Do you want to learn the world's most spoken language? This easy-to-use beginner's e-guide and audio app will get you speaking basic Mandarin in no time. With useful tips, practice exercises, and fascinating insights into Chinese culture, Easy Peasy Chinese teaches you how to read, write, and speak Mandarin Chinese step by step. The accompanying audio app covers all the vocabulary in the book, helping you perfect your pronunciation and quickly get to grips with the Mandarin tones. Aimed at children aged 8+, but of appeal to beginners of all ages, it will teach you all the words and phrases you'll need to get by in China, so you can introduce yourself, read and write numbers, and chat about the weather, food, and interests. What's more, you can give yourself a Chinese name, haggle over shop prices, and learn all about the national culture. The ebook covers Pinyin, the system used to spell out Chinese characters using Roman letters, and introduces the Chinese writing system, identifying more than 200 of the most frequently used Chinese characters. Bold illustrations and photographs, and a compact, super-stylish design help make the process of learning fun and accessible. There is no Great Wall stopping you from learning now.

Basic Spoken Chinese Phase 1 Allen & Unwin

This is a beginning-level course in written Chinese that employs a revolutionary new method designed to have you quickly reading and writing simple, connected Chinese sentences. Along with its sister book Basic Spoken Chinese and their accompanying workbooks, Basic Written Chinese offers a complete introductory course to the written Chinese language. As a native English speaker, working hard to learn Chinese characters is not enough; you have to work smart to learn this very different language efficiently. No matter why you've chosen to learn Chinese--for business, travel, cultural

studies or another goal—the Basic Chinese approach of two separate but integrated tracks in spoken and written Chinese will help you learn this language most efficiently and successfully. Basic Written Chinese is designed so it can be used in a class with an instructor or by independent learners working on their own. Basic Written Chinese systematically introduces 288 of the highest frequency characters (in both their simplified and traditional forms) and over 700 common words written with them in context in sentences and a variety of reading passages to help you master basic Chinese reading and writing. This method will greatly improve your abilities to read Chinese and write Chinese. The structure of each new character is explained in detail to make the learning of characters easier, and "look-alike" characters are compared and contrasted. Many lessons include character differentiation drills and some lessons include realia such as name cards, street signs, or email messages. Each lesson introduces 6 new characters and a number of words that are written using them. By dividing the learning into small tasks, you maintain a sense of accomplishment rather than getting bogged down. You'll experience both printed and handwritten forms of characters, as well as several different printed fonts. The accompanying MP3 audio CD includes: Over 6 hours of audio by several native Mandarin speakers. Recordings of all reading selections. Recordings of all new characters and new vocabulary. Available separately, Basic Written Chinese Practice Essentials is the companion workbook for Basic Written Chinese. This practical guide includes a broad range of drills and exercises designed to dramatically enhance your proficiency in reading and writing Chinese. While designed for use with the companion textbook, it can be used together with any Chinese textbook or teaching program to hone your Chinese reading and writing language skills. All disc content is alternatively accessible on tuttlepublishing.com/downloadable-content.

Like its predecessor, the second edition of Fundamental Spoken Chinese places primary importance on providing a clear, systematic, and graduated introduction to the basic grammar and vocabulary of spoken Mandarin Chinese through chapters that center on identified sentence patterns and vocabulary items rather than particular social functions or daily activities. The authors continue the tradition of separating the teaching of oral and written skills, leaving the instruction of reading and writing in Chinese characters exclusively to the accompanying Fundamental Written Chinese, also in its second edition. The lessons in the two textbooks, however, are keyed to each other in terms of vocabulary and grammar, so they may be used simultaneously or the parallel written skills introduced at a later time. Both textbooks were developed for learning in the classroom and for

independent study. The exercise book contains a wide variety of exercises and activities specifically designed to reinforce a systematic progression of spoken Chinese that focuses on developing accuracy then fluency in conversations.
