
on biblical deliverance in  
North America, this  
manual teaches Christians  
how to take and break  
soul ties; how to break  
bondages of rejection,  
addiction, lust, and more;  
and how to set free those

whom the enemy has held captive.

In the Lord's recovery during the past five hundred years the church's knowledge of the Lord and His truth has been continually progressing. This monumental and classical work by Brother Witness Lee builds upon and is a further development of all that the Lord has revealed to His church in the past

centuries. It is filled with the revelation concerning the processed Triune God, the living Christ, the life-giving Spirit, the experience of life, and the definition and practice of the church. In this set Brother Lee has kept three basic principles that should rule and govern every believer in their interpretation, development, and expounding of the truths contained in the Scriptures. The first principle is that of the Triune God dispensing Himself into His chosen

and redeemed people; the second principle is that we should interpret, develop, and expound the truths contained in the Bible with Christ for the church; and the third governing principle is Christ, the Spirit, life, and the church. No other study or exposition of the New Testament conveys the life nourishment or ushers the reader into the divine revelation of God's holy Word according to His New Testament economy as this one does.

This book deals with the Anointing and ministration of the word of God, From this study we learn what the anointing of the Holy Ghost means and about the impartation of the gifts of the Spirit giving us a practical understanding of them. We learn how God wants us to be self-motivated ministers, to be doers of His word and not

hearers or mere professors and it teaches us how to become known in the Kingdom of God as well as in the kingdom of darkness. Because we are saviours and delivers of our generation we learn how to take the battle to the enemy's gates and fight for the kingdom of God. We also learn as sons and daughters of God, who serve their heavenly Father, we are expected to bear fruit for the kingdom and do greater works than even Jesus did, now that He has ascended to be with the

Father.

Praying is an action that is of the essence of Christian existence. It involves our beliefs, emotions, values, hopes and fears, certainties and uncertainties, knowledge and ignorance. As J. I. Packer and Carolyn Nystrom explain, "Our aim is not just to clarify Christian understanding but to foster Christian living. In real praying, head, heart, and hands go together." With wisdom, humility, and sincerity the

authors lead us through different moods of praying, including brooding, praising, asking, complaining, and hanging on. In Praying the authors offer hope for those of us who daydream when we try to listen to God and stumble when we try to speak. Yet they don't just teach us about prayer; they challenge and inspire us to do it by pointing us to a clearer realization of the reality of God and his character. Let Packer and Nystrom guide your praying to our powerful God, and let him move

your praying through mere duty to delight.

My good friend, Onyechi Daniel, is an internationally-known teacher. He is passionate believer, a loving husband and father. But he is also a credible scholar, a

persuasive communicator, and a man of God who walks with integrity. I think I have every one of his books. I always find them to be mentally stimulating and spiritually enlightening. I receive new revelation and strength from each one. I highly recommend Faulty Foundations - the unseen problems to you. Read it, and be blessed! - Eddie Smith, President, U.S. PRAYER CENTER, Houston, TX, USA. What dose the Bible actually mean when it says that ...old things have passed away?...

Have we misunderstood the scripture: ...The fathers have eaten sour grapes, and the childrens teeth are set on edge. As I live, says the Lord God, you shall no longer use this proverb in Israel... (Ezek. 18:2-3). Can evil done in a particular environment bring problems to the innocent inhabitants of that environment? Can a Christians life be affected by the past sins and abominations done by him and his ancestors? Can a person or family still be in captivity after being born

again? Why should a Christian still suffer from prolonged sickness, delay in marriage, bareness, threat of death, poverty and near-succes syndrome? Are all curses broken spontaneously when we become saved? This book is studded with revelations on the significance of spiritual foundations - it shall settle the controversy once and for all. *Dreams WestBow Press* With these introductory words, E. Carver McGriff sets forth to provide some of the most timely and

thought-provoking research on the lectionary texts ever made available. Included for each Sunday in the lectionary are: - A listing of the applicable Revised Common, Roman Catholic, and Episcopal lectionary texts. - Commentary that is more than academic exegesis -- McGriff brings to the forefront those points in the text that relate most poignantly to our contemporary reality. - Suggested sermon titles for each of the three texts for each Sunday. - Themes and suggested

directions for preaching on each text. - Several additional illustrations to enliven your preaching. - A description of the Psalm of the day. - A prayer for the day. E. Carver McGriff is one of America's premiere preachers. His introduction details the personal tragedy he has suffered. But through it all Dr. McGriff was able to expand his congregation from 900 members to 4,400 members. Sunday attendance increased from 300 to over 1,850. As a teenager Carver McGriff was wounded and

captured by a German SS parachute battalion during World War II. He received a Bronze Star and two Purple Hearts and returned home to earn a degree in business administration from Butler University. Following a career as a salesman and business owner, McGriff entered Garrett Theological Seminary, where he was voted Best Preacher by the faculty and graduated with distinction. He was then appointed by the Bishop of Indiana to start a new congregation on the

northeast side of Indianapolis. During his ministry at St. Luke's, McGriff received an honorary degree from the University of Indianapolis and the Outstanding Alumnus award from Butler University and was voted the Distinguished Alumnus of the year by Christian Theological Seminary. McGriff was also honored with the Sagamore of the Wabash by Indiana Governor Evan Bayh. His sermons have been distributed nationwide by the Methodist Publishing

Company.

Spiritual Warfare is intended to be a basic training manual for beginner Christians. The man or woman of God needs to be equipped with the knowledge and understanding of the fight Christians are in and the weapons and tools available in order to wage effective spiritual warfare in our everyday lives for the advancement of the kingdom of God in these last days. It is important to understand the

constant spiritual battle Christians are in, who one is in Christ Jesus, the nature of God and His love, and the nature of the enemy and his tactics. Spiritual Warfare is set up as a study book with Scriptures and references so the reader can independently look up and study the Scriptures. This allows for the verification of these teachings, and as the reader studies these Scriptures, he or she may gain a greater understanding of the Word of God and spiritual

warfare. As Christians take up arms in this battle, it is God, who always leads us in His triumphal procession in Christ Jesus and through us everywhere spreads the fragrant knowledge of Him [Jesus] (2 Corinthians 2:14). Followers of Christ are to be ambassadors of the light of the gospel of Jesus Christ to the world, and it is God's will for such followers to be well-equipped for a victorious outcome.

There are many stories in

the Bible, both in the Old and New Testament, where the angels came to the assistance of God's people. When we are under attack from others or even demonic influences, the heavenly hosts are dispatched on our behalf to fight battles that we cannot fight and assist in securing victory in spiritual warfare. Some battles are fought in the second heaven, and in these instances, we will not necessarily see them manifesting in the Earth's realm, but we can feel the resistance and the

opposition as we try to move ahead in life. As such, only angels can fight these battles in the second heaven. It is imperative that we know how to pray for this angelic assistance and have the confidence to know that God will send them. In this book, you will learn: - A comprehensive breakdown of Psalm 91, which is a Psalm for protection. - How to discern the difference between the Angel of the Lord and other angelic presences. - How to

create a portal in your home for the angels of heaven to come down and fight battles on your behalf. - How to get angelic help when you need it. Understanding these principles will allow you to win at spiritual warfare with ease and avoid toiling and weariness because you are not the one fighting the spiritual attacks. It is the Lord of Heaven's Armies and His angels. *The Book of Common Prayer ... in eight languages: namely, English, French, Italian by*

Wie viele dieser lachenden, beinebaumelnden Momente haben wir wirklich wahrgenommen? Exorcism is more widespread in contemporary England than perhaps at any other time in history. The Anglican Church is by no means the main provider of this ritual, which predominantly takes place in independent churches. However, every one of the Church of England dioceses in the country now designates at least one member of its clergy

to advise on casting out demons. Such 'deliverance ministry' is in theory made available to all those parishioners who desire it. Yet, as Francis Young reveals, present-day exorcism in Anglicanism is an unlikely historical anomaly. It sprang into existence in the 1970s within a church that earlier on had spent whole centuries condemning the expulsion of evil spirits as either Catholic superstition or evangelical excess. This book for the first time tells the full story of the

Anglican Church's approach to demonology and the exorcist's ritual since the Reformation in the sixteenth century. The author explains how and why how such a remarkable transformation in the Church's attitude to the rite of exorcism took place, while also setting his subject against the canvas of the wider history of ideas. *Liturgical Services, Liturgies and Occasional Forms of Prayer Set Forth in the Reign of Queen Elizabeth* Wipf and Stock

Others cant see the trees for the forestthey miss the wondrous details all around them. So why not look instead at both the forest and the trees? This commentary on Pauls letter to the Colossians guides you in doing just that. Even though we will be exploring ancient biblical cultures and learning plenty about the Greek language, no prior

academic training is needed. Technical terms have been set aside. Instead, with everyday language we will discover the big picture and revel in the fine details of this stunning letter, amazed by how God is still speaking these same words today to contemporary personal and social challenges. We will not then be tourists rapidly zipping through Colossians as if on a monotonous interstate highway. Instead we will be hiking our way through this letter, step by step,

phrase by phrase, finding joy in Gods truth and growing in our faith. Come and join the journey.

"This work addresses the question of why the New Testament is considered a sacred text by Christians. While sharing some characteristics of an Introduction to the New Testament, this work has a very different purpose. While for many the New Testament is respected as an interesting and influential ancient first-century text, for believing Christians the New

Testament bears perennial normative religious authority. After exploring the content, the historical roots, and the complex process that led to the composition of the varied writings contained in the New Testament, this study turns to the fundamental unifying purpose of the New Testament writings as religious proclamations in various literary forms of the inherently transcendent character of Jesus Christ and the implications of that proclamation for the lives

and destiny of both individual Christians and the Christian community itself. It is this defining characteristic that underwrites the sacred character of the New Testament for Christians. A key process was the

formation of the New Testament canon during the early centuries of the Christian era which certified the normative nature of the New Testament writings and fused them on to the

Jewish Scriptures or Old Testament to form the Christian Bible. The study concludes by sketching the evolution and ongoing diversity of New Testament interpretation both in the academy and in the church"--
