*Rudyard Kipling's Verse* New York :

Doubleday, Page

William Wordsworth is chiefly remembered as one of the 'Lake Poets'. Yet he was also one of the founders of English Romanticism, a writer whose early revolutionary fervor imbued his verse and his ideals. Much of Wordsworth's work was inspired by nature, but to a style rich in lyrical imagery he brought a deep interest

in liberal humanitarianism and a profound concern for the lives, habits and speech of ordinary people, especially country people. This collection includes: 'I wandered lonely as a cloud' ('Daffodils'), 'Ode. Intimations of Immortality', 'Character of the Happy Warrior', 'The Solitary Reaper', 'To a Sky-Lark', 'Tintern Abbey', and extracts from 'The Prelude'.

*A Choice of Kipling's Verse* Castrovilli Giuseppe

Presents the further adventures of Mowgli, a boy reared by a pack of wolves, and the wild animals of the jungle. Also includes other short stories set in India.

**Verses, 1889-1896** eBook Partnership

A complete collection of Kipling's poetry  
*Collected Verse of Rudyard Kipling*  
Everyman's Library

For this new edition, first published in 1971, Ted Hughes augmented his original selection of Shakespeare's poems and dramatic speeches and completely rewrote his accompanying essay, intending to restore to the common reader much of what, in Shakespeare, was instinctively available to the audience of his day, and to show how Shakespeare's language unites in its sinews and substance the full range of Elizabethan

preoccupations, philosophical and social. *A Hostage* Oxford University Press  
Combining whimsical illustrations with poems of love, humour and celebration of the ups and downs of being a touring recording artist, *Idiot Verse* is a delightful book in the tradition of Leonard Cohen and John Lennon. It's a singer-songwriter's notebook to himself, and the world, and sure to impress fans especially, of which Henson has many.

The Five Nations University of Iowa Press  
Marital discord and adultery, war and death, cancer and disease are recurring themes, with the relentless ticking of the clock acting as a harbinger of greater sorrows. Concealed within are reflections of Kipling's own life, with faint glimmers of hope and expectations of things to come.

**With an Essay on Rudyang Kipling**

Wildside Press LLC

Features five of the author's best early stories: title selection plus "The Phantom Rickshaw," "Wee Willie Winkie," "Without Benefit of Clergy" and "The Strange Ride of Morrowbie Jukes."

Selected Verse

'Hear and attend and listen...' Rudyard Kipling is a supreme master of the short story in English and a poet of brilliant gifts. His energy and inventiveness poured themselves into every kind of tale, from the bleakest of fables to the richest of comedies, and he illuminated every aspect of human behaviour, of which he was a fascinated (and sometimes appalled) observer. This generous selection of stories and poems, first published in the acclaimed Oxford Authors series, covers the full range of Kipling's career from the youthful volumes that brought him fame as the chronicler of British India, to the bittersweet fruits of age and bereavement in the aftermath of the First World War. It includes stories such as 'The Man who would be King', 'Mrs Bathurst', and 'Mary Postgate', and poems from *Barrack-Room Ballads* and other collections. In his introduction and notes Daniel Karlin addresses the controversial political engagement of Kipling's art, and the sources of its imaginative power.

Anchor Books

"As a short-story writer, Rudyard Kipling is equaled only by Chekhov -- and this unusually generous selection, intended as a companion volume to T. S. Eliot's A Choice of Kipling's Verse, will undoubtedly confirm Kipling as a great master. Kipling has never wanted for advocates. The list includes George Orwell, Jorge Luis Borges, Kingsley Amis and Angus Wilson, as well as Eliot. But Craig Raine, in his original and meticulous introduction, offers a fresh overview of the work, as well as detailed readings of particular stories." -- Back cover.

### The Jungle Book Pan Macmillan

The fourth volume of Rudyard Kipling's letters, now collected and edited for the first time, continues the story of his life from the end of the Edwardian era through the Great War, a crisis in Kipling's life as well as in that of the world. The years before the war saw the publication of Rewards and Fairies and Songs from

Books. In politics, the great issue was Irish home rule and the fate of Ulster. At the outbreak of the war Kipling devoted himself to the struggle. He wrote patriotic verse, made recruiting speeches, and traveled as a correspondent to the French and Italian fronts. He published no new fiction, only what he wrote as correspondent and propagandist: France at War, The Fringes of the Fleet, and The Eyes of Asia. In 1915 his only son, John, was killed in the Battle of Loos; at the same time Kipling began to suffer from the undiagnosed ulcer that would torment him for the rest of his life. His last volume of poems, The Years Between, published in 1919, embodies the suffering and bitterness of these years.

Beast and Man in India Wildside Press LLC 'If-' is, by British readers' choice, the most popular poem in the language. This selection of Rudyard Kipling's verse contains not only this classic, but many of his greatest poems, in testimony to a writer who possessed a precocious gift for rhyme and a brilliant ear for language, coupled with a pin-sharp use of spare, vivid imagery. This collection also includes: 'Tommy', 'The Way Through the

Woods', 'Recessional', 'Boots', 'The Female of the Species', 'Mandalay', 'Gunga Din', 'The Young British Soldier' and many more of Kipling's greatest poems.

**The King's Pilgrimage** Faber & Faber Beloved for his fanciful and engrossing children's literature, controversial for his enthusiasm for British imperialism, Rudyard Kipling remains one of the most widely read writers of Victorian and modern English literature. In addition to writing more than two dozen works of fiction, including Kim and The Jungle Book, Kipling was a prolific poet, composing verse in every classical form from the epigram to the ode. Kipling's most distinctive gift was for ballads and narrative poems in which he drew vivid characters in universal situations, articulating profound truths in plain language. Yet he was also a subtle, affecting anatomist of the human heart, and his deep feeling for the natural world was exquisitely expressed in his verse. He was shattered by World War I, in which he lost his only son, and his work darkened in later years but never lost its extraordinary vitality. All of these aspects of Kipling's poetry are represented in this selection,

which ranges from such well-known compositions as “Mandalay” and “If” to the less-familiar, emotionally powerful, and personal epigrams he wrote in response to the war.

*A Choice of Kipling's Verse* Farrar, Straus and Giroux

With subjects as broad as militarism, the British Empire, childhood and death, the Selected Verse of Rudyard Kipling is a treasure trove of the Nobel Prize winner's most striking and moving poetry, dramatic monologues and ballads. This Macmillan Collector's Library edition includes an introduction by Lizzy Welby and the endorsement of the Kipling Society, of which Dr Welby is a Council Member. Designed to appeal to the booklover, the Macmillan Collector's Library is a series of beautiful gift editions of much loved classic titles. Macmillan Collector's Library are books to love and treasure.

Dan and Una perform their shortened version of A midsummer night's dream and accidentally conjure up Puck. For many afternoons Puck brings them the bold adventurers who made their fortunes and left their marks everywhere on the

English countryside.

The Years Between Michael O'Mara Books  
A major new biography of Rudyard Kipling Rudyard Kipling (1865-1936) was a unique figure in British history, a great writer as well as an imperial icon whose life trajectory matched that of the British Empire from its zenith to its final decades. Kipling was in his early twenties when his first stories about Anglo-Indian life vaulted him into celebrity. He went on to be awarded the Nobel Prize, and to add more phrases to the language than any man since Shakespeare, but his conservative views and advocacy of imperialism damaged his critical reputation -- while at the same time making him all the more popular with a general readership. By the time he died, the man who incarnated an era for millions was almost forgotten, and new generations must come to terms in their own way with his enduring but mysterious powers. Previous works on Kipling have focused exclusively on his writing and on his domestic life. Here, the distinguished biographer David Gilmour not only explains how and why Kipling wrote, but also explores the themes of his complicated life, his ideas, his

relationships, and his views on the Empire and the future. Gilmour is the first writer to explore Kipling's public role, his influence on the way Britons saw themselves and their Empire. His fascinating new book, based on extensive research (especially in the underexplored archives of the United States), is a groundbreaking study of a great and misunderstood writer.
