## ODOM PAOLA

**Advance Accounting** Pearson Education  
 Designed for a senior level course in advanced accounting, this text delivers a balanced and detailed approach to the conceptual and technical aspects of advanced accounting. Reflective of the current state of the international accounting landscape, this new edition discusses the upcoming globalization of accounting standards with frequent references to the FASB's new Codification system and with a "compare and contrast" method for explaining the differences between U.S. GAAP and IFRS. In addition, Advanced Accounting includes comprehensive coverage of all three methods of consolidated financial reporting (cost, partial equity, complete equity). Authored with both the student and teacher in mind, margin icons and labels distinguish all three methods and other pedagogical features.  
Advanced Management Accounting (Text, Problems & Cases)

## Success Publications

Each year, over 120,000 CPA exam candidates continue to attempt to pass the CPA exam. It is a stressful event in the life of an accountant, and the stress goes beyond just the knowledge and the exam itself because of the high percentage (85%), of first time students who fail. This book discusses what really happens at the CPA exam and how the candidate can better control the outcome. It provides the expert guidance on the techniques needed to pass today's CPA exam.

*Advanced Accounts, 19th Edition (Library Edition)* S. Chand Publishing

The emphasis of this text is on financial accounting concepts and their application both in business and non-business organizations. It provides coverage of partnerships, affiliated companies and topics such as international accounting standards and business segments.

**Advanced Accounting** Advanced Accountancy Volume-I, 11th Edition

The approach used by Hoyle, Schaefer, and Douppnik in the new

edition allows students to think critically about accounting, just as they will do while preparing for the CPA exam and in their future careers. With this text, students gain a well-balanced appreciation of the Accounting profession. As Hoyle 11e introduces them to the field's many aspects, it often focuses on past controversies and present resolutions. The text continues to show the development of financial reporting as a product of intense and considered debate that continues today and into the future. The writing style of the ten previous editions has been highly praised. Students easily comprehend chapter concepts because of the conversational tone used throughout the book. The authors have made every effort to ensure that the writing style remains engaging, lively, and consistent which has made this text the market leading text in the Advanced Accounting market. The 11th edition includes an increase integration of IFRS as well as the updated accounting standards.

**Business Information Sources** Irwin/McGraw-Hill

This is the first work of its kind. Original contributions from leading academicians, practitioners and accounting associations from around the world make this handbook a unique source of information on international accounting education and certification processes. A uniform format in most of the chapters allows for easy comparison between countries. This volume documents the development of accounting education and practice at country and global levels; studies the sensitivity of accounting education and practices to the unique socio-economic needs of its environment; and allows comparative studies at a time when attempts have begun to harmonize accounting education internationally. Most importantly, it shows how educational programmes around the world are preparing future accounting professionals to deal with the rapid technological and environmental changes of the 21st century.

*Advanced Accounting* McGraw-Hill Education

Business Accounting is the world's best-selling textbook on bookkeeping and accounting. Now in its eleventh edition, it has become the standard introductory text for accounting students and professionals alike. The book is used on a wide variety of courses in accounting and business, both at secondary and tertiary level and for those studying for professional qualifications. It builds on Business Accounting 1 to cover advanced aspects of financial accounting. It also covers introductory aspects of management accounting suitable for use at all levels up to and including professional foundation level courses and first-year degree courses.

*Indian National Bibliography* Pearson Higher Education

This comprehensive edition is the most authoritative text on advanced accounting topics. The book continues its legacy and provides a contemporary and comprehensive presentation of a wide spectrum of accounting concepts and applications. Detailed fundamentals provide a natural grounding and help in gaining accounting skills and knowledge. The book offers a structural presentation with over 500 clear illustrations, extensive exercise questions and updated accounting treatments. The book could be used to great advantage by accounting professionals

**Modern Advanced Accounting** S. Chand Publishing

Over the years Advanced Accountancy has emerged as the definitive and comprehensive textbook on accountancy as it completely meets the requirements of students preparing for BCom, MCom, MBA, BBA and professional examinations conducted by different institutions, such as the Institute of Chartered Accountants of India, the Indian Institute of Bankers, the Institute of Company Secretaries of India, and the Institute of Cost Accountants of India. New in this Edition • Basic features of the 32 Accounting Standards of India issued by the Institute of Chartered Accountants of India and 40 Indian Accounting

Standards (Ind AS) notified by the Ministry of Corporate Affairs. • Updation and convergence of Indian accounting standards with international financial reporting standards. • Strengthening and updating of the text material in the light of new accounting standards. • Latest questions and problems from examinations conducted by different professional bodies and universities.

*Research on Professional Responsibility and Ethics in Accounting* Emerald Group Publishing

This revised edition of ADVANCED MANAGEMENT ACCOUNTING provides a comprehensive and updated coverage of important topics, current trends, latest ideas and researches in management accounting. Expanding on its theoretical base, the book provides practical exposition to help students strengthen conceptual understanding and develop problem-solving skills to succeed in the classroom and beyond. Pedagogically enriched with new features and an impressive layout, this new edition is an essential text for students of M.Com, MBA, CA, ICWA, CS, CFA and other professional courses

*Advanced Accounts Volume-II, 19th Edition Bypass*

Presents the research and cases that focus on the professional responsibilities of accountants and how they deal with the ethical issues they face. This title features articles on a broad range of important topics, including professionalism, social responsibility, ethical judgment, and accountability.

*International Handbook of Accounting Education and Certification* S. Chand Publishing

Buku ini pertama-tama membahas mengenai persekutuan (partnership), secara lengkap dibahas dari pembentukan sampai dengan likuidasi. Hal ini perlu diketahui oleh mahasiswa karena persekutuan masih banyak di Indoensia dalam bentuk UMKM yang menggunakan modal sendiri tanpa menerbitkan saham dan lain-lain. Oleh karenanya, harus ditegaskan secara hukum, bagaimana pengikatannya antar-anggota, yang dibahas dalam Bab 1 yaitu pembentukan persekutuan. Setelah dibentuk, bagaimana mengoperasikan persekutuan tersebut, standar apa yang digunakan, dan bagaimana pendistribusian laba yang diperoleh dibahas pada Bab 2. Sesuai dengan karakteristik persekutuan yaitu limited life maka kemungkinan terjadi pembubaran yang dibahas di Bab 3 yaitu apabila ada anggota yang akan masuk atau ada anggota yang mengundurkan diri. Pembahasan selanjutnya mengenai persekutuan diakhiri dengan likuidasi, dibahas pada Bab 4 dan Bab 5. Pembahasan selanjutnya mengenai joint venture (usaha patungan) yang mempunyai karakteristik yang hampir sama dengan persekutuan, namun ini dalam skala besar yang berbentuk perusahaan untuk mengelola suatu proyek dengan pendanaan cukup besar yang dikelola bersama, baik secara jangka panjang maupun jangka pendek. Joint venture bisa berbentuk permanen atau temporer, tergantung objek yang dikelola. Hal ini dibahas dalam Bab 6. Bab 7 membahas mengenai konsinyasi, ini pun masih relevan dengan kondisi ekonomi sekarang dimana masih banyak kegiatan bisnis yang dilakukan dengan cara konsinyasi, baik bersifat sementara atau memang proses bisnisnya harus dilakukan dengan cara konsinyasi. Sistem ini biasanya terjadi pada perusahaan jasa transportasi (logistik) dan perusahaan yang bergerak di bidang percetakan dan fesyen. Sementara Bab 8 dan Bab 9 membahas penjualan angsuran (installment), hal ini juga masih banyak dilakukan oleh perusahaan, tidak hanya di bidang real estate, tetapi sekarang sudah ke semua produk kebutuhan rumah tangga. Hal ini juga terkait dengan daya beli masyarakat dan penghasilan yang terbatas maka dibahas bagaimana membeli kendaraan secara angsuran, yang secara detil dibahas pada Bab 9. Bab 10 dan bab 11 membahas mengenai perusahaan yang sudah berkembang dengan membentuk cabang. Bagaimana akuntansi untuk cabang dan pusat secara standar akuntansi dan

bagaimana menyusun laporan keuangan gabungan antara kantor pusat dan kantor cabang. Saat ini pun banyak perusahaan yang mempunyai cabang, dan bagian akuntansi mengalami kesulitan dalam menyusun laporan keuangan gabungan. Sehubungan dengan hal tersebut, dalam buku ini dipandu bagaimana menyusun laporan keuangan gabungan secara sistematis. Buku persembahan penerbit Bypass
