*A Manual of Facts on
Concrete Masonry*
You are about to enter the
deep woods where
Sammy the skunk
becomes a hero to the
animals that live there.
Although Sammy does not
live in the deep woods, he
enters it quite by accident
and his adventures begin
immediately. This book is
the first in a series of
stories about Sammy the
skunk. In this edition you
will meet Mr. Fox. You will
find what Sammy did to
him and how Sammy
becomes his best friend.

You will also learn how Sammy helped a beaver who lost his teeth. Life lessons are written for each of the three stories in this book. They include a question for children to think about, a scripture verse, a truth about God, and a short message about the love God has for His children.
