### Visions in the Night

ReadHowYouWant.com

Is your child a dreamer? Does your child see visions? If so, do not ignore them. Although every dream or vision does not have any spiritual benefit we still need to listen to our children. This is so important

because dreams and visions are the language of God. Every human being on the planet has the innate ability to receive divine communication from God especially in the form of a dream. The concept of dreams is fascinating and has researchers across the globe trying to find answers. Dreams are a language all their own and interpretation comes solely from our Heavenly Father. So, if your child is a dreamer you need to explain to them that God can speak to them through dreams.

And take the time to show them scriptures about dreams. This will cause them to be more mindful and pay attention when they have dreams. Remember in 1 Samuel the 3rd chapter God was speaking to Samuel but he was young and did not yet know the voice of the Lord. Very often God is speaking to our children and it is up to us to teach them to recognize and respond to the voice of the Lord. Understand that not only will God communicate with children in dreams and visions the enemy will try and

come with demonic communication. Many prophetic children that are dreamers battle with nightmares and being harassed at night by demonic spirits. Some children dream vividly almost every night and taking the time to listen to their dreams can give some insight to the source of their dreams or even reveal a message that God has been speaking through dreams. The first half of this book is geared towards you, the parents and other adults that are responsible for prophetic children. The second half of this book is some activities for you to do along with your prophetic child.

If You Believe Miraculous Gifts Have Ceased, You're in for a Big Surprise! What caused a former Dallas Seminary professor to believe that the miraculous gifts of the Holy Spirit are being given today? What convinced someone skeptical about miracles that God still speaks and heals? A dramatic change took place in Jack Deere's life when he took a fresh look at the Scriptures. He discovered that his arguments against miraculous gifts were based more on prejudice and lack of personal experience than on the Bible. As soon as Deere became a seeker instead of a skeptic, the Holy Spirit revealed himself in new and surprising ways. In *Surprised by the Power of the Spirit*, Deere provides a strong biblical defense for the Spirit's speaking and healing ministries today. He also describes several reliable cases of people who were miraculously healed or who heard God speak in an unmistakable way. Finally, he gives sound advice for using spiritual gifts in the church. Written

in a popular style, with the care of a scholar but the passion of personal experience, this book explores: - The real reason Christians do not believe in miraculous gifts - Responding to Charismatic abuses - Were miracles meant to be temporary? - Why God still heals "Must' reading for all Bible-believing Christians. I wish with all my heart I could place it in the hands of every conservative evangelical." - James Robison, Life Outreach International

In the 1990s alone, more than 400 works on angels were published, adding to an already burgeoning genre. Throughout the centuries angels have been featured in, among others, theological works on scripture; studies in comparative religions;

works on art, architecture and music; philological studies; philosophical, sociological, anthropological, archeological and psychological works; and even a psychoanalytical study of the implications that our understanding of angels has for our understanding of sexual differences. This bibliography lists 4,355 works alphabetically by author. Each entry contains a source for the reference, often a Library of Congress call number followed by the name of a university that holds the work. More than 750 of the entries are annotated. Extensive indexes to names, subjects and centuries provide further utility.

Jesus appears to be revealing Himself to Muslims through powerful dreams and vision throughout the Islamic world today, and the results are dramatic. Eleven years ago, Pastor Tom Doyle felt God calling him to leave the pastorate and become a full-time missionary in the Middle East and Central Asia. Through his extensive work in the region, which includes over 80 trips to places like Iran, Afghanistan, Iraq, Egypt, Syria, Israel, Lebanon, and Turkey,

Tom has met and recorded the stories of former Muslims who were first introduced to Jesus through either a dream or a vision that powerfully opened their hearts to become followers of Christ. Though they live in the most dangerous places in the world for people who leave Islam and embrace Christ, their passion for the Savior is contagious and inspirational. These are never-before-told stories from the front lines of the world of Islam. Through these unexplained supernatural occurrences, more Muslims have become believers in the last ten years than in the last 15 centuries of Islam. Why would God use dreams to reach the Muslim world? Can dreams and visions be trusted? What happens after these people experience a dream or vision? In *Dreams and Visions*, Tom Doyle takes the reader deep into the heart of the Middle East to meet believers who have been directly touched by the very hand of God.

WHAT END-TIMES WILL MEAN FOR YOU

!!(NOTE: All profits from this book go to missions). The 2nd Coming of Christ is undoubtedly on the horizon (Mathew Chapter 24).I believe this. The Scriptures and signs in Israel prove it, yet I am a PhD biologist! More importantly, I am a dedicated Christian planted in a local congregation.Our preparations as grassroots Christians, and as leaders, in the global & local Church, are critical to His coming.Jesus wants to use us! The Father has bound Himself to achieve final victory through us, the Body of Christ. Jesus is the Head.My visions are challenging, timely and 100% consistent with Scripture. They are also rich in Biblical symbolism from the Book of Revelations, Daniel, Ezekiel & the Tabernacle, Temples & Feasts of Israel - which I explain - and which I learned from many years of study at church Bible

studies, seminars and home.Along the way, through personal visions after seeking the Lord, I learned that I would never become a leader in the church because that is not my calling.But I do believe I need to share these visions with the Body of Christ and seekers of His way.In my visions I have seen: \* important aspects and the eternal security of the New Jerusalem\* events of the 2nd Coming\* the preparations we need to give ourselves to\* the specific shortcomings of present Church leadership\* the dangers of ignoring His word\* what we can do to honour The Lord in our daily lives\* what determines my own mansion in the New Heavens & Earth\* the ways He will reward us, or deny us, according to the degree of our faithfulness in this life. Like Joseph in the Bible God has granted me (Charles Pallaghy) numerous visions and dreams together with the gift of interpreting them. Each God- and angelic- encounter has been either for personal encouragement, or for a confirmation of my identity in Christ, or as a warning of events to come, or to deliver a prophecy to the church. I particularly cherish those visions and dreams that have enhanced my

understanding of the Word of God. I am excited to share these with you.
